Shaping Our Future*

2026
ANNUAL REPORT

HONORING OUR LEGACY SHAPING OUR FUTURE

For 40 years, OLP Financial Services Pakistan Limited has continuously evolved to meet the changing needs of customers, markets and the economy. What began as a leasing company in 1986 has transformed into a diversified financial services institution through strategic vision, innovation and disciplined execution. Every milestone in our journey reflects our commitment to excellence, resilience and the ability to adapt, creating a legacy built on trust, strong governance and enduring stakeholder relationships.

Today, OLP stands stronger than ever. Our diversified business model, robust governance framework, highest national credit ratings, and customer-centric solutions reflect the strength of an institution that has consistently reinvented itself while remaining true to its core values. The theme "Honoring Our Legacy, Shaping Our Future" celebrates not only the achievements of the past four decades but also the mindset that has enabled OLP to remain relevant, resilient and prepared for the opportunities of tomorrow.

As we enter our fifth decade, we look ahead with confidence and purpose. The future will be shaped by innovation, digital transformation, financial inclusion and the continuous development of our people and capabilities. Guided by the strength of our legacy and inspired by a clear vision for tomorrow, OLP remains committed to creating sustainable value for its customers, shareholders, employees and the communities we serve. Our first forty years were defined by excellence; our next chapter will be defined by our ability to shape the future.

OUR PEOPLE

OUR PRODUCTS

With a commitment to delivering tailored solutions, OLP provides a comprehensive range of value-added financial products and innovative, customized services to meet the diverse needs of its customers. Operating under the umbrella of Investment Finance Services, OLP serves a broad spectrum of customers across Pakistan.

VISION AND MISSION

Vision

Excellence in pioneering creative and flexible financial services for a diverse market with particular emphasis on serving the needs of the SME sector in Pakistan.

Mission

A corporate culture and environment that attracts and fosters the best available talent, inspires trust of customers, promotes innovation in products and services, creates value for all stakeholders and is inclusive of support to the less privileged by improving their access to finance.

CORE VALUES

STRATEGIC OBJECTIVES

- Enhance OLP brand image in the market as a leading diverse non-banking financial institution with strong brand loyalty.
- Be a role model for the industry with high standards of governance and risk assessment framework.
- Be recognized as making a meaningful contribution to the economy and the society with a focus on micro and middle-tier segments.
- Maintain the highest credit ratings in the non-banking financial sector of Pakistan to provide maximum security to our depositors and lenders.
- Meet varying and diverse demands of customers through innovation and differentiation in our products.
- Take personalized customer service to the next level through a highly trained and multi-skilled workforce.
- Become an employer of choice by creating a fair and conducive work environment that fosters growth and rewards talent.
- Bring transparency and control in all spheres of business and operations by introducing well-defined policies and procedures and training staff accordingly.
- Identify and capitalize on opportunities for generating sustainable sources of income to secure the future interests of all stakeholders.
- Maximize return to shareholders by steadily increasing ROE and ROA.

CODE OF BUSINESS ETHICS

It is vital to the financial success of OLP that we conduct our business in compliance with the rules and regulations applicable to and laid down by the Company. Our Code of Conduct sets out the fundamental standards to be followed by employees in their everyday actions.

- Acting in the best interests of the Company by ensuring that personal interests do not influence decision-making ability.
- Protecting OLP's proprietary and sensitive information by maintaining the highest level of confidentiality, both within and outside the Company.
- Compliance with applicable laws, rules and regulations in letter and spirit. Refrain from engaging in any illegal or unethical transaction.
- Maintaining a conducive working environment by respecting human rights and treating each other with respect, fairness and dignity.
- Exercising due care and acting within the scope of one's own authority.
- Maintaining a respectful and reverential attitude toward customers and conducting ourselves at all times to meet customers' needs.
- Considering values that serve to support and advance societal interests and harmony and conducting our business activities in a manner that promotes harmony with social and environmental issues.
- Committing to a secure and safe work environment and striving to maintain uninterrupted business continuity.
- Reporting the discovery of any illegal or unethical conduct and prohibiting any reprisal against or unfavorable treatment of OLP personnel who come forward in good faith to report issues.

COMPANY PROFILE

Four decades of service reflect OLP Financial Services Pakistan Limited's ("OLP" or "the Company") evolution from a leasing business into a provider of diversified financing solutions for corporate and individual customers. Established in July 1986 as a joint venture between ORIX Corporation, Japan, and local investors, OLP marks its 40th anniversary in 2026. This journey has been shaped by the contributions of its employees and the trust of its customers. The Company takes pride in supporting customers as they grow their businesses and create opportunities for others. Today, OLP holds a leading position in Pakistan's non-banking finance company sector. It is listed on the Pakistan Stock Exchange and serves customers through 30 branches across 24 cities.

ORIX Corporation is the Company's major shareholder, with a 49.58% shareholding. Established in 1964, ORIX Corporation is an integrated financial services group with operations in 30 countries. As at June 30, 2026, the group had total assets of ¥18,256 billion and equity of ¥4,790 billion, equivalent to approximately US\$111 billion and US\$29 billion, respectively.

OLP's growth extended beyond Pakistan through the establishment of YANAL Finance Company (formerly Saudi ORIX Leasing Company) and SAMA Finance SAE (formerly ORIX Leasing Egypt SAE). A further chapter in the Company's development was the acquisition of Standard Chartered Leasing Limited and OLP Modaraba (formerly Standard Chartered Modaraba). Together with the amalgamation of the leasing company, these transactions broadened the scale and scope of OLP's operations.

From corporate leasing to financing for individuals and businesses, OLP's product portfolio has evolved with the needs of its customers. Today, that portfolio includes auto financing for passenger vehicles and commercial vehicle financing for trucks and buses. Islamic financing and solutions for small enterprises broaden the range of customers OLP can serve, while Certificates of Deposit have supported its funding requirements. Together, these offerings enable the Company to serve customers across Pakistan while maintaining a particular focus on small and medium enterprises.

CHAIRMAN'S REVIEW REPORT

On behalf of the Board of Directors, it is my privilege to present the Annual Report of OLP Financial Services Pakistan Limited for the year ended June 30, 2026.

Pakistan's economy continued its recovery during FY2026 despite a challenging global environment. Economic activity improved, supported by a recovery in industrial activity, while progress in fiscal management and external sector stability contributed to a more stable macroeconomic environment. The year, however, also witnessed renewed geopolitical tensions in the Middle East, creating uncertainty around global energy prices, trade and inflation. Against this backdrop, Pakistan demonstrated resilience while continuing its economic reform and stabilization efforts.

For OLP, the evolving environment reinforced the importance of maintaining financial resilience, disciplined risk management and a measured approach to growth, while remaining positioned to benefit from opportunities arising from improving economic activity.

OLP continues to pursue its strategy of achieving balanced growth without compromising on portfolio quality. New disbursements reached Rs. 21.07 billion compared to Rs. 19.11 billion in the previous year, reflecting continued growth in business volumes and our expanding outreach to SMEs. Total assets grew by 14.20% to Rs. 40.44 billion (June 2025 Rs. 35.41 billion), supported by portfolio growth and effective asset management. Portfolio quality also improved, as reflected in lower delinquency levels, reinforcing our continued focus on prudent risk management.

Profit before taxation increased by 7.39% to Rs. 2,161 million, while profit after taxation grew by 8.83% to Rs. 1,333 million. This performance was achieved despite pressure on yields from the equity-funded portfolio in the lower interest rate environment, reflecting the resilience of our underlying business and lower funding costs. The Company's financial strength was further reaffirmed by VIS Credit Rating Company Limited, which assigned credit ratings of "AAA" for the long term and "A1 +" for the short term.

Overall, the Board continued to perform effectively in providing strategic direction and oversight in support of the Company's objectives, as reflected in the annual evaluation conducted under the Board-approved mechanism.

As we look ahead, OLP will continue to build on its established strengths while responding to an evolving business environment. Our focus will remain on supporting the financing needs of SMEs and other productive segments of the economy, pursuing sustainable business growth and maintaining a prudent approach to risk. At the same time, we will continue to strengthen our capabilities, improve service delivery and explore opportunities that respond to the changing needs of our customers.

Our people remain central to this journey. Their experience, commitment and ability to adapt, supported by sound governance and a disciplined approach to managing risk, provide a strong foundation for OLP's continued progress.

On behalf of the Board, I extend my sincere appreciation to our employees, customers, shareholders, regulators, business partners and other stakeholders for their continued trust and support. We look forward to building on these relationships as we pursue sustainable growth and long-term value for all our stakeholders.

KHALID AZIZ MIRZA
Chairman

چیرمین کی جائزہ رپورٹ

بورڈ آف ڈائریکٹرز کی جانب سے، مجھے 30 جون 2026 کو ختم ہونے والے سال کے لیے OLP فنانشل سروسز پاکستان لمیٹڈ کی سالانہ رپورٹ پیش کرتے ہوئے خوشی ہو رہی ہے۔

مالی سال 2026 کے دوران پاکستان کی معیشت نے عالمی سطح پر درپیش مشکل حالات کے باوجود اپنی بحالی کا عمل جاری رکھا۔ صنعتی سرگرمیوں میں بحالی کے باعث معاشی سرگرمیوں میں بہتری آئی، جبکہ مالیاتی انتظام میں پیش رفت اور بیرونی شعبے میں استحکام نے زیادہ مستحکم میکرو اکنامک ماحول پیدا کرنے میں معاونت کی۔ تاہم، سال کے دوران مشرق وسطیٰ میں جغرافیائی سیاسی کشیدگی میں دوبارہ اضافہ بھی دیکھنے میں آیا، جس کے باعث عالمی سطح پر توانائی کی قیمتوں، تجارت اور افراط زر کے حوالے سے غیر یقینی صورتحال پیدا ہوئی۔ ان حالات کے باوجود، پاکستان نے معاشی اصلاحات اور استحکام کی کوششوں کو جاری رکھتے ہوئے مضبوط چلک کا مظاہرہ کیا۔

OLP کے لیے بدلتے ہوئے معاشی ماحول نے مالیاتی مضبوطی برقرار رکھنے، خطرات کے منظم انتظام اور ترقی کے لیے محتاط حکمت عملی اپنانے کی اہمیت کو مزید اجاگر کیا، جبکہ کمپنی اپنی پوزیشن کو اس طرح برقرار رکھے ہوئے ہے کہ معاشی سرگرمیوں میں بہتری کے نتیجے میں پیدا ہونے والے مواقع سے فائدہ اٹھایا جاسکے۔

OLP پورٹ فولیو کے معیار پر سمجھوتہ کیے بغیر متوازن ترقی حاصل کرنے کی اپنی حکمت عملی پر بدستور عمل پیرا ہے۔ نئی رقوم کی فراہمی 21.07 بلین روپے تک پہنچ گئی، جبکہ گزشتہ سال یہ 19.11 بلین روپے تھی، جو کاروباری حجم میں مسلسل اضافے اور چھوٹے اور درمیانے درجے کے کاروباری اداروں (SMEs) تک ہماری بڑھتی ہوئی رسائی کی عکاسی کرتی ہے۔ مؤثر اثاثہ جات کے انتظام اور پورٹ فولیو میں اضافے کی بدولت مجموعی اثاثوں میں 14.20 فیصد اضافہ ہوا اور یہ 40.44 بلین روپے تک پہنچ گئے، جبکہ جون 2025 میں یہ 35.41 بلین روپے تھے۔ پورٹ فولیو کے معیار میں بھی بہتری آئی، جو delinquency rate کی کمی سے ظاہر ہوتا ہے، اور محتاط خطرات کے انتظام پر ہماری مسلسل توجہ کو مزید تقویت دیتا ہے۔

قبل از ٹیکس منافع میں 7.39 فیصد اضافہ ہوا اور یہ 2,161 ملین روپے تک پہنچ گیا، جبکہ بعد از ٹیکس منافع میں 8.83 فیصد اضافہ ہوا اور یہ 1,333 ملین روپے رہا۔ یہ کارکردگی کم شرح سود کے ماحول میں ایکویٹی سے مالی اعانت یافتہ پورٹ فولیو کی پیلیڈز پر دباؤ کے باوجود حاصل کی گئی، جو ہمارے بنیادی کاروبار کی مضبوطی اور فنڈنگ کی لاگت میں کمی کی عکاسی کرتی ہے۔ کمپنی کی مالیاتی مضبوطی کی مزید توثیق VIS کریڈٹ ریٹنگ کمپنی لمیٹڈ کی جانب سے کی گئی، جس نے طویل مدتی "AAA" اور قلیل مدتی "A1+" کریڈٹ درجہ بندی تفویض کیں ہیں۔

مجموعی طور پر، بورڈ نے کمپنی کے مقاصد کی معاونت میں حکمت عملی کی سمت اور مؤثر نگرانی فراہم کرنے کے لیے اپنا کردار مؤثر انداز میں جاری رکھا، جس کی عکاسی بورڈ سے منظور شدہ طریقہ کار کے تحت کیے گئے سالانہ جائزے سے بھی ہوتی ہے۔

مستقبل کی جانب دیکھتے ہوئے، OLP بدلتے ہوئے کاروباری ماحول کے مطابق اپنی حکمت عملی میں ضروری رد و بدل کرتے ہوئے اپنی قائم شدہ مضبوطیوں کو مزید مستحکم کرتی رہے گی۔ ہماری توجہ بدستور SMEs اور معیشت کے دیگر پیداواری شعبوں کی مالیاتی ضروریات پوری کرنے، پائیدار کاروباری ترقی کے حصول اور خطرات کے حوالے سے محتاط حکمت عملی برقرار رکھنے پر مرکوز رہے گی۔ اس کے ساتھ ساتھ، ہم اپنی صلاحیتوں کو مزید مضبوط بنانے، خدمات کی فراہمی کو بہتر بنانے اور اپنے صارفین کی بدلتی ہوئی ضروریات کے مطابق مواقع تلاش کرنے کا عمل جاری رکھیں گے۔

اس سفر میں ہمارے لوگ بدستور مرکزی حیثیت رکھتے ہیں۔ ان کا تجربہ، عزم اور بدلتے حالات کے مطابق خود کو ڈھالنے کی صلاحیت، مضبوط گورننس اور خطرات کے انتظام کے لیے منظم اور محتاط طریقہ کار کے ساتھ مل کر OLP کی مسلسل پیش رفت کے لیے ایک مضبوط بنیاد فراہم کرتے ہیں۔

بورڈ آف ڈائریکٹرز کی جانب سے، میں اپنے تمام اسٹیک ہولڈرز اور ملازمین کا تہ دل سے شکریہ ادا کرنا چاہوں گا جنہوں نے اس مشکل وقت میں کمپنی کو چلانے میں عزم اور لگن کے ساتھ اپنا حصہ ڈالا اور سال کے دوران ریگولیٹرز کی مسلسل رہنمائی اور تعاون کا بھی شکریہ ادا کرتا ہوں۔

خالد عزیز مرزا
چیرمین

DIRECTORS' REPORT

On behalf of the Board of Directors, we are pleased to present the fortieth annual report of OLP Financial Services Pakistan Limited (OLP/ the Company) together with the Unconsolidated Financial Statements for the year ended June 30, 2026.

The Company

The Company was established in 1986 as a joint venture between ORIX Corporation, Japan (ORIX) and local investors. Licensed by the Securities and Exchange Commission of Pakistan (SECP) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, OLP operates as an Investment Finance Services provider. OLP caters to the diverse financial needs of corporate and individual clients. With a focus on empowering the Small and Medium Enterprise (SME) sector, OLP delivers customized financial solutions to support business growth and development.

Overview of the Economy

Pakistan's economy continued its recovery during FY2026 despite a challenging global environment. Real GDP recorded provisional growth of 3.7%, compared with 3.2% in the previous year, supported by improvement across major sectors of the economy.

Industrial activity strengthened during the year, while improved revenue mobilization and prudent expenditure management contributed to a stronger fiscal position. Large-Scale Manufacturing (LSM) remained on a recovery path, recording growth of 5.8% during July-May FY2026, compared with a contraction of 1.1% in the corresponding period last year. The automobile sector exhibited encouraging performance during FY2026, with sales of passenger cars increasing by 39%, jeeps & pick-ups by 41% and trucks & buses by 61% compared with the previous year. This improvement is particularly relevant to OLP considering the significant contribution of vehicle financing to the Company's business.

Inflation remained relatively contained during much of FY2026 but increased towards the end of the year, partly reflecting higher energy and transportation costs. National CPI inflation stood at 11.1% in June 2026, compared with 11.7% in May 2026 and 3.2% in June 2025. Average inflation for FY2026 was 7.1%, compared with 4.5% in FY2025. The State Bank of Pakistan's policy rate stood at 11.5% at June 30, 2026, compared with 11.0% at the end of the previous financial year.

Pakistan's external position remained broadly stable during the year, supported by strong remittance inflows and improved foreign exchange reserves. However, geopolitical tensions in the Middle East increased uncertainty in the global environment, particularly through volatility in energy prices, freight costs and supply chains.

Reflecting improvement in Pakistan's macroeconomic and external position, S&P Global Ratings upgraded Pakistan's long-term sovereign credit rating to 'B' from 'B-' in July 2026. Looking ahead, the Government has targeted real GDP growth of 4.0% for FY2027, while the IMF projects growth of 3.5%, indicating continued economic recovery at a measured pace.

The following key indicators summarize the principal macroeconomic trends influencing Pakistan's operating environment and the Company's financial performance:

Source: Pakistan Economic Survey 2025-26; IMF (FY2027 projection).

Source: Pakistan Bureau of Statistics (PBS); IMF (FY2027 projection).

The State Bank of Pakistan maintained a cautious and responsive monetary policy stance during the financial year 2025-26 amid evolving inflationary and external sector conditions, including uncertainties arising from the Middle East conflict. The policy rate was reduced from 11.0% to 10.5% in December 2025, before being increased to 11.5% in April 2026, where it remained through June 30, 2026. Despite external pressures during the latter half of the year, prudent monetary and fiscal management helped preserve overall macroeconomic stability. The Karachi Interbank Offered Rate (KIBOR) broadly tracked these movements, while benchmark rates remained significantly below the elevated levels witnessed in earlier years, contributing to the Company's lower average funding costs. The policy rate and KIBOR movement during the years are presented below:

Source: State Bank of Pakistan - Monetary Policy Statements and KIBOR Rates.

Pakistan's Federal Budget for FY2027 was announced in June 2026. Total expenditure is budgeted at Rs. 18.77 trillion, representing an increase of 20% over the revised budgeted expenditure for FY2026. Gross revenue receipts are projected at Rs. 20.60 trillion, including FBR tax revenue of Rs. 15.26 trillion, representing an increase of approximately 17.6% over the revised estimate for FY2026. The FY2027 budget targets an overall fiscal deficit of 3.6% of GDP.

Business Review

OLP entered the financial year 2027 from a position of operating resilience, supported by a gradually improving macroeconomic environment and greater economic stability. Building on these developments, the Company remains focused on disciplined business growth, prudent risk management, cost optimization and sustained operating efficiency.

Business momentum remained positive, with disbursements increasing by 10.28% to Rs. 21.07 billion from Rs. 19.11 billion in the previous year. Vehicle leasing and financing, comprising commercial vehicles and saloon cars, remained the principal origination segment and represented 84.05% of total disbursements. Consequently, the finance and lease portfolio expanded by 13.52% to Rs. 32.92 billion as of June 30, 2026, compared with Rs. 29.00 billion in the previous year.

The Company's nationwide network of 30 branches supported broad-based customer access while maintaining effective concentration controls. As of June 30, 2026, the largest single-customer exposure represented only 0.55% of the Company's total portfolio. The portfolio's asset mix remained anchored in vehicles at 82.84%, followed by plant and machinery at 11.10%.

Portfolio quality improved further during the year with delinquency level falling to 1.94% of portfolio from 2.26% last year. This improvement was supported by disciplined origination, strengthened risk selection, active portfolio surveillance and close monitoring of overdue exposures. Management continued to pursue effective resolution and recovery strategies for long-outstanding accounts, while ensuring timely remedial action on newly delinquent cases.

As part of its efforts to strengthen and diversify its funding base, during the year, the Company successfully added a new financial institution to its borrowing portfolio. This represents a notable achievement in broadening the Company's financing relationships and enhancing access to diverse funding sources.

A revaluation of the Company's leasehold land and office building was carried out as at June 30, 2026, resulting in a revaluation gain of Rs. 195 million after accounting for deferred tax. The revaluation further strengthened the Company's equity position and reflected the updated value of the underlying assets.

Yanal Finance Company, OLP's associated company operating in the Kingdom of Saudi Arabia, remained profitable. OLP's share of profit from the associate amounted to Rs. 129.22 million (FY2025: Rs. 154.26 million), representing a decrease of 16.23% over the previous year.

OLP Modaraba (OLPM), in which the Company and its subsidiary have a 20% equity stake together with substantive decision-making authority over OLPM's key operating and financial policies reported net profit of Rs. 160.71 million for the year, which was 7.68% lower than the previous year's net profit of Rs. 174.08 million. OLPM declared a cash dividend of 25% for the year ended June 30, 2025, which was received by OLP in the current year.

Financial Performance

TOTAL ASSETS Rs. 40,447.02 million 14.20% growth	NEW DISBURSEMENTS Rs. 21,071.68 million 10.28% growth	FINANCE AND LEASE PORTFOLIO Rs. 32,923.63 million 13.52% growth	RETURN ON ASSET 3.52% (June 30, 2025: 3.64%)
ANNUAL REVENUE Rs. 6,614.19 million 5.02% lower	PROFIT BEFORE TAXATION Rs. 2,161.19 million 7.39% growth	PROFIT AFTER TAXATION Rs. 1,333.71 million 8.83% growth	RETURN ON EQUITY 11.93% (June 30, 2025: 11.47%)

The above dashboard reflects strong growth in the Company's portfolio and asset base, improved profitability and sustained returns, despite lower yields in the prevailing interest rate environment.

The Company's financial results are summarized below:

	2026	2025
	-----Rupees-----	
Profit before levies & taxation	2,161,196,493	2,012,384,635
Taxation	827,481,030	786,913,599
Profit for the year after taxation	1,333,715,463	1,225,471,036
Appropriations : transfer to statutory reserve	66,685,773	61,273,552
: Interim dividend	350,815,294	350,815,294
: Final dividend	701,630,588	613,926,765
Earnings per share – basic and diluted	1,052,445,882 7.60	964,742,059 6.99

OLP delivered resilient earnings growth in FY2026 despite pressure on margins in a declining interest-rate environment. Profit before taxation increased by 7.39% to Rs. 2.16 billion from Rs. 2.01 billion in FY2025, while profit after taxation grew by 8.83% to Rs. 1.33 billion from Rs. 1.22 billion. This performance was driven by portfolio expansion, stronger core operating results and lower average funding costs, which more than offset the impact of reduced yields on the equity-funded portion of the portfolio and lower investment income. The results reflect the Company's effective balance-sheet management and ability to sustain profitability amid evolving market conditions.

Dividend

The Board of Directors is pleased to recommend a final cash dividend of 40% for the year ended June 30, 2026. This is in addition to interim cash dividend of 20% paid during the year which brings the total dividend for the year to 60% (2025: total cash dividend of 55%).

Revenue

The Company reported annual revenue of Rs. 6,614.19 million, which was 5.02% lower than Rs. 6,963.69 million earned in the previous year. The decrease primarily reflected the rapid transmission of lower benchmark rates into asset yields; however, portfolio growth and expansion of the earning-asset base partially mitigated the impact. Income from the lease and loan portfolio decreased by 4.32% to Rs. 5,637.92 million from Rs. 5,892.41 million in FY2025. Successive downward KIBOR repricing compressed portfolio yields, while 13.52% growth in the lease and loan portfolio provided a meaningful volume offset.

Other income decreased by 7.63% to Rs. 847.05 million compared to Rs. 917.02 million in the previous year. The decline was primarily attributable to lower income from financial assets, which decreased to Rs. 254.19 million from Rs. 478.62 million last year mainly due to a reduction in interest income earned on Government securities to Rs. 215.23 million from Rs. 428.96 million last year amid the lower benchmark interest rate environment and reduction in average volume of Government securities. This impact was partially offset by an increase in income from other than financial assets to Rs. 592.86 million from Rs. 438.40 million. Included in other financial assets are fees and other income which increased to Rs. 409.90 million from Rs. 235.31 million, primarily due to the write-back of long-outstanding liabilities amounting to Rs. 148.22 million, while documentation fee income increased to Rs. 57.74 million from Rs. 40.18 million.

Cost Management and Operating Efficiency

Total expenses, excluding provisions for potential lease, loans and other losses, declined by 9.06% to Rs. 4,426.71 million from Rs. 4,867.57 million in FY2025. The reduction was primarily attributable to lower finance cost during the year.

- Despite an increase in total borrowings to Rs. 24,791 million from Rs. 21,462 million in the previous year, finance cost decreased by 14.66% to Rs. 2,695.34 million compared to Rs. 3,158.17 million in the previous year. The reduction was primarily attributable to lower average benchmark rates prevailing during the year, which resulted in reduced funding costs.
- Administrative and general expenses increased marginally by 1.10% to Rs. 1,693.59 million in FY2026 from Rs. 1,675.22 million in FY2025. Higher depreciation, vehicle running and maintenance, office repairs and maintenance and auditors' remuneration represent necessary expenditure to maintain operating infrastructure and business support. These increases were substantially offset by lower staff costs, rent and utilities, legal and professional charges and subscriptions underscoring continued cost discipline.
- Direct cost increased by 10.56% to Rs. 37.78 million compared with Rs. 34.17 million in FY2025. The increase is primarily attributable to higher maintenance and insurance costs associated with the lease and loan financing portfolio, which rose to Rs. 23.56 million from Rs. 18.47 million. This increase was partially offset by a reduction in other ancillary documentation services such as court fees, stamp duty and others by Rs. 1 million.

Reversal of expected credit loss / provision for lease, loans and finances

The non-performing portfolio, comprising exposures over 90 days past due, reduced to Rs. 639.09 million as of June 30, 2026 from Rs. 655.18 million in FY2025, reflecting continued asset-quality optimization. The Company recorded a reversal of provision charge of Rs. 14.97 million compared to a reversal of Rs. 142.64 million in FY2025.

Provisions for potential lease and loan losses are maintained under the IFRS 9 Expected Credit Loss (ECL) framework and supplemented, where appropriate, by subjective provisions applied as management overlays. Accumulated provisions stood at Rs. 604 million and provided 94.55% coverage against all accounts over 90 days past due (FY2025: 100%), reinforcing the Company's prudent credit-risk posture.

Taxation

Tax expense of Rs. 827.48 million was recorded for the year, compared to Rs. 786.91 million in the preceding year; a variance of 5.16%. The charge includes super tax of 10%.

Funding and Liquidity

The Company maintains a diversified funding mix comprising bank loans, Certificates of Deposit (COD) and Privately Placed Term Finance Certificates (PPTFC). Relationships with eleven financial institutions provide access to secured long-term facilities and competitive overdraft lines, while unsecured COD funding from individual and institutional investors broadens the liability base and supports liquidity resilience.

The composition and evolution of OLP's borrowing mix is presented below:

As of June 30, 2026, the Company's debt-to-equity ratio stood at 2.16 (June 30, 2025: 1.97), reflecting higher balance-sheet leverage deployed in support of portfolio growth. The Capital Adequacy Ratio remained robust at 26.01% (June 30, 2025: 27.40%); substantially above the regulatory requirement of 10% and providing a strong capital buffer for growth and risk absorption.

Risk Management

OLP has established a risk management framework for the identification, assessment, monitoring and management of risks arising from its business activities. The framework facilitates proactive identification and management of potential risks through:

- Oversight by the Board and its committees;
- Multi-tier supervision by senior management, departmental heads and management committees;
- Board-approved policies and procedures;
- Internal control mechanisms; and
- IT systems and related controls.

The risk management framework and related policies and practices are reviewed periodically to take account of changes in business dynamics, regulatory requirements and the Company's strategic priorities.

The Board Audit & Risk Committee (BA&RC), comprising four directors and chaired by an Independent Director, provides Board-level oversight of the Company's risk management framework and reviews key risk matters reported to it. Management and relevant management committees are responsible for implementing Board-approved policies and managing risks within their respective areas, while day-to-day risk management responsibilities are assigned across the relevant business and support functions.

OLP has implemented an Enterprise Risk Management (ERM) framework across its functions to provide a structured and consistent approach towards the identification, assessment, monitoring and reporting of key risks. The framework facilitates periodic reporting of key risks and related mitigation measures to management and the BA&RC, supporting oversight of the Company's overall risk profile and emerging risk areas.

OLP continues to strengthen its risk management practices through ongoing monitoring, periodic risk assessments and review of controls in response to changes in the operating and regulatory environment. The following sections outline the risk management measures adopted by the Company to address its principal risk areas.

Credit Risk

OLP maintains Board-approved Credit Risk Policies that establish a comprehensive framework for extending credit across various economic segments and product lines. These policies provide clear parameters for credit assessment, exposure limits, monitoring and risk mitigation, enabling the Company to manage credit risk effectively while responding to evolving market conditions.

The Credit Risk Management Department (CRMD) is responsible for overseeing adherence to the approved credit risk framework and reporting to the Management Credit Committee and the Board Credit Committee. The Company places strong emphasis on portfolio monitoring, early identification of emerging risks and continuous enhancement of credit risk management tools and practices to support sustainable business growth.

OLP employs a range of analytical tools and credit assessment techniques to evaluate the creditworthiness of corporate customers at origination and subsequent reporting dates, with a focus on identifying any signs of credit deterioration at an early stage. CRMD closely monitors higher-risk sectors and exposures, escalates emerging concerns to senior management and works closely with the Marketing Department to implement appropriate measures for managing portfolio risks.

The effectiveness of OLP's credit risk management framework is reflected in the quality and diversification of its financing portfolio, supported by a consistently low level of non-performing loans. The Company remains committed to maintaining prudent underwriting standards, strengthening portfolio oversight and proactively managing emerging credit risks.

Liquidity Risk & Market Risk

The Board-approved Asset Liability Management Policy defines the Company's risk appetite for liquidity and market risk, with oversight exercised through the Asset Liability Management Committee (ALCO). ALCO reviews market conditions, profitability, liquidity, funding requirements, ALM ratios and projected liquidity requirements each month. Liquidity risk is managed through a diversified funding mix, committed credit lines and disciplined matching of lending and borrowing profiles.

The liquidity contingency plan provides alternative funding strategies and maintains liquidity reserves in Government securities, in addition to liquid securities held for statutory compliance. ALCO manages interest-rate exposure through pricing strategy, market-rate monitoring and active alignment of asset and liability repricing profiles.

Interest-rate risk is contained by matching the repricing characteristics of a substantial portion of the lease / loan portfolio with the Company's financial obligations within approved limits. Where necessary, management may reposition assets and liabilities or execute interest-rate swaps. Asset pricing incorporates an adequate margin buffer to absorb rapid benchmark-rate movements.

Operational Risk

OLP has established policies and procedures for the systematic management of operational risks, which are reviewed periodically to remain relevant to changes in the operating and regulatory environment. Operational risks are managed through defined internal controls, segregation of responsibilities, ongoing monitoring and escalation of significant matters for appropriate corrective action. The Internal Audit, Risk Management and Compliance functions provide independent assurance, risk oversight and compliance monitoring respectively in accordance with their defined mandates. The Compliance Function also monitors adherence to applicable regulatory requirements and related controls on an ongoing basis.

Particular focus is maintained on areas such as system disruptions, breaches of internal controls, fraud and forgery, information security and regulatory compliance. OLP continues to strengthen its control environment through enhancement of IT security, clearly defined responsibilities, process improvements, automation and employee development. Orientation and training are provided to new and existing employees on relevant policies and regulatory requirements, including the Company's Code of Conduct, Anti-Money Laundering, Anti-Fraud and Whistleblowing Policies to promote awareness of internal controls, regulatory responsibilities and ethical standards.

Sustainability in Action

Environmental, Social and Governance (ESG) considerations remain an important part of OLP's approach towards responsible business practices and long-term sustainability. During the year, the Company continued to review and strengthen its ESG framework in line with evolving regulatory requirements and with due consideration to the nature, scale and complexity of its business.

The Company continued to focus on developing a practical and proportionate approach towards the identification and management of sustainability-related risks and opportunities. OLP also continued to assess developments in the sustainability landscape, including the Pakistan Green Taxonomy, with a view to progressively explore sustainable and green financing opportunities that are relevant to its business model, subject to commercial viability and the Company's risk appetite. This direction is consistent with the principles reflected in the Company's developing ESG framework.

The Board Audit & Risk Committee (BA&RC) provides oversight of sustainability-related matters under its Terms of Reference. The Company remains committed to progressively strengthening its ESG practices and disclosures in line with applicable regulatory requirements and emerging sustainability practices.

As part of its environmental initiatives, the Company continues to meet a sizeable portion of the energy requirements at its Head Office through renewable energy sources. OLP will continue to explore opportunities for promoting environmentally responsible practices within its operations and financing activities.

Corporate Social Responsibility

Alongside its sustainability initiatives, OLP's Corporate Social Responsibility (CSR) activities reflect its commitment to supporting the communities it serves. The Company continued to extend financial assistance to institutions working in the areas of healthcare, education and community welfare, particularly for underserved segments of society.

During the year, OLP continued its support for healthcare institutions, including The Layton Rahmatullah Benevolent Trust (LRBT), Indus Hospital & Health Network, Shaukat Khanum Memorial Trust and The Kidney Centre PGTI. Contributions were also made to the Muhammadi Blood Bank and Thalassemia Centre in support of specialized healthcare services.

In the field of education, OLP supported institutions providing educational opportunities to underserved communities, including The Citizens Foundation, Family Educational Services Foundation and Behbud Association Karachi. The Company also contributed to the IBP School of Special Education, supporting the education and development of children with special needs.

OLP also extended assistance to organizations engaged in community welfare and humanitarian relief. During the year, the Company supported flood-relief activities undertaken by Al-Khidmat Welfare Society in affected areas of Khyber Pakhtunkhwa, providing assistance to communities impacted by the floods.

Nurturing Talent, Culture and Purpose

People remain OLP's greatest strength. The Company is committed to leadership development and employee growth as central pillars of its Human Capital Development strategy. A structured succession planning process identifies and nurtures future leaders, while learning programs, spanning policy awareness, soft skills, and targeted upskilling, equip employees to meet evolving business challenges.

OLP supports career development through merit-based performance management, internal mobility and opportunities for career progression, enabling employees to build meaningful and sustainable career paths within the organization.

The Company fosters a motivating workplace culture through recognition initiatives such as annual awards, performance-based bonuses and commemorative mementos. These efforts reinforce OLP's belief that recognizing employee contributions is essential to sustaining engagement, motivation and high performance.

By nurturing fairness, continuous learning, career growth, recognition and collaboration, OLP strives to create a supportive and inclusive workplace where employees are empowered to perform, develop their capabilities and contribute to the Company's long-term success. OLP firmly believes that investing in its human capital is essential to driving both the short-term performance and long-term growth of its people and the Company.

Diversity, Inclusion and Equality

Diversity and inclusion remain a cornerstone of OLP's strategic vision. OLP has a comprehensive DEI policy grounded in industry benchmarks and global best practices. This framework drives measurable outcomes and fosters an equitable workplace.

For the year ended June 30, 2026, the Company reported a Mean Gender Pay Gap of 31.2% and a Median Gender Pay Gap of 22.5%. We acknowledge the need for continued progress and remain committed to reducing these gaps by enabling equal opportunities for growth and leadership.

As part of embedding DEI principles into its culture, OLP offered internship opportunities to a record number of female candidates entering the financial industry. OLP also promotes equal opportunity through merit-based recruitment, career advancement and equitable access to learning and development opportunities, while encouraging diversity across leadership and management positions. These initiatives further reinforce OLP's commitment to building an equitable and representative workplace. The Company also maintains a Protection against Harassment Policy in line with prevailing laws and regulations, strengthening safeguards against discrimination and harassment.

Corporate Governance, Internal Control and Compliance

A strong corporate governance structure plays an important role in the success of a company, especially in volatile business conditions. OLP's governance framework, which includes well-established policies, clearly defined roles and strong internal controls, is instrumental in the success of the Company. This framework places a strong emphasis on transparency, accountability, and adherence to regulations.

The Board of Directors heads OLP's governance structure. The Board comprised 2 independent directors, 5 non-executive directors and 1 executive director (chief executive as deemed director). To discharge their duties more effectively, the Board has constituted the following sub-committees:

- i. Board Human Resource, Nomination and Remuneration Committee (BHRN&RC)
- ii. Board Audit & Risk Committee (BA&RC)
- iii. Board Credit Committee (BCC)
- iv. Board Compensation Committee

Apart from the Board Committees, the Company has management committees with clear responsibilities and Terms of Reference (TORs). These committees include the Management Committee, Credit Committee, Asset Liability Management Committee, and IT Steering Committee. Each of these committees adds value to the governance process by involving senior staff members who contribute their extensive expertise in devising strategies, formulating business plans, and overseeing operations.

The Internal Audit and Compliance departments maintain a direct reporting line to the Board via the Audit & Risk Committee (BA&RC). At the beginning of each year, the internal audit department formulates an audit plan based on risk assessment, which is reviewed by the BA&RC. During the year, the BA&RC assesses the progress of internal audits and offers insights to management for refining controls in line with the audit suggestions.

The internal audit department's role extends beyond merely evaluating adherence to policies, procedures, and regulatory mandates; it also includes advisory support for improving policies to align with industry benchmarks and best practices.

The Company places significant emphasis on adhering to all regulatory requirements to foster a culture of compliance across all organizational levels. OLP is fully aligned with the country's regulatory framework and also strives to align with best industry practices. The Company's compliance function is responsible for ensuring conformity with prevailing regulations pertaining to the Company's operations. Given the heightened regulatory focus, particularly concerning anti-money laundering and counter-terrorist financing, the Company has also increased its oversight measures.

In addition to its lending activities, OLP manages a considerable portfolio of Certificate of Deposit. A robust compliance framework is imperative for the success of this product. The Company has taken numerous measures to guarantee full compliance with regulatory mandates, including sanctions screening as per UN/NACTA requirements, rigorous Customer Due Diligence (CDD) and Know Your Customer (KYC) procedures. Regular AML/CFT compliance audits of business functions are conducted by the compliance department to verify adherence to all relevant regulations.

Moreover, the compliance department conducts training sessions on Anti-Money Laundering (AML) and Countering Financing of Terrorism (CFT) regulations. These sessions aim to educate staff about AML/CFT protocols and ensure alignment with the corresponding regulatory mandates.

Board of Directors and Board Committees

The composition of the Board of Directors and its sub-committees is given in the Statement of Compliance at page no. 51.

Evaluation of the Performance of the Board

OLP follows a structured procedure for assessing the performance of its Board of Directors and committees, as stipulated by the Listed Companies (Code of Corporate Governance) Regulations, 2019. This evaluation is conducted annually; in-house for two years and by an independent external consultant in the third year.

During the year, the evaluation exercise for the year ended June 30, 2025 was conducted in-house. Within this evaluation process, assessment questionnaires were disseminated to Board members, who submitted their responses directly to the Company Secretary while maintaining confidentiality of the process. The compilation of these responses was overseen by the Company Secretary and was then presented to the Board Human Resource Nomination and Remuneration Committee for review. The final report was subsequently shared during a Board Meeting and areas for improvement were highlighted.

Board's Remuneration Policy

The Company has a well-defined Board of Directors Remuneration Policy in place, which outlines the framework for determining compensation for directors participating in Board and sub-committee meetings. In accordance with the policy, independent and non-executive directors, subject to Board approval, are entitled to receive remuneration for their attendance at these meetings. Additionally, directors are eligible for reimbursement of expenses incurred in connection with their participation, ensuring transparency and fairness in the compensation process.

Disclosure with regard to remuneration of each director and chief executive officer is given in note 38 of unconsolidated financial statements.

Compliance with Pakistan Stock Exchange Limited (PSX) Regulations

In compliance with rule 5.6.1 and 5.6.4 of the PSX Regulations in respect of dissemination of price-sensitive information relating to the business and mandatory disclosure to PSX on buying and selling of shares by Directors, CEO, substantial shareholders and executives, the Board has set the following threshold for the term “Executive”:

- Chief Executive Officer
- Deputy Chief Executive Officer
- Chief Operating Officer
- Group General Manager
- Chief Financial Officer
- Company Secretary
- Head of Internal Audit
- Departmental Heads

Directors' Declaration

1. The financial statements of the Company fairly represent its financial state of affairs, the results of its operations, cash flows and changes in equity.
2. Proper books of accounts of the Company have been maintained.
3. Appropriate accounting policies have been consistently applied in the preparation of financial statements, and accounting estimates are based on reasonable and prudent judgment.
4. International Financial Reporting Standards as applicable in Pakistan have been followed in the preparation of financial statements, and any departure has been adequately disclosed and explained.
5. The system of internal control is sound in design and has been effectively implemented and monitored.
6. There is no reason to doubt the Company's ability to continue as a going concern.
7. Details of significant deviations in the Company's operating results during the year ended June 30, 2026, are stated within the Directors' Report.
8. Key operating and financial data for the last six years in a summarized form is given at page no. 61.
9. There are no statutory payments on account of taxes, duties, levies and charges outstanding as on June 30, 2026, except for those disclosed in the financial statements.
10. The value of investments of the recognized provident fund as at June 30, 2026, was Rs 965 million (unaudited), and as at June 30, 2025, was Rs 942 million (audited).
11. The value of investments of the Company's recognized gratuity fund as at June 30, 2026, was Rs 393.45 million (unaudited), and as at June 30, 2025, was Rs 377.53 million (audited).

12. Five (05) out of eight (08) directors of the Company, including the Chief Executive Officer as a deemed director, have either acquired certification under the Directors' Training Program (DTP) or have exemption from the DTP requirement. Two directors, Ms. Yoko Miura and Ms. Kotoko Sato, who were appointed during the year, are within the period prescribed under the Listed Companies (Code of Corporate Governance) Regulations, 2019 for acquiring DTP certification.

In respect of one independent director, Mr. Anwar Mansoor Khan, the Company has adopted the "comply or explain" approach under the Listed Companies (Code of Corporate Governance) Regulations, 2019. Mr. Khan is a Senior Advocate of the Supreme Court of Pakistan and has served as Attorney General for Pakistan, Advocate General for the Province of Sindh and Judge of the High Court of Sindh. Considering his extensive legal, corporate and governance experience spanning over four decades, the Company considers his knowledge and experience to effectively meet the objectives of the Directors' Training Program.

13. During the year, 06 meetings of the Board of Directors, 06 meetings of the Board Audit & Risk Committee, 01 meeting each of the Board Human Resource Nomination and Remuneration Committee and Board Credit Committee were held.

Composition of the Board

The Board comprises 08 directors including six (6) male and two (2) female directors. One (1) of the female directors serves as the designated Female Director as required by Regulation 7 of the Listed Companies (Code of Corporate Governance) Regulations, 2019. The composition of the Board is as follows:

Independent Directors	Mr. Rashid Ahmed Jafer Mr. Anwar Mansoor Khan
Non-Executive Directors	Mr. Khalid Aziz Mirza Mr. Yoshiaki Matsuoka Mr. Ramon Alfrey
Female Directors	Ms. Yoko Miura Ms. Kotoko Sato
Executive Director*	Mr. Shaheen Amin

**Serving as deemed director under section 188 of the Companies Act, 2017*

Board Changes

During the year, the following changes were made in the Board:

- 1) Ms. Yoko Miura was appointed as a non-executive director on October 7, 2025, in place of Ms. Keiko Watanabe, and was designated as the Female Director of the Company. Her approval from SECP was received on January 26, 2026.
- 2) Ms. Kotoko Sato was appointed as a non-executive director on March 16, 2026 in place of Mr. Kazuhito Inoue. Her approval from SECP was received on June 10, 2026.
- 3) Ms. Keiko Watanabe resigned as Director with effect from September 25, 2025.
- 4) Mr. Kazuhito Inoue resigned as Director with effect from March 05, 2026.

The Board of Directors places on record its appreciation for services rendered by Ms. Keiko Watanabe and Mr. Kazuhito Inoue. Further, the Board welcomes Ms. Yoko Miura and Ms. Kotoko Sato as directors on the Board of OLP.

Credit Rating

On September 11, 2026, VIS Credit Rating Company Limited (VIS) re-assigned the Company a long-term entity rating of 'AAA' (Triple A) and a short-term entity rating of 'A1 +' (A One Plus), with a Stable Outlook. The ratings reflect the Company's strong financial profile, sound governance framework and exceptional capacity to meet financial commitments, reinforcing its position among Pakistan's leading non-banking financial institutions.

Major Shareholder

ORIX Corporation, Japan holds 49.58% of the Company's shareholding.

Pattern of Shareholding

The pattern of shareholding as at June 30, 2026 is given at page no. 263.

Auditors

M/s. KPMG Taseer Hadi & Co., Chartered Accountants, were appointed as external auditors of the Company for the year ended June 30, 2026, their second consecutive year in that capacity. They retire at the conclusion of the forthcoming Annual General Meeting.

KPMG International has confirmed that it will exit its practice in Pakistan at the end of October 2026, after which the firm will no longer be a member of an international accounting network. The Company's principal shareholder, ORIX Corporation, Japan, requires its group companies to be audited by a member firm of one of the Big Four international accounting networks. In addition, the Board of Directors considers it essential that the external auditors of the Company, as a listed financial institution, have a recognized international affiliation.

Accordingly, on the recommendation of the Board Audit Committee, the Board of Directors recommends that the shareholders, at the Annual General Meeting to be held on October 22, 2026, appoint M/s. A.F. Ferguson & Co., Chartered Accountants, a member firm of the PwC network, as external auditors of the Company for the year ending June 30, 2027, at a remuneration to be agreed.

Future Outlook

Pakistan's economy is expected to maintain its recovery momentum in FY2027, supported by improved macroeconomic fundamentals, continued expansion in manufacturing activity, fiscal consolidation and a relatively stable financial environment. Manufacturing activity is expected to remain positive, supported by energy availability, improving domestic demand and continued export-oriented production.

Notwithstanding these positive developments, the operating environment remains exposed to domestic and external uncertainties. Inflationary pressures, particularly those arising from movements in global energy and commodity prices, together with geopolitical developments in the Middle East, may influence the pace of economic activity and financing conditions. Climate-related risks and increasing competition within the financial sector also remain important considerations for the business environment.

Against this backdrop, OLP will continue to pursue growth with a prudent approach to risk, while capitalizing on opportunities arising from improving economic activity and evolving customer needs. The Company will remain focused on supporting the financing needs of SMEs, broadening access to financial solutions, deepening its engagement with underserved sectors and leveraging innovative offerings to strengthen resilience and create sustainable long-term value for its stakeholders.

Acknowledgement

The Board places on record its appreciation of the guidance and support provided by the regulatory authorities. We would also like to thank our bankers, business associates, and all stakeholders for their assistance and collaboration in the Company's achievements. We also extend our appreciation to our customers and depositors for their ongoing faith and trust, and to our employees whose commitment and dedication continue to drive the success of the Company.

On behalf of the Board

SHAHEEN AMIN
Chief Executive Officer
September 17, 2026

Ramon Alfrey
Director

کرڈٹ ریٹنگ:

پاکستان کرڈٹ ریٹنگ ایجنسی (VIS) نے 11 ستمبر 2026 کو کمپنی کی طویل مدتی 'AAA' (ٹرل A) اور A1+ (A ون پلس) قلیل مدتی درجہ بندی برقرار رکھی ہے۔ یہ درجہ بندی کمپنی کی مضبوط مالیاتی پوزیشن، مستحکم گورننس فریم ورک اور مالی ذمہ داریوں کی تکمیل کی غیر معمولی صلاحیت کی عکاسی کرتی ہیں، جس سے پاکستان کے نمایاں نان بینکنگ مالیاتی اداروں میں کمپنی کی پوزیشن مزید مستحکم ہوتی ہے۔

بڑے حصص یافتگان:

ORIX کارپوریشن جاپان کی ملکیت میں کمپنی کے 49.58 فیصد کی حصص داری ہے۔

حصص داری کی ساخت:

30 جون 2026 تک حصص داری کی ساخت صفحہ نمبر 263 پر دی گئی ہے۔

آڈیٹرز:

30 جون 2026 کو ختم ہونے والے سال کے لیے میسرز کے پی ایم جی تاثیر ہادی اینڈ کمپنی، چارٹرڈ اکاؤنٹنٹس کا بطور کمپنی کے بیرونی آڈیٹرز کے طور پر تقرر کیا گیا تھا، اور اس حیثیت میں ان کا یہ مسلسل دوسرا سال تھا۔ وہ آئندہ سالانہ اجلاس عام کے اختتام پر اپنی مدت پوری ہونے پر ریٹائر ہو جائیں گے۔

کے پی ایم جی انٹرنیشنل نے تصدیق کی ہے کہ وہ اکتوبر 2026 کے اختتام پر پاکستان میں اپنی پریکٹس ختم کر دے گا، جس کے بعد یہ فرم کسی بین الاقوامی اکاؤنٹنگ نیٹ ورک کی رکن نہیں رہے گی۔ کمپنی کے مرکزی حصص یافتہ، ORIX کارپوریشن، جاپان، کی پالیسی کے مطابق اس کے گروپ کی کمپنیوں کا آڈٹ بگ فور کے بین الاقوامی اکاؤنٹنگ نیٹ ورکس میں سے کسی ایک کی رکن فرم سے کرایا جانا ضروری ہے۔ مزید برآں، بورڈ آف ڈائریکٹرز یہ سمجھتے ہیں کہ کمپنی جیسے ایک درج مالیاتی ادارے کے بیرونی آڈیٹرز کا کسی تسلیم شدہ بین الاقوامی اکاؤنٹنگ نیٹ ورک سے وابستہ ہونا ضروری ہے۔

چنانچہ، بورڈ کی آڈٹ کمیٹی کی سفارش پر، بورڈ آف ڈائریکٹرز نے 22 اکتوبر 2026 کو منعقد ہونے والے سالانہ جنرل اجلاس میں حصص یافتگان میسرز اے ایف فرگن اینڈ کمپنی چارٹرڈ اکاؤنٹنٹس، جو PWC نیٹ ورک کی رکن فرم ہے، کو 30 جون 2027 کو ختم ہونے والے سال کے لیے کمپنی کے بیرونی آڈیٹرز کے طور پر تقرر کی سفارش کی ہے جبکہ ان کا معاوضہ باہمی رضامندی سے طے کیا جائے گا۔

مستقبل کا جائزہ:

توقع ہے کہ مالی سال 2027 میں پاکستان کی معیشت اپنی بحالی کی رفتار برقرار رکھے گی، جسے بہتر مجموعی معاشی بنیادوں، مینوفیکچرنگ کی سرگرمیوں میں مسلسل توسیع، مالیاتی استحکام کی پالیسیوں اور نسبتاً مستحکم مالیاتی ماحول سے معاونت حاصل ہوگی۔ توانائی کی دستیابی، مقامی طلب میں بہتری اور برآمدات پر مبنی پیداوار کے تسلسل کے باعث مینوفیکچرنگ کی سرگرمیوں میں بھی مثبت رجحان برقرار رہنے کی توقع ہے۔

ان مثبت پیش رفتوں کے باوجود، کاروباری ماحول بدستور ملکی اور بیرونی غیر یقینی صورتحال سے متاثر ہونے کا امکان رکھتا ہے۔ افراط زر کے دباؤ، بالخصوص عالمی توانائی اور اجناس کی قیمتوں میں اتار چڑھاؤ سے پیدا ہونے والے اثرات، نیز مشرق وسطیٰ میں جغرافیائی سیاسی پیش رفت، معاشی سرگرمیوں کی رفتار اور فنانسنگ کے حالات کو متاثر کر سکتی ہے۔ موسمیاتی تبدیلی سے متعلق خطرات اور مالیاتی شعبے میں بڑھتی ہوئی مسابقت بھی کاروباری ماحول کے لیے اہم عوامل ہیں۔

اس پس منظر میں، OLP رسک کے حوالے سے محتاط حکمت عملی اختیار کرتے ہوئے کاروباری نمو کا سلسلہ جاری رکھے گا، جبکہ بہتر ہوتی ہوئی معاشی سرگرمیوں اور صارفین کی بدلتی ہوئی ضروریات سے پیدا ہونے والے مواقع سے بھی فائدہ اٹھائے گا۔ کمپنی چھوٹے اور درمیانے درجے کے کاروباری اداروں (SMEs) کی مالی ضروریات پوری کرنے، مالیاتی حل تک رسائی کو وسیع کرنے، کم سہولیات رکھنے والے شعبوں کے ساتھ اپنے روابط کو مزید مضبوط بنانے اور اختراعی مالیاتی مصنوعات و خدمات سے استفادہ کرتے ہوئے چمک میں اضافے اور اپنے اسٹیک ہولڈرز کے لیے پائیدار طویل مدتی قدر پیدا کرنے پر توجہ مرکوز رکھے گی۔

اعتراف:

بورڈ اس موقع سے فائدہ اٹھاتے ہوئے ریگولیٹری حکام کی مسلسل حمایت اور رہنمائی کیلئے ان کا شکریہ ادا کرتا ہے۔ ہم بینکرز، کاروباری شراکت داروں اور تمام اسٹیک ہولڈرز کو کمپنی کی کامیابی میں ان کی حمایت اور تعاون کیلئے شکر گزار ہیں۔ ہم اپنے قابل قدر صارفین اور ڈپازٹرز کے مسلسل بھروسے اور اعتماد کیلئے ان کا بھی شکریہ ادا کرتے ہیں۔

بورڈ کی جانب سے

رہبر الفری

ڈائریکٹر

شاہین امین

چیف ایگزیکٹو آفیسر

17 ستمبر 2026

بورڈ آف ڈائریکٹرز کے اجلاس
بورڈ کے اجلاس میں حاضری درج ذیل رہی:

ڈائریکٹر کا نام	میٹنگ میں حاضری	ڈائریکٹر کا نام	میٹنگ میں حاضری
جناب خالد عزیز مرزا	6	محترمہ کیکو وائٹاب (نان ریڈیڈنٹ) (1)	2
جناب راشد احمد جعفر	6	محترمہ یو کو میورا (نان ریڈیڈنٹ) (2)	3
جناب انور منصور خان	6	جناب کازوہیو اینوئے (3)	4
جناب پیشیا کا ماتو سکا (نان ریڈیڈنٹ)	4	محترمہ کو تو کوسا تو (نان ریڈیڈنٹ) (4)	2
جناب ریمین الفرے	6	جناب شاہین امین	6

- (۱) 25 ستمبر 2025 کو ڈائریکٹر کے عہدے سے مستعفی ہوئے۔
(۲) 17 اکتوبر 2025 کو ڈائریکٹر مقرر ہوئے۔
(۳) 5 مارچ 2026 کو ڈائریکٹر کے عہدے سے مستعفی ہوئے۔
(۴) 16 مارچ 2026 کو ڈائریکٹر مقرر ہوئے۔

آڈٹ اینڈ رسک کمیٹی کے اجلاس:

بورڈ میں تبدیلیاں:

سال کے دوران، بورڈ میں درج ذیل تبدیلیاں کی گئیں:

- 1۔ محترمہ یو کو میورا کو 17 اکتوبر 2025 کو مس کیکو وائٹاب کی جگہ نان ایگزیکٹو ڈائریکٹر مقرر کیا گیا اور انہیں کمپنی کی نامزد خاتون ڈائریکٹر مقرر کیا گیا۔ ان کی تقرری کی SECP سے منظوری 26 جنوری 2026 کو موصول ہوئی۔
- 2۔ جناب کو تو کوسا تو کو 16 مارچ 2026 کو مسٹر کازوہیو اینوئے کی جگہ نان ایگزیکٹو ڈائریکٹر مقرر کیا گیا۔ ان کی تقرری کی SECP سے منظوری 10 جون 2026 کو موصول ہوئی۔
- 3۔ محترمہ کیکو وائٹاب نے 25 ستمبر 2025 سے ڈائریکٹر کے عہدے سے استعفیٰ دے دیا۔
- 4۔ جناب کازوہیو اینوئے نے 5 مارچ 2026 سے ڈائریکٹر کے عہدے سے استعفیٰ دے دیا۔

بورڈ آف ڈائریکٹرز مس کیکو وائٹاب اور مسٹر کازوہیو اینوئے کی جانب سے انجام دی جانے والی خدمات کو قدر کی نگاہ سے دیکھتا ہے۔ مزید برآں، بورڈ آف ڈائریکٹرز نے مس یو کو میورا اور مس کو تو کوسا تو کو OLP کے بورڈ میں ڈائریکٹر کی حیثیت سے خوش آمدید کہتا ہے۔

ڈائریکٹرز کا اعلامیہ:

- ۱۔ کمپنی کی انتظامیہ کے تیار کردہ مالی گوشوارے کمپنی کے معاملات، اس کے کاروباری نتائج، نقدی کے بہاؤ اور ایکویٹی میں تبدیلیوں کی شفافیت کے ساتھ پیش کرتے ہیں۔
- ۲۔ کمپنی کی حسابات کی کتابیں مناسب انداز میں رکھی گئی ہیں۔
- ۳۔ درست حساباتی پالیسیوں کو تسلسل کے ساتھ مالیاتی گوشواروں کی تیاری کے دوران ملحوظ خاطر رکھا گیا ہے اور حساباتی تخمینوں کی بنیاد معقول اور دانشمندانہ فیصلوں پر ہے۔
- ۴۔ مالیاتی گوشوارے کی تیاری کے دوران عالمی مالیاتی رپورٹنگ معیارات، جو پاکستان میں لاگو ہیں کو ملحوظ خاطر رکھا گیا ہے اور کسی بھی انحراف کو مناسب انداز میں انکشافات اور وضاحت کی گئی ہے۔
- ۵۔ اندونی نگرانی کے نظام کی شکل مضبوط ہے اور مؤثر انداز میں نافذ العمل ہے اور اس کی نگرانی کی جاتی ہے۔
- ۶۔ کمپنی کی چلتے ہوئے ادارے کی صلاحیت میں کوئی شک و شبہ نہیں ہے۔
- ۷۔ اختتام سال 30 جون 2026 کے دوران کمپنی کے نتائج کے قابل ذکر انحراف کی تفصیل ڈائریکٹرز رپورٹ میں ہے۔
- ۸۔ گزشتہ چھ سالوں کے اہم کاروباری اور مالیاتی اعداد و شمار اس سالانہ رپورٹ کے صفحہ نمبر 61 پر دیا گیا ہے۔
- ۹۔ ٹیکسوں، ڈیویڈنڈ، محصولات اور اخراجات کی مد میں کوئی آئینی ادائیگی 30 جون 2026 کو واجب الادا نہیں تھی سوائے جن کا مالیاتی گوشواروں میں انکشاف کیا گیا ہے۔
- ۱۰۔ تسلیم شدہ پروڈنٹ فنڈ سے کی گئی سرمایہ کاری کی مالیت 30 جون 2026 کو 965 ملین روپے رہی (غیر آڈٹ شدہ) اور 30 جون 2025 کو 942 ملین روپے تھی (آڈٹ شدہ)۔
- ۱۱۔ تسلیم شدہ گریجویٹ فنڈ سے کی گئی سرمایہ کاری کی مالیت 30 جون 2026 کو 393.45 ملین روپے رہی (غیر آڈٹ شدہ) اور 30 جون 2025 کو 377.53 ملین روپے (آڈٹ شدہ) تھی۔
- ۱۲۔ کمپنی کے آٹھ (8) ڈائریکٹرز میں سے چھ (05) کو ڈائریکٹر بشمول چیف ایگزیکٹو آفیسر بطور ڈائریکٹر، ڈائریکٹر پروگرام کے تحت سرٹیفیکیشن/چھوٹ حاصل ہے اور بقیہ ایک (1) ڈائریکٹر، جن کا حال ہی میں تقرر کیا گیا ہے، وہ ڈائریکٹر ڈائریکٹنگ پروگرام مقررہ وقت کے اندر مکمل کریں گے جیسا کہ لسٹڈ کمپنیز (کوڈ آف کارپوریٹ گورننس) ریگولیشنز، 2019 کے تحت فراہم کیا گیا ہے۔
- ایک آزاد ڈائریکٹر، جناب انور منصور خان، کے حوالے سے کمپنی نے لسٹڈ کمپنیز (کارپوریٹ گورننس کا ضابطہ) ریگولیشنز، 2019 کے تحت ”عمل کریں یا وضاحت دیں“ کے طریقہ کار کو اختیار کیا ہے۔ جناب خان سپریم کورٹ آف پاکستان کے ممتاز سینئر قانون دان ہیں اور انارنی جزل فار پاکستان، صوبہ سندھ کے ایڈووکیٹ جزل اور سندھ ہائی کورٹ کے جج کے طور پر خدمات انجام دے چکے ہیں۔ چار دہائیوں سے زائد عرصہ پر محیط ان کے وسیع قانونی، کارپوریٹ اور گورننس سے متعلق تجربے کو مد نظر رکھتے ہوئے، کمپنی سمجھتی ہے کہ ان کا علم اور تجربہ ڈائریکٹر ڈائریکٹنگ پروگرام کے مقاصد کو مؤثر طور پر پورا کرنے کے لیے کافی ہے۔
- ۱۳۔ سال کے دوران بورڈ آف ڈائریکٹرز کے ساتھ اجلاس، بورڈ آڈٹ اینڈ رسک کمیٹی کے ساتھ اجلاس، بورڈ ہیومن ریسورس نوٹیفیکیشن اینڈ ریمونڈیشن کمیٹی کے دو اجلاس اور بورڈ کریڈٹ کمیٹی کا ایک اجلاس منعقد ہوا۔

بورڈ کی تشکیل:

بورڈ 8 ڈائریکٹرز پر مشتمل ہے، جن میں چھ (6) مرد اور دو (2) خواتین ڈائریکٹرز شامل ہیں۔ خواتین ڈائریکٹرز میں سے ایک (1) کو لسٹڈ کمپنیز (کارپوریٹ گورننس کا ضابطہ) ریگولیشنز، 2019 کے ریگولیشن 7 کے تقاضے کے مطابق نامزد خاتون ڈائریکٹر مقرر کیا گیا ہے۔ بورڈ کی تشکیل درج ذیل ہے:

آزاد ڈائریکٹر	جناب راشد احمد جعفر جناب انور منصور خان
نان ایگزیکٹو ڈائریکٹر	جناب خالد عزیز مرزا جناب یوشیا کی ماتو سوکا جناب ربین الفریے
خاتون ڈائریکٹر	محترمہ یوکیو میورا محترمہ کوٹو کوسا تو
ایگزیکٹو ڈائریکٹر *	جناب شاہین امین

* کمپنیز ایکٹ 2017 کی دفعہ 188 کے تحت بطور ڈائریکٹر خدمات انجام دے رہے ہیں۔

فنانسنگ فراہم کرنے کے کاروبار کے علاوہ، OLP کے پاس ایک قابل قدر سٹریٹجک آف ڈپازٹ کا پورٹ فولیو ہے جس کی وجہ سے ایک مضبوط کمپلائنس فریم ورک کی ضرورت اور بھی اہم ہو جاتی ہے۔ OLP نے تمام ریگولیٹری تقاضوں کی مکمل پاسداری کو یقینی بنانے کے لیے متعدد اقدامات کیے ہیں جن میں UN/NACTA کی پابندیوں کی اسکریننگ اور کسٹمر ڈیوٹی لیجنس پروسیس (KYC)/(CCD) اپنے صارفین کی ضروریات کو جاننا شامل ہیں۔ کمپلائنس ڈپارٹمنٹ باقاعدگی سے کاروباری افعال کا AML/CFT کمپلائنس آڈٹ کرتا ہے تاکہ یہ یقینی بنایا جاسکے کہ کمپنی پراگوتما ریگولیٹری تقاضوں کی تعمیل کی گئی ہے۔

انسداد منی لانڈرنگ ((AML)/(CFT) دہشت گردی کی مالی معاونت کے پہلوؤں پر تربیتی سیشن بھی منعقد کرائے جاتے ہیں تاکہ عمل کو AML/CFT نظام کے بارے میں تعلیم دی جائے اور AML/CFT ضوابط کی ضرورت کی تعمیل کی جائے۔ گائیڈ لائنز اور رسک ایسیسمنٹ کے عمل کو کمپنی کے ہر شعبے میں مضبوط کیا گیا ہے تاکہ یہ یقینی بنایا جاسکے کہ ملازمین پوری طرح سے پالیسیوں کو سمجھیں اور ان کا اطلاق کریں۔

بورڈ آف ڈائریکٹرز اور بورڈ کمیٹیاں:

بورڈ آف ڈائریکٹرز اور اس کی ذیلی کمیٹیوں کی تشکیل صفحہ نمبر 51 پر اسٹیٹمنٹ آف کمپلائنس میں دی گئی ہے۔

بورڈ کی کارکردگی کا جائزہ:

اوایل پی اپنے بورڈ آف ڈائریکٹرز اور اس کی کمیٹیوں کی کارکردگی کا جائزہ لینے کے لئے ایک منظم طریقہ کار پر عمل کرتا ہے، جو سڈ کمیٹیوں (کوڈ آف کارپوریٹ گورننس) ریگولیشنز 2019 کی ضرورت کے تحت، یہ جائزہ سالانہ بنیاد پر دو سال تک کمپنی کے اندر اور تیسرے سال ایک آزاد بیرونی کنسلٹنٹ کے ذریعے لیا جاتا ہے۔

دوران سال، 30 جون 2025 کو اختتام پذیر سال کے لیے کارکردگی کے جائزے کا عمل کمپنی کے اندر ہی مکمل کیا گیا۔ اس جائزہ عمل کے تحت سوالنامے بورڈ کے اراکین کو فراہم کیے گئے، جنہوں نے اپنی آراء براہ راست کمپنی سیکریٹری کو جمع کرائیں، تاکہ عمل کی رازداری برقرار رہے۔ کمپنی سیکریٹری نے ان جوابات کی تدوین کی نگرانی کی اور اس کے بعد یہ رپورٹ بورڈ کی ہیومن ریسورس، نوٹیشن اور ریمونریشن کمیٹی کے سامنے نظر ثانی کے لیے پیش کی گئی۔ حتمی رپورٹ بعد ازاں بورڈ مینٹگ میں شیئر کی گئی، جہاں بہتری کے لیے اہم نکات کو اجاگر کیا گیا۔

بورڈ کے معاوضے پالیسی:

کمپنی کے پاس بورڈ سے منظور شدہ بورڈ آف ڈائریکٹرز کے معاوضے کی پالیسی موجود ہے۔ یہ کمپنی کے ڈائریکٹرز کے بورڈ اور اس کی کمیٹیوں کے اجلاس میں حاضر ہونے کے معاوضے کے تعین کا طریقہ کار فراہم کرتی ہے۔ پالیسی کے مطابق صرف آزادانہ ایگزیکٹو ڈائریکٹرز بورڈ اور اس کی کمیٹیوں کے اجلاس میں حاضری پر معاوضے کے اہل ہیں۔ جبکہ نان ایگزیکٹو ڈائریکٹرز اجلاس میں شرکت پر ہونے والے اخراجات کی ادائیگی کے حقدار ہیں۔

ہر ڈائریکٹر اور چیف ایگزیکٹو آفیسر کے معاوضے کے حوالے سے انکشاف غیر مجموعی مالیاتی گوشوارے کے نوٹ نمبر 38 میں دیا گیا ہے۔

پاکستان اسٹاک ایکسچینج لمیٹڈ (PSX) کے ضوابط کی تعمیل:

PSX ریگولیشنز کے ضوابط 5.6.1 اور 5.6.4 کی پاسداری کرتے ہوئے کاروبار سے متعلق قیمتوں کی حساس معلومات اور ڈائریکٹران، سی ای او، قابل ذکر حصص یافتگان اور اعلیٰ انتظامیہ کی حصص میں خرید و فروخت کے منکشافات PSX کو فراہم کرنے کے لئے بورڈ نے ایگزیکٹو کی اصطلاح کے لئے درج ذیل حد مقرر کی ہے:

- ۱۔ چیف ایگزیکٹو آفیسر
- ۲۔ چیف ایگزیکٹو آفیسر
- ۳۔ گروپ جنرل مینیجر
- ۴۔ چیف فنانشل آفیسر
- ۵۔ کمپنی سیکریٹری
- ۶۔ ہیڈ آف انٹرنل آڈٹ
- ۷۔ ڈپارٹمنٹل ہیڈز

اوایل پی ایک متحرک اور مثبت ورک پلیس کلچر کو فروغ دیتا ہے، جس کے لیے سالانہ ایوارڈز، پرفارمنس پر مبنی بونس اور یادگاری مومنٹوز جیسے اعزازی اقدامات کیے جاتے ہیں۔ یہ کاوشیں اس یقین کو تقویت دیتی ہیں کہ ملازمین کی خدمات کا اعتراف ان کی شمولیت اور اعلیٰ کارکردگی کو برقرار رکھنے کے لیے ناگزیر ہے۔

مزید برآں، مختلف بزنس یونٹس، جغرافیائی خطوں اور فنکشنز کے درمیان تعاون ہماری آپریشنل حکمت عملی کا مرکزی عنصر ہے، جو ٹیم کے اتحاد کو مضبوط کرتا ہے اور نتائج کو کارپوریٹ مقاصد سے ہم آہنگ بناتا ہے۔ منصفانہ رویے، ترقی کے مواقع اور خدمات کے اعتراف کے ذریعے اوایل پی ایک معاون اور شمولیتی ماحول فراہم کرتا ہے، جہاں ملازمین کو ترقی کرنے اور آگے بڑھنے کے لیے باختیار بنایا جاتا ہے۔

تنوع، شمولیت اور مساوات:

اوایل پی کی اسٹرٹیجک وژن میں تنوع اور شمولیت ایک بنیادی حیثیت رکھتے ہیں۔ دوران سال کمپنی نے ایک جامع DEI پالیسی متعارف کرائی، جو انڈسٹری بیچ مارکس اور عالمی بہترین طریقہ کار پر مبنی ہے۔ یہ فریم ورک قابل پیمائش نتائج فراہم کرتا ہے اور ایک منصفانہ ورک پلیس کلچر کو فروغ دیتا ہے۔

30 جون 2026 کو اختتام پذیر سال کے لیے کمپنی نے Mean جینڈر ریپ گپ 31.2% اور Median جینڈر ریپ گپ 22.5% رپورٹ کیا، جو بنیادی طور پر خواتین کی زیادہ تر تعداد کے پیرامیٹرز میں مرکز ہونے کی وجہ سے ہے۔ کمپنی اس فرق کو کم کرنے کی ضرورت کو تسلیم کرتی ہے اور ترقی اور قیادت کے لیے مساوی مواقع فراہم کر کے اس سمت میں پرعزم ہے۔

DEI اصولوں کو اپنی تنظیمی ثقافت کا حصہ بنانے کے لیے اوایل پی نے مالیاتی صنعت میں داخل ہونے والی خواتین امیدواروں کی ریکارڈ تعداد کو انٹرنل شپ کے مواقع فراہم کیے، جس سے مساوات اور نمائندگی پر مبنی ورک پلیس کے قیام کے عزم کو مزید تقویت ملی۔ اس کے علاوہ کمپنی نے تحفظ برائے انسداد ہراسگی پالیسی بھی نافذ کر رکھی ہے جو متعلقہ قوانین و ضوابط کے مطابق ہے، تاکہ امتیاز اور ہراسگی کے خلاف مؤثر حفاظتی اقدامات کو یقینی بنایا جاسکے اور ایک محفوظ و باعزت ورک ماحول قائم رکھا جاسکے۔

کارپوریٹ گورننس، اندرونی کنٹرول اور تعمیل:

ایک مضبوط کارپوریٹ گورننس کا ڈھانچہ کمپنی کی کامیابی میں اہم کردار ادا کرتا ہے، خاص طور پر غیر متزلزل کاروباری حالات۔ OLP کا گورننس فریم ورک، جس میں قائم شدہ پالیسیاں، واضح طور پر بیان کردہ کردار اور مضبوط اندرونی کنٹرول شامل ہیں، کمپنی کی کامیابی میں اہم کردار ادا کرتے ہیں۔ یہ فریم ورک شفافیت، جوابدہی، اور ضوابط کی پابندی پر زور دیتا ہے۔

بورڈ آف ڈائریکٹرز OLP کے گورننس ڈھانچے کی سربراہی کرتا ہے جس میں 2 آزاد ڈائریکٹرز، 3 نامزد ڈائریکٹرز اور 2 نان ایگزیکٹو ڈائریکٹرز شامل ہیں۔ اپنی ذمہ داریوں کو زیادہ مؤثر طریقے سے نبھانے کے لیے بورڈ نے درج ذیل ذیلی کمیٹیاں تشکیل دی ہیں:

۱۔ بورڈ ہیومن ریسورس نامینیشن اینڈ ریمونیشن کمیٹی (BHRN&RC)

۲۔ بورڈ آڈٹ و بورڈ رسک کمیٹی (BA&RC)

۳۔ بورڈ کریڈٹ کمیٹی (BCC)

۴۔ بورڈ کمپنیزیشن کمیٹی

بورڈ کمیٹیوں کے علاوہ، کمپنی کے پاس انتظامی کمیٹیاں ہیں جن میں واضح ذمہ داریاں ہیں اور حوالہ جات کی شرائط (TOR) ہیں۔ ان کمیٹیوں میں مینجمنٹ کمیٹی، کریڈٹ کمیٹی، ایسیٹ لائبریری مینجمنٹ کمیٹی، اور آئی ٹی اسٹریٹجک کمیٹی شامل ہیں۔ عملے کے سینئر ممبران مینجمنٹ کمیٹیوں کا حصہ ہیں جو حکمت عملی بنانے، کاروبار کی منصوبہ بندی اور آپریشنز میں اپنا وسیع تجربہ بروئے کار لاتے ہیں۔

انٹرنل آڈٹ اور کمپلائنس کے محکمے آڈٹ اینڈ رسک کمیٹی (BA&RC) کے ذریعے براہ راست بورڈ کو رپورٹ کرتے ہیں۔ انٹرنل آڈٹ سال کے آغاز میں رسک پر مبنی آڈٹ پلان تیار کرتا ہے جس کا جائزہ لیا جاتا ہے اور آڈٹ اینڈ رسک کمیٹی اسے منظور کرتی ہے۔ آڈٹ اینڈ رسک کمیٹی کے ذریعے سال کے دوران ہونے والے آڈٹ کا باقاعدگی سے جائزہ لیا جاتا ہے اور یہ آڈٹ کی سفارشات کے مطابق کنٹرول کو بڑھانے کے لیے انتظامیہ کو رہنمائی فراہم کرتی ہے۔

انٹرنل آڈٹ کا شعبہ نہ صرف پالیسیوں، طریقہ کار اور ریگولیٹری تقاضوں کی تعمیل پر آزادانہ نظریہ فراہم کرتا ہے، بلکہ یہ انڈسٹری کے بہترین اصولوں کے مطابق پالیسیوں کو بہتر بنانے کا مشورہ بھی دیتا ہے۔ کمپنی تمام ریگولیٹری تقاضوں کی تعمیل پر بھی زیادہ زور دیتی ہے اور اس بات کو یقینی بناتی ہے کہ تعمیل کا کلچر تنظیم کی تمام سطحوں پر محیط ہو۔ OLP ملک میں رائج ریگولیٹری فریم ورک کے ساتھ پوری طرح تعمیل کرتا ہے اور اس کا مقصد صنعت کے بہترین طریقوں کی تعمیل کرنا ہے۔ کمپنی کا کمپلائنس فنکشن کمپنی پر لاگو موجودہ اور نئے ضوابط کی تعمیل کو یقینی بنانے کے لیے ذمہ دار ہے۔ ملک کے ریگولیٹری فریم ورک کے بڑھنے کے ساتھ ایس ای سی پی نے بھی اپنی نگرانی کی سطح خاص طور پر انٹرنی منی لائڈرنگ اور ہشت گردی کی مالی معاونت کے حوالے سے اضافہ کیا ہے۔

اوایل پی خاص طور پر ان شعبوں پر توجہ مرکوز رکھتا ہے جو زیادہ خطرے سے دوچار ہوتے ہیں، جیسے کہ سسٹم کی خرابی، اندرونی کنٹرول کی خلاف ورزیاں، اور دھوکہ دہی یا جعل سازی کے واقعات، ان خطرات کو کم کرنے کے لیے کمپنی مسلسل اپنی آئی ٹی سیورٹی کو بہتر بنا رہی ہے، انفرادی ذمہ داریوں کو واضح طور پر متعین کرتی ہے اور آڈیٹیشن کے ساتھ ساتھ افرادی قوت کی ترقی کے ذریعے آپریشنل کارکردگی اور موثریت میں اضافہ کرتی ہے۔ مزید برآں، کمپنی کے نئے اور موجودہ ملازمین کو باقاعدگی سے ضابطہ اخلاق، اینٹی منی لانڈرنگ، اینٹی فراڈ اور وہسل بلوونگ پالیسیز سے متعلق اورینٹیشن اور تربیت فراہم کی جاتی ہے، تاکہ اخلاقی معیار کو مضبوط بنایا جاسکے اور بدعنوانی یا بے ضابطگیوں سے بچاؤ ممکن ہو سکے۔

پائیداری کے عملی اقدامات:

اوایل پی میں ماحولیاتی، سماجی اور گورننس (ESG) عوامل ہماری کارپوریٹ سوچ کا بنیادی حصہ ہیں۔ دوران سال، کمپنی نے ایک جامع ESG پالیسی تشکیل دی جس کے ذریعے کاروبار کے تمام پہلوؤں میں ذمہ دارانہ طریقہ عمل کو اپنانے کے لیے اسٹراٹجک فریم ورک فراہم کیا گیا۔ یہ پالیسی عالمی معیارات سے ہم آہنگی کو یقینی بناتی ہے اور اسٹیک ہولڈرز کے لیے طویل المدتی قدر پیدا کرنے کے عزم کو مزید مضبوط کرتی ہے، ساتھ ہی ماحولیاتی اور سماجی چیلنجز کو ذمہ داری کے ساتھ حل کرنے پر زور دیتی ہے۔

کمپنی نے پائیداری سے متعلق خطرات اور مواقع کی نشاندہی اور ان کے انتظام کے لیے ایک عملی اور متناسب طریقہ کار وضع کرنے پر اپنی توجہ برقرار رکھی۔ OLP نے پائیداری کے شعبے میں ہونے والی پیش رفت، بشمول پاکستان گرین ٹیکسٹائل کمیونٹی کا جائزہ بھی جاری رکھا، تاکہ اپنے کاروباری ماڈل سے مطابقت رکھنے والے پائیدار اور گرین فنانسنگ کے مواقع کو بہتر ترجیح تلاش کیا جاسکے، بشرطیکہ وہ تجارتی اعتبار سے قابل عمل ہوں اور کمپنی کے رسک ایپیٹائٹ سے ہم آہنگ ہوں۔ یہ سمت کمپنی کے زیر تشکیل ESG فریم ورک میں شامل اصولوں سے ہم آہنگ ہے۔

بورڈ کی آڈٹ اینڈ رسک کمیٹی (BA&RC) اپنے ٹرمز آف ریفرنس کے تحت پائیداری سے متعلق امور کی نگرانی کرتی ہے۔ کمپنی قابل اطلاق ریگولیٹری تقاضوں اور پائیداری سے متعلق ابھرتے ہوئے طریق کار کے مطابق اپنے ESG طریقہ کار اور انکشافات کو بہتر ترجیح مزید مضبوط بنانے کے لیے پُر عزم ہے۔

اپنے ماحولیاتی اقدامات کے تحت، کمپنی اپنے ہیڈ آفس کی توانائی کی ضروریات کا ایک خاطر خواہ حصہ قابل تجدید توانائی کے ذرائع سے پورا کرنا جاری رکھے ہوئے ہے۔ OLP اپنی آپریشنز اور فنانسنگ کی سرگرمیوں میں ماحول دوست اور ذمہ دارانہ طریقہ کار کے فروغ کے لیے مزید مواقع تلاش کرتا رہے گا۔

کارپوریٹ سماجی ذمہ داری:

اپنے پائیداری سے متعلق اقدامات کے ساتھ ساتھ، OLP کی کارپوریٹ سماجی ذمہ داری (CSR) کی سرگرمیاں ان کمیونٹیز کی معاونت کے عزم کی عکاسی کرتی ہیں جنہیں کمپنی اپنی خدمات فراہم کرتی ہے۔ کمپنی نے صحت، تعلیم اور سماجی بہبود کے شعبوں میں کام کرنے والے اداروں کو مالی معاونت فراہم کرنے کا سلسلہ جاری رکھا، بالخصوص معاشرے کے ان طبقات کے لیے جو بنیادی سہولیات اور مواقع سے محروم ہیں۔

دوران سال، اوایل پی نے اپنی فلاحی سرگرمیوں کا دائرہ وسیع کیا اور معاشرے کے مستحق طبقات کو مالی معاونت فراہم کی۔ صحت کے شعبے میں کمپنی نے معتبر اداروں کے ساتھ تعاون کا تسلسل برقرار رکھا اور نمایاں اسپتالوں جیسے ایل آر بی ٹی، انڈس اسپتال، لیڈی ڈفرن اسپتال، شوکت خانم میموریل ٹرسٹ اور دی کڈنی سینٹر سمیت دیگر اداروں کو عطیات دیے۔ مزید تعاون ایسے اداروں کو بھی فراہم کیا گیا جو خصوصی طبی خدمات فراہم کرتے ہیں، جیسے فرینڈز آف برنز سینٹر اور میری ایڈیڈ لیلبر وی سینٹر۔

تعلیم کے شعبے میں اوایل پی نے ان اداروں کو سہارا دیا جو پسماندہ طبقات کو معیاری تعلیم کی فراہمی کے لیے کام کر رہے ہیں، جن میں سٹیٹس فاؤنڈیشن، فیملی ایجوکیشن سروسز فاؤنڈیشن اور بہبود ایسوسی ایشن شامل ہیں۔ اس کے علاوہ کمپنی نے آئی بی پی اسکول آف اسپیشل ایجوکیشن کو بھی عطیہ دیا، تاکہ خصوصی ضروریات کے حامل بچوں کی فلاح اور نشوونما کو فروغ دیا جاسکے۔

مزید برآں OLP نے سماجی بہبود اور انسانی امداد کے لیے کام کرنے والی تنظیموں کو بھی معاونت فراہم کی۔ سال کے دوران، کمپنی نے خیر پختونخوا کے متاثرہ علاقوں میں الخدمت ویلفیئر سوسائٹی کی جانب سے کی جانے والی سیلاب سے متاثرہ افراد کی امدادی سرگرمیوں میں تعاون کیا، جس کے ذریعے سیلاب سے متاثرہ کمیونٹیز کو امداد فراہم کی گئی۔

ٹیلنٹ، ثقافت اور مقصد کی پرورش:

اوایل پی کی سب سے بڑی طاقت اس کے لوگ ہیں۔ کمپنی اپنی ہیومن کپٹل ڈیولپمنٹ اسٹراٹجی کے بنیادی ستونوں کے طور پر قیادت کی تربیت اور ملازمین کی ترقی کے لیے پُر عزم ہے۔ اس مقصد کے لیے ایک منظم سکیشن پلاننگ پراسیس اپنایا گیا ہے جو مستقبل کے رہنماؤں کی نشاندہی اور ان کی تربیت کرتا ہے۔ اس کے ساتھ ہی پالیسی آگاہی، سافٹ اسکلز اور ہدنی اپ اسکلنگ پر مشتمل سیکھنے کے پروگرام ملازمین کو بدلتے ہوئے کاروباری چیلنجز سے نمٹنے کے قابل بناتے ہیں۔

OLP آپریٹنگ اور ریگولیٹری ماحول میں ہونے والی تبدیلیوں کے پیش نظر مسلسل نگرانی، وقتاً فوقتاً خطرات کے جائزے اور کنٹرولز کے از سر نو جائزے کے ذریعے اپنے رسک مینجمنٹ کے طریق کار کو مزید مضبوط بنارہا ہے۔ درج ذیل حصوں میں کمپنی کی جانب سے اہم خطرات کے شعبوں سے نمٹنے کے لیے اختیار کیے گئے رسک مینجمنٹ اقدامات کی تفصیل پیش کی گئی ہے۔

کریڈٹ رسک:

OLP نے بورڈ کی منظور کردہ کریڈٹ رسک پالیسیز متعارف کرائی ہیں جو مختلف اقتصادی شعبوں اور مصنوعات کی لائنوں کو کریڈٹ فراہم کرنے کے لیے رہنما اصول فراہم کرتی ہیں۔ یہ پالیسیاں کمپنی کو کریڈٹ رسک کو منظم کرنے اور کنٹرول کرنے کی اجازت دیتی ہیں، جس میں ایکسپوزر کی حدود متعین کرنا، پابندیوں کی نگرانی کرنا، اور مارکیٹ کی تحریکات کے پیش نظر رہنما اصولوں کا مستقل جائزہ لینا شامل ہے۔

کریڈٹ رسک مینجمنٹ ڈیپارٹمنٹ (CRMD) منظور شدہ کریڈٹ رسک فریم ورک کی پابندی کی نگرانی اور مینجمنٹ کریڈٹ کمیٹی اور بورڈ کریڈٹ کمیٹی کو رپورٹنگ کا ذمہ دار ہے۔ کمپنی پورٹ فولیو کی نگرانی، ابھرتے ہوئے خطرات کی بروقت نشاندہی اور کریڈٹ رسک مینجمنٹ کے ذرائع اور طریقہ کار میں مسلسل بہتری پر خصوصی توجہ دیتی ہے، تاکہ پائیدار کاروباری نمو کو معاونت فراہم کی جا سکے۔

OLP نئے کاروبار کے حصول کے وقت اور بعد ازاں رپورٹنگ کی تاریخوں پر کارپوریٹ صارفین کی کریڈٹ کی اہلیت کا جائزہ لینے کے لیے مختلف تجرباتی ذرائع اور کریڈٹ ایسیسمنٹ تکنیک استعمال کرتا ہے، جس میں کریڈٹ کے معیار میں ممکنہ خرابی کی ابتدائی علامات کی بروقت نشاندہی پر خصوصی توجہ دی جاتی ہے۔ CRMD زیادہ خطرے والے شعبوں اور ایکسپوزرز کی قریبی نگرانی کرتا ہے، ابھرتے ہوئے خدشات کو اعلیٰ انتظامیہ تک پہنچاتا ہے اور پورٹ فولیو سے متعلق خطرات کے موثر انتظام کے لیے مارکیٹنگ ڈیپارٹمنٹ کے ساتھ قریبی رابطے میں مناسب اقدامات پر عمل درآمد کرتا ہے۔

OLP اپنی مضبوط کریڈٹ رسک مینجمنٹ حکمت عملی کی بدولت، کمپنی کی موجودہ مشکل معاشی ماحول میں بھی، غیر فعال قرضوں کے کم تناسب کے ساتھ متنوع پورٹ فولیو کو برقرار رکھے ہوئے ہے۔

لیکویڈیٹی رسک اور مارکیٹ رسک:

بورڈ سے منظور شدہ اثاثہ و واجبات کے انتظام کی پالیسی کمپنی کے لیے لیکویڈیٹی اور مارکیٹ رسک سے متعلق رسک ایپیٹائٹ کا تعین کرتی ہے، جبکہ ایسٹ اینڈ لائبریری مینجمنٹ کمیٹی (ALCO) کو ان خطرات کی نگرانی کا کام سونپا گیا ہے۔ ALCO ہر ماہ مارکیٹ کے حالات، منافع بخش کارکردگی، لیکویڈیٹی، فنڈنگ کی ضروریات، ALM ریشوز اور متوقع لیکویڈیٹی کی ضروریات کا جائزہ لیتی ہے۔ لیکویڈیٹی رسک کا انتظام فنڈنگ کے متنوع ذرائع، مختص کردہ کریڈٹ لائنز اور قرض دینے اور قرض گیری کے پروفائلز میں محتاط مطابقت کے ذریعے کیا جاتا ہے۔

ایک لیکویڈیٹی ہنگامی منصوبہ متبادل فنڈنگ کی حکمت عملیوں کو یقینی بناتا ہے اور لیکویڈیٹی کے ذخائر کو مانع حکومت کی سیکورٹیز میں برقرار رکھتا ہے، اس کے علاوہ، مانع سیکورٹیز بھی موجود ہیں جو قانونی تقاضوں کی تعمیل کے لیے رکھی گئی ہیں۔ ALCO سود کی شرح میں اتار چڑھاؤ سے مارکیٹ کے خطرے کا انتظام بھی کرتی ہے، قیمتوں کی حکمت عملی تیار کرتی ہے، مارکیٹ کی سود کی شرحوں کی نگرانی کرتی ہے، اور قرض دینے اور قرض لینے کے پورٹ فولیو کو متوازن رکھتی ہے۔

شرح سود کے رسک کو محدود رکھنے کے لئے کمپنی کے پیشتر لیز / لون پورٹ فولیو کو مالی ذمہ داریوں کے ساتھ منظور شدہ حدود کے اندر، ہم آہنگ رکھا جاتا ہے۔ OLP کے پاس شرح سود کے تبادلے کے ذریعے اپنے اثاثہ اور / یا ذمہ داری کی ساخت کو ایڈجسٹ کرنے کا اختیار ہے۔ مزید برآں، کمپنی شرحوں میں تیزی سے اتار چڑھاؤ کو مد نظر رکھنے کے لیے ہینج مارک ریٹ پر کافی منافع کا مارجن وصول کرتی ہے۔

آپریٹنگ رسک:

کمپنی نے آپریٹنگ خطرات کو مستقل طور پر منظم کرنے کے لیے پالیسیاں اور طریقہ کار قائم کیے ہیں۔ بدلتے آپریٹنگ ماحول میں ان کی مطابقت کو یقینی بنانے کے لیے ان پالیسیوں اور طریقہ کار کا وقتاً فوقتاً جائزہ لیا جاتا ہے۔ ایک کنٹرول فریم ورک، فعال نگرانی، اور ممکنہ خطرات سے نمٹنے کے ذریعے آپریٹنگ خطرات کو کم کیا جاتا ہے اور اسے کم سے کم رکھا جاتا ہے۔ آپریٹنگ خطرات کو کم کرنے کے لیے، OLP نے اپنے اندرونی آڈٹ، رسک مینجمنٹ، اور تعمیل کے افعال کو مضبوط کیا ہے۔ یہ افعال اس بات کو یقینی بناتے ہیں کہ پالیسیوں کی پیروی کی جائے اور اہم خطرے کے اشارے کے ساتھ ساتھ کسی بھی آپریٹنگ رکاوٹوں یا ناکامیوں کی باقاعدگی سے نگرانی کی جائے ہے۔ ایک جامع ریگولیٹری رسک مینجمنٹ کا عمل بھی نافذ ہے، جس کے تحت کمپلائنس فنکشن ریگولیٹری تقاضوں پر قابو پانے کے لیے کنٹرولز کی افادیت کو مسلسل یقینی بناتا ہے۔

فنڈنگ اور لیکویڈٹی:

کمپنی کے قرضہ جات مختلف ذرائع پر مشتمل ہیں جن میں بینک قرضے، سرٹیفکیٹ آف ڈپازٹ (COD) اور پرائیویٹ پبلیسیڈ ٹرم فنانس سرٹیفکیٹس (PPTFC) شامل ہیں۔ کمپنی نے گیارہ مالیاتی اداروں کے ساتھ مضبوط تعلقات قائم کر رکھے ہیں، جن سے مسابقتی مارکیٹ ریٹس پر طویل المدتی قرضے اور اوور ڈرافٹ کی سہولت کی شکل میں محفوظ قرضہ جات کی سہولیات حاصل ہیں۔ اس کے علاوہ، اوایل پی COD جاری کرتی ہے، جو انفرادی اور ادارہ جاتی سرمایہ کاروں سے حاصل کیے جانے والے غیر محفوظ قرضہ جات ہیں۔

OLP کے قرض لینے کی تقسیم درج ذیل ہے:

30 جون 2026 تک کمپنی کا قرضہ اور لیکویڈٹی کا تناسب 2.16 رہا، جبکہ 30 جون 2025 کو یہ 2.01 تھا۔ یہ اضافہ پورٹ فولیو میں نمو کے لیے بیلنس شیٹ میں زیادہ لیوریج کے استعمال کی عکاسی کرتا ہے۔ کمپیٹل ایڈیوکیسی ریشو بھی 26.01 فیصد کی مضبوط سطح پر برقرار رہا، جبکہ 30 جون 2025 کو یہ 27.40 فیصد تھا۔ یہ شرح 10 فیصد کی ریگولیٹری ضرورت سے نمایاں طور پر زیادہ ہے، جو کمپنی کو کاروباری نمو اور ممکنہ خطرات کے اثرات برداشت کرنے کے لیے مضبوط کمپیٹل بفر فراہم کرتی ہے۔

رиск مینجمنٹ:

OLP نے ایک جامع رиск مینجمنٹ کا فریم ورک قائم کیا ہے، جو کمپنی کی کامیابی کے لیے انتہائی اہم ہے۔ یہ فریم ورک ممکنہ خطرات کی بروقت شناخت اور انتظام کی اجازت دیتا ہے، جس میں شامل ہیں:

- بورڈ کی نگرانی
- محکمہ کے سربراہان اور انتظامی کمیٹیوں کی کثیر سطحی نگرانی
- مؤثر پالیسیاں اور طریقہ کار
- مضبوط کنٹرول میکانزم
- مضبوط آئی ٹی سسٹمز

یہ فریم ورک باقاعدگی سے کاروباری حالات، ریگولیٹری تقاضوں، اور مجموعی کاروباری حکمت عملیوں میں تبدیلیوں کی عکاسی کے لیے اپ ڈیٹ کیا جاتا ہے۔

بورڈ کی آڈٹ اور رиск کمیٹی (BA&RC)، جس میں چارڈائریکٹر شامل ہیں اور جس کی صدارت ایک آزاد ڈائریکٹر کرتے ہیں، حکمرانی اور رиск مینجمنٹ پالیسیوں کے نفاذ کو بڑھاتا ہے۔ مینجمنٹ کمیٹی بورڈ کی منظور شدہ رہنما اصولوں کی نگرانی اور عمل درآمد کرتی ہے، جبکہ روزمرہ کے رиск مینجمنٹ کے کام مختلف سطحوں پر تفویض کیے جاتے ہیں۔

OLP نے اپنے تمام شعبہ جات میں انٹرپرائز رиск مینجمنٹ (ERM) فریم ورک نافذ کر رکھا ہے، جو اہم خطرات کی نشاندہی، جائزہ، نگرانی اور رپورٹنگ کے لیے ایک منظم اور یکساں طریق کار فراہم کرتا ہے۔ یہ فریم ورک اہم خطرات اور ان سے متعلق خطرات میں کمی کے اقدامات کی انتظامیہ اور BA&RC کو باقاعدہ بنیادوں پر رپورٹنگ میں معاونت فراہم کرتا ہے، جس کے ذریعے کمپنی کے مجموعی رиск پروفائل اور ابھرتے ہوئے خطرات کے شعبوں کی مؤثر نگرانی ممکن ہوتی ہے۔

لین اور قرض کے پورٹ فولیو سے حاصل ہونے والی آمدنی مالی سال 2025 کے 5,892.41 ملین روپے کے مقابلے میں 4.32 فیصد کم ہو کر 5,637.92 ملین روپے رہ گئی۔ KIBOR میں مسلسل کمی کے نتیجے میں شرح منافع میں کمی آئی، تاہم لین اور قرض کے پورٹ فولیو میں 13.52 فیصد اضافے نے آمدنی میں کمی کے اثرات کو کسی حد تک متوازن کیا۔ دیگر آمدنی گزشتہ سال کے 917.02 ملین روپے کے مقابلے میں 7.63 فیصد کم ہو کر 847.05 ملین روپے رہی۔ اس کی بنیادی وجہ مالیاتی اثاثوں سے حاصل ہونے والی آمدنی میں کمی تھی، جو گزشتہ سال کے 478.62 ملین روپے سے کم ہو کر 254.19 ملین روپے رہ گئی۔ اس کی بڑی وجہ کم بینچ مارک شرح سود کے ماحول اور سرکاری سیکورٹیز کے اوسط حجم میں کمی کے باعث سرکاری سیکورٹیز سے حاصل ہونے والی سودی آمدنی 428.96 ملین روپے سے کم ہو کر 215.23 ملین روپے رہنا تھا۔ تاہم، اس اثر کو غیر مالیاتی اثاثوں سے حاصل ہونے والی آمدنی میں اضافے نے جزوی طور پر کم کیا، جو 438.40 ملین روپے سے بڑھ کر 592.86 ملین روپے ہو گئی۔ دیگر مالیاتی اثاثوں سے متعلق آمدنی میں فیس اور دیگر آمدنی بھی شامل ہے، جو 235.31 ملین روپے سے بڑھ کر 409.90 ملین روپے ہو گئی۔ اس اضافے کی بنیادی وجہ 148.22 ملین روپے کی طویل عرصے سے زیر التوا واجبات کی واپسی تھی، جبکہ دستاویزی فیس سے حاصل ہونے والی آمدنی بھی 40.18 ملین روپے سے بڑھ کر 57.74 ملین روپے ہو گئی۔

لاگت کا انتظام اور عملی کارکردگی میں بہتری:

مکمل لین، قرضوں اور دیگر نقصانات کے لیے مختص مخصصات کو خارج کرنے کے بعد، کل اخراجات مالی سال 2025 کے 4,867.57 ملین روپے کے مقابلے میں 9.06 فیصد کم ہو کر 4,426.71 ملین روپے رہ گئے۔ اس کی بنیادی وجہ سال کے دوران مالیاتی اخراجات میں کمی تھی۔

☆ اگرچہ گزشتہ سال کے 21,462 ملین روپے کے مقابلے میں کل قرض بڑھ کر 24,791 ملین روپے ہو گئی، تاہم مالیاتی اخراجات 14.66 فیصد کم ہو کر 2,695.34 ملین روپے رہ گئے، جبکہ گزشتہ سال یہ 3,158.17 ملین روپے تھے۔ اس کی بنیادی وجہ سال کے دوران بینچ مارک شرح سود کی اوسط سطح میں کمی تھی، جس کے نتیجے میں فنڈنگ لاگت میں کمی آئی۔

☆ انتظامی اور عمومی اخراجات مالی سال 2025 کے 1,675.22 ملین روپے کے مقابلے میں معمولی 1.10 فیصد اضافے کے ساتھ مالی سال 2026 میں 1,693.59 ملین روپے ہو گئے۔ فرسودگی، گاڑیوں کے استعمال اور دیکھ بھال، دفاتر کی مرمت و دیکھ بھال اور آڈیٹرز کے معاوضے میں اضافہ، آپریشنل انفراسٹرکچر اور کاروباری معاونت کو برقرار رکھنے کے لیے ضروری اخراجات کی عکاسی کرتا ہے۔ تاہم، عملے کے اخراجات، کرایہ اور یوٹیلیٹیز، قانونی و پیشہ ورانہ خدمات کے اخراجات اور سبسکرپشنز میں کمی نے ان اضافوں کے اثرات کو بڑی حد تک متوازن کیا، جو اخراجات کے مؤثر نظم و ضبط کے تسلسل کو ظاہر کرتا ہے۔

☆ براہ راست اخراجات مالی سال 2025 کے 34.17 ملین روپے کے مقابلے میں 10.56 فیصد بڑھ کر 37.78 ملین روپے ہو گئے۔ اس اضافے کی بنیادی وجہ لین اور قرض کے فنڈنگ پورٹ فولیو سے متعلق دیکھ بھال اور انشورنس کے اخراجات میں اضافہ تھا، جو 18.47 ملین روپے سے بڑھ کر 23.56 ملین روپے ہو گئے۔ تاہم، عدالت کی فیس، اسٹامپ ڈیوٹی اور دیگر دستاویزی و متعلقہ خدمات کے اخراجات میں 1 ملین روپے کی کمی نے اس اضافے کے اثر کو جزوی طور پر کم کیا۔

لین، قرضوں اور مالی سہولیات کے لیے متوقع قرضہ جاتی نقصانات / پروویژن کی ریورسل:

غیر فعال پورٹ فولیو، جس میں 90 دن سے زائد عرصہ سے واجب الادا ایکسپوزرز شامل ہیں، مالی سال 2025 کے 655.18 ملین روپے کے مقابلے میں 30 جون 2026 کو کم ہو کر 639.09 ملین روپے رہ گیا، جو اثاثوں کے معیار کو مسلسل بہتر بنانے کی عکاسی کرتا ہے۔ کمپنی نے 14.97 ملین روپے کے پروویژن کی ریورسل ریکارڈ کی، جبکہ مالی سال 2025 میں پروویژن کی ریورسل 142.64 ملین روپے تھی۔

مکمل لین اور قرضہ جاتی نقصانات کے لیے پروویژنز اکاؤنٹنگ اسٹینڈرڈ IFRS9 کے تحت متوقع کریڈٹ نقصان (ECL) ماڈل کے مطابق برقرار رکھی جاتی ہیں، جنہیں مینجمنٹ کے ذاتی اندازوں پر مبنی اضافی پروویژنز سے تقویت دی جاتی ہے، جس کی اجازت معیار میں دی گئی ہے۔ 30 جون 2026 تک مکمل لین اور قرضہ جاتی نقصانات کے لیے مجموعی پروویژنز 604 ملین روپے رہا، جو 90 دن سے زیادہ واجب الادا تمام اکاؤنٹس کے خلاف 100 فیصد رہا جبکہ مالی سال 2025 میں یہ شرح 142.64 فیصد تھی۔

ٹیکس:

سال کے لیے ٹیکس اخراجات 827.48 ملین روپے ریکارڈ کئے گئے، جو کہ گزشتہ سال کے ٹیکس اخراجات 786.91 ملین روپے سے 5.16 فیصد کم ہے۔ اس میں گزشتہ سال کے وفاقی بجٹ میں عائد کردہ 10 فیصد کا سپر ٹیکس شامل ہے۔

مندرجہ بالا ڈیش بورڈ کمپنی کے پورٹ فولیو اور اثاثوں کی بنیاد میں نمایاں اضافے، منافع میں بہتری اور منافع بخش شرحوں کے تسلسل کو ظاہر کرتا ہے، جو موجودہ شرح سود کے ماحول میں کم شرح منافع کے باوجود حاصل ہوا۔

OLP کے مالی نتائج کا خلاصہ ذیل میں دیا گیا ہے:

2025	2026	
(روپے)		
2,012,384,635	2,161,196,493	قبل از محصول منافع
786,913,599	827,481,030	محصولات (ٹیکس)
1,225,471,036	1,333,715,463	سالانہ خالص منافع بعد از محصول (ٹیکس)
61,273,552	66,685,773	مختص: قانونی ریزرو میں منتقلی
350,815,294	350,815,294	عبوری ڈویڈنڈ
613,926,765	701,630,588	حتمی ڈویڈنڈ
964,742,059	1,052,445,882	
6.99	7.60	نی شیئر آمدنی - بنیادی اور رقیق شدہ

OLP نے مالی سال 2026 کے دوران شرح سود میں کمی کے باعث منافع کی شرحوں پر دباؤ کے باوجود آمدنی میں مستحکم اضافہ برقرار رکھا۔ قبل از ٹیکس منافع مالی سال 2025 کے 2.01 ارب روپے کے مقابلے میں 7.39 فیصد بڑھ کر 2.16 ارب روپے ہو گیا، جبکہ بعد از ٹیکس منافع 8.83 فیصد اضافے کے ساتھ 1.22 ارب روپے سے بڑھ کر 1.33 ارب روپے رہا۔ اس کارکردگی میں پورٹ فولیو کی توسیع، بنیادی کاروباری سرگرمیوں کے بہتر نتائج اور اوسط فنڈنگ لاگت میں کمی نے اہم کردار ادا کیا، جس نے پورٹ فولیو کے ایکویٹی سے فنانس کیے گئے حصے پر کم شرح منافع اور سرمایہ کاری سے حاصل ہونے والی آمدنی میں کمی کے اثرات کو بڑی حد تک زائل کر دیا۔ یہ نتائج کمپنی کی موثر ٹیلنس شیٹ مینجمنٹ اور بدلتے ہوئے مارکیٹ حالات میں منافع بخش کارکردگی برقرار رکھنے کی صلاحیت کی عکاسی کرتے ہیں۔

ڈویڈنڈ:

ڈائریکٹرز 30 جون 2026 کو ختم ہونے والے سال کیلئے 40 فیصد کے حتمی نقد منافع کی سفارش کرتے ہوئے پرمسرت ہیں۔ یہ سال کے دوران ادا کئے گئے 20 فیصد کے عبوری کیش ڈویڈنڈ کے علاوہ ہے جو سال کیلئے کل ڈویڈنڈ کو 60 فیصد تک لاتا ہے (2025: کل کیش ڈویڈنڈ 55 فیصد)۔

آمدنی:

کمپنی نے سال کے دوران 6,614.19 ملین روپے کی سالانہ آمدنی حاصل کی، جو گزشتہ سال حاصل ہونے والی 6,963.69 ملین روپے کی آمدنی کے مقابلے میں 5.02 فیصد کم ہے۔ اس کمی کی بنیادی وجہ بیچ مارک شرح سود میں کمی کا اثاثوں پر حاصل ہونے والی شرح منافع پر تیزی سے اثر انداز ہونا تھا۔ تاہم، پورٹ فولیو میں اضافے اور آمدنی پیدا کرنے والے اثاثوں کی بنیاد میں توسیع نے اس اثر کو جزوی طور پر کم کیا۔

OLP نے مالی سال 2027 کا آغاز مضبوط عملی بنیادوں کے ساتھ کیا، جسے بتدریج بہتر ہوتی ہوئی معاشی صورتحال اور مجموعی اقتصادی استحکام سے تقویت ملی۔ ان مثبت پیش رفتوں کو آگے بڑھاتے ہوئے، کمپنی کی توجہ کاروبار میں منظم انداز سے توسیع محتاط رسک مینجمنٹ، اخراجات کو بہتر بنانے اور مسلسل موثر عملی کارکردگی برقرار رکھنے پر مرکوز ہے۔

کاروباری سرگرمیوں میں مثبت رجحان برقرار رہا اور مالی سہولیات کی فراہمی میں 10.28 فیصد اضافہ ہوا، جو گزشتہ سال کے 19.11 ارب روپے کے مقابلے میں بڑھ کر 21.07 ارب روپے ہو گئی۔ کمرشل گاڑیوں اور سیلون کاروں پر مشتمل گاڑیوں کی لیزنگ اور فنانسنگ، نئے کاروبار کے حصول کا بنیادی شعبہ رہی اور کل مالی سہولیات کی فراہمی میں اس کا حصہ 84.05 فیصد رہا۔ اس کے نتیجے میں 30 جون 2026 تک فنانس اور لیز پورٹ فولیو 13.52 فیصد بڑھ کر 32.92 ارب روپے ہو گیا، جبکہ گزشتہ سال یہ 29.00 ارب روپے تھا۔

ملک بھر میں کمپنی کے 30 برانچز پر مشتمل نیٹ ورک نے صارفین کو وسیع پیمانے پر خدمات تک رسائی فراہم کرنے کے ساتھ ساتھ موثر اثاثہ کار کشورل برقرار رکھنے میں معاونت کی۔ 30 جون 2026 تک کسی ایک صارف کے لیے کمپنی کی سب سے بڑی ایکسپوزر، کمپنی کے مجموعی پورٹ فولیو کا صرف 0.55 فیصد تھی۔ پورٹ فولیو میں اثاثوں کی تقسیم کے لحاظ سے گاڑیوں کا حصہ 82.84 فیصد کے ساتھ سب سے زیادہ رہا، جس کے بعد پلانٹ اور مشینری کا حصہ 11.10 فیصد تھا۔

سال کے دوران پورٹ فولیو کے معیار میں مزید بہتری آئی اور واجب الادا مالی سہولیات کا تناسب گزشتہ سال کے 2.26 فیصد سے کم ہو کر 1.94 فیصد رہ گیا۔ اس بہتری میں نئے کاروبار کے حصول میں محتاط پالیسی، رسک کے بہتر انتخاب، پورٹ فولیو کی فعال نگرانی اور واجب الادا رقوم کی قریبی نگرانی نے اہم کردار ادا کیا۔ انتظامیہ نے طویل عرصے سے زیر التوا کھاتوں کے موثر حل اور وصولی کے لیے اپنی حکمت عملی پر عمل درآمد جاری رکھا، جبکہ نئے واجب الادا کیسز میں بروقت اصلاحی اقدامات کو بھی یقینی بنایا۔

فنانسنگ کے ذرائع کو مزید مستحکم اور متنوع بنانے کی کوششوں کے تحت، کمپنی نے سال کے دوران ایک نئے مالیاتی ادارے کو اپنے قرضی پورٹ فولیو میں کامیابی سے شامل کیا۔ یہ پیش رفت کمپنی کے مالیاتی اداروں کے ساتھ تعلقات کو وسعت دینے اور مختلف ذرائع سے فنڈنگ تک رسائی بہتر بنانے کی جانب ایک اہم کامیابی ہے۔

30 جون 2026 کو کمپنی کی لیز ہولڈرز مین اور دفتری عمارت کی ازسر نو ویلیوایشن کی گئی، جس کے نتیجے میں مؤرخگیس کو مد نظر رکھنے کے بعد 195 ملین روپے کاری ویلیوایشن منافع حاصل ہوا۔ اس ازسر نو قدر بندی سے کمپنی کے ایکویٹی سرمائے کی پوزیشن مزید مستحکم ہوئی اور بنیادی اثاثوں کی تازہ ترین قدر بھی سامنے آئی۔

سعودی عرب میں کام کرنے والی OLP کی ایسوسی ایٹ کمپنی، نیال فنانس کمپنی، منافع بخش رہی۔ ایسوسی ایٹ کمپنی سے OLP کے حصے کا منافع 129.22 ملین روپے رہا، جبکہ مالی سال 2025 میں یہ 154.26 ملین روپے تھا، جو گزشتہ سال کے مقابلے میں 16.23 فیصد کی کوٹا ہر کرتا ہے۔

OLP مضاربہ (OLPM) میں کمپنی اور اس کی ذیلی کمپنی کا مجموعی طور پر 20 فیصد ایکویٹی حصہ ہے، جبکہ OLPM کی اہم آپریشنل اور مالیاتی پالیسیوں سے متعلق فیصلہ سازی میں بھی کمپنی کو موثر اختیار حاصل ہے۔ OLPM نے سال کے دوران 160.71 ملین روپے کا خالص منافع رپورٹ کیا، جو گزشتہ سال کے 174.08 ملین روپے کے خالص منافع کے مقابلے میں 7.68 فیصد کم ہے۔ 30 جون 2025 کو ختم ہونے والے سال کے لیے OLPM نے 25 فیصد نقد منافع کا اعلان کیا تھا، جو موجودہ سال کے دوران OLP کو موصول ہوا۔

مالیاتی کارکردگی:

کل اثاثے	نئی ایگزیکوشن	فنانس اور لیز پورٹ فولیو	اثاثوں پر منافع
40,447.02 ملین روپے	21,071.68 ملین روپے	32,923.63 ملین روپے	3.52 فیصد
14.20 فیصد اضافہ	10.28 فیصد اضافہ	13.52 فیصد اضافہ	(30 جون 2025: 3.64 فیصد)
سالانہ آمدنی	قبل از ٹیکس منافع	بعد از ٹیکس منافع	ایکویٹی پر منافع
6,614.19 ملین روپے	2,161.19 ملین روپے	1,333.71 ملین روپے	11.93 فیصد
5.02 فیصد کمی	7.39 فیصد اضافہ	8.83 فیصد اضافہ	(30 جون 2025: 11.47 فیصد)

مندرجہ ذیل اہم اشاریے پاکستان کے کاروباری ماحول اور کمپنی کی مالی کارکردگی پر اثر انداز ہونے والے بنیادی معاشی رجحانات کا خلاصہ پیش کرتے ہیں:

ماخذ: پاکستان اکنامک سروے 2025-26: آئی ایم ایف (مالی سال 2027 کی پیش گوئی)۔

ماخذ: پاکستان بیورو آف اسٹیٹسٹکس (PBS): آئی ایم ایف (مالی سال 2027 کی پیش گوئی)۔

مالی سال 2025-26 کے دوران اسٹیٹ بینک آف پاکستان نے افراط زر اور بیرونی شعبے کی بدلتی ہوئی صورتحال کے پیش نظر محتاط اور حالات کے مطابق رد عمل پر مبنی زری پالیسی اختیار کیے رکھی۔ اس دوران مشرق وسطیٰ کے تنازعے سے پیدا ہونے والی غیر یقینی صورتحال بھی ایک اہم عنصر رہی۔ دسمبر 2025 میں پالیسی ریٹ 11.0 فیصد سے کم کر کے 10.5 فیصد کیا گیا، جس کے بعد اپریل 2026 میں اسے بڑھا کر 11.5 فیصد کر دیا گیا، جہاں یہ 30 جون 2026 تک برقرار رہا۔ سال کے دوسرے نصف میں بیرونی دباؤ کے باوجود محتاط زری اور مالیاتی انتظام نے مجموعی معاشی استحکام کو برقرار رکھنے میں مدد دی۔ کراچی انٹر بینک آفر ڈریٹ (KIBOR) میں بھی مجموعی طور پر انہی تبدیلیوں کے مطابق اتار چڑھاؤ دیکھا گیا، جبکہ بیچ مارک شرحیں گزشتہ برسوں میں دیکھنے میں آنے والی بلند سطحوں کے مقابلے میں نمایاں طور پر کم رہیں، جس کے نتیجے میں کمپنی کی اوسط فنڈنگ لاگت میں کمی آئی۔ پالیسی ریٹ اور KIBOR میں سال کے دوران ہونے والی تبدیلیاں ذیل میں پیش کی گئی ہیں:

ماخذ: اسٹیٹ بینک آف پاکستان، زری پالیسی کے بیانات اور KIBOR کی شرحیں۔

جون 2026 میں مالی سال 2027 کے لیے پاکستان کا وفاقی بجٹ پیش کیا گیا۔ مالی سال 2027 کے لیے مجموعی اخراجات کا تخمینہ 18.77 کھرب روپے لگایا گیا ہے، جو مالی سال 2026 کے نظریاتی شدہ بجٹ میں مختص اخراجات کے مقابلے میں 20 فیصد زیادہ ہے۔ مجموعی محاصل کی وصولیوں کا تخمینہ 20.60 کھرب روپے ہے، جس میں فیڈرل بورڈ آف ریونیو (FBR) کی جانب سے حاصل ہونے والی ٹیکس آمدنی 15.26 کھرب روپے شامل ہے۔ یہ مالی سال 2026 کے نظریاتی شدہ تخمینے کے مقابلے میں تقریباً 17.6 فیصد اضافے کی عکاسی کرتا ہے۔ مالی سال 2027 کے بجٹ میں مجموعی مالیاتی خسارے کو مجموعی ملکی پیداوار (GDP) کے 3.6 فیصد تک محدود رکھنے کا ہدف مقرر کیا گیا ہے۔

ڈائریکٹرز کی رپورٹ:

بورڈ آف ڈائریکٹرز کی جانب سے ہم اوایل پی فنانشل سروسز پاکستان لمیٹڈ (OLP / دی کمپنی) کی چالیسویں سالانہ رپورٹ بمعہ غیر مجموعی مالیاتی گوشوارے برائے اختتام سال 30 جون 2026 پیش کرنے پر پُر مسرت ہیں۔

کمپنی:

کمپنی 1986 میں ORIX کارپوریشن، جاپان (ORIX) اور ملکی سرمایہ کاران کے درمیان ایک مشترکہ منصوبے کے طور پر قائم کی گئی تھی۔ کمپنی نان بینکنگ فنانس کمپنیز (اسٹیبلیشمنٹ اینڈ ریگولیشن) روٹرز 2003 کے تحت ایس ای سی پی سے انویسٹمنٹ فنانس سروسز لائسنس کی حامل ہے۔ OLP چھوٹے اور درمیانے درجے کے انٹرپرائز (ایس ایم ای) سیکٹر کی ضروریات کو پورا کرنے پر زور دیتے ہوئے کارپوریٹ اور انفرادی صارفین کو مالی خدمات فراہم کرتا ہے۔

معیشت کا جائزہ:

عالمی سطح پر مشکل معاشی حالات کے باوجود پاکستان کی معیشت نے مالی سال 2026 کے دوران بحالی کا سلسلہ جاری رکھا۔ حقیقی مجموعی ملکی پیداوار میں ابتدائی طور پر 3.7 فیصد اضافہ ریکارڈ کیا گیا، جبکہ گزشتہ سال یہ شرح 3.2 فیصد تھی۔ اس بہتری میں معیشت کے اہم شعبوں کی مجموعی کارکردگی میں نمایاں پیش رفت کا اہم کردار رہا۔

سال کے دوران صنعتی سرگرمیوں میں بہتری آئی، جبکہ محصولات کی وصولی میں اضافے اور اخراجات کے محتاط انتظام نے مالیاتی پوزیشن کو مزید مستحکم بنانے میں معاونت کی۔ لارج مینوفیکچرنگ اسکیل (LSM) نے بھی بحالی کا سفر جاری رکھا اور جولائی تا مئی 2026 کے دوران 5.8 فیصد کی شرح نمو ریکارڈ کی، جبکہ گزشتہ سال کی اسی مدت میں 1.1 فیصد کمی ہوئی تھی۔ مالی سال 2026 کے دوران آٹوموبائل شعبے کی کارکردگی بھی حوصلہ افزا رہی، جس میں گزشتہ سال کے مقابلے میں مسافر گاڑیوں کی فروخت میں 39 فیصد، جیپس اور پک اپس میں 41 فیصد، جبکہ ٹرکوں اور بسوں کی فروخت میں 61 فیصد اضافہ ہوا۔ یہ بہتری OLP کے لیے خصوصی اہمیت رکھتی ہے، کیونکہ گاڑیوں کی فنانسنگ کمپنی کے کاروبار میں نمایاں حصہ رکھتی ہے۔

مالی سال 2026 کے بیشتر حصے کے دوران افراط زر نسبتاً قابو میں رہا، تاہم سال کے اختتام کی جانب اس میں اضافہ ہوا، جس کی ایک وجہ توانائی اور نقل و حمل کی بڑھتی ہوئی لاگت بھی تھی۔ جون 2026 میں قومی صارف اشاریہ قیمت (CPI) کے تحت افراط زر 11.1 فیصد رہا، جو مئی 2026 میں 11.7 فیصد اور جون 2025 میں 3.2 فیصد تھا۔ مالی سال 2026 کے دوران اوسط افراط زر 7.1 فیصد رہا، جبکہ مالی سال 2025 میں یہ 4.5 فیصد تھا۔ 30 جون 2026 کو اسٹیٹ بینک آف پاکستان کی پالیسی ریٹ 11.5 فیصد رہا، جبکہ گزشتہ مالی سال کے اختتام پر یہ 11.0 فیصد تھا۔

سال کے دوران پاکستان کی بیرونی مالیاتی پوزیشن مجموعی طور پر مستحکم رہی، جسے ترسیلات زر کی مضبوط آمد اور زرمبادلہ کے ذخائر میں بہتری سے تقویت ملی۔ تاہم، مشرق وسطیٰ میں بڑھتی ہوئی جغرافیائی سیاسی کشیدگی نے عالمی معاشی ماحول میں غیر یقینی صورتحال میں اضافہ کیا، بالخصوص توانائی کی قیمتوں، مال برداری کے اخراجات اور سپلائی چینز میں اتار چڑھاؤ کے باعث۔

پاکستان کی معاشی اور بیرونی پوزیشن میں بہتری کے پیش نظر، S&P گلوبل ریٹنگ نے جولائی 2026 میں پاکستان کی طویل مدتی خود مختار کریڈٹ ریٹنگ کو "B-" سے بڑھا کر "B" کر دیا۔ مستقبل کے حوالے سے حکومت نے مالی سال 2027 کے لیے حقیقی مجموعی ملکی پیداوار میں 4.0 فیصد اضافے کا ہدف مقرر کیا ہے، جبکہ آئی ایم ایف نے 3.5 فیصد شرح نمو کی پیش گوئی کی ہے، جو محتاط رفتار کے ساتھ اقتصادی بحالی کے تسلسل کی نشاندہی کرتی ہے۔

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of OLP Financial Services Pakistan Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of OLP Financial Services Pakistan Limited ('the Company') for the year ended 30 June 2026 in accordance with the requirements of Regulation No. 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2026.

Date: 24 September 2026

STATEMENT OF COMPLIANCE

WITH THE LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE)
REGULATIONS, 2019
FOR THE YEAR ENDED JUNE 30, 2026

OLP Financial Services Pakistan Limited (the Company) has complied with the requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019 ("the CCG/the Regulations") in the following manner:

1. The total number of Directors is Eight (08) as given below:

Male*	Six (06)
Female	Two (02)

*including CEO, who is a Deemed Director under section 188 of the Companies Act, 2017

2. The composition of the Board of Directors is as follows:

Independent Directors	Mr. Rashid Ahmed Jafer Mr. Anwar Mansoor Khan
Non-Executive Directors	Mr. Khalid Aziz Mirza Mr. Yoshiaki Matsuoka Mr. Ramon Alfrey
Non-Executive Female Directors	Ms. Yoko Miura Ms. Kotoko Sato
Executive Director*	Mr. Shaheen Amin

*Serving as deemed director under section 188 of the Companies Act, 2017

3. The Directors have confirmed that none of them is serving as a director on more than seven (07) listed companies, including the Company;
4. The Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the Company along with its supporting policies and procedures;
5. The Board has approved a vision / mission statement, overall corporate strategy and significant policies of the Company. The Board has ensured that complete record of particulars of significant policies along with their dates of approval or updating is maintained by the Company;
6. All the powers of the Board have been duly exercised, and decisions on relevant matters have been taken by the Board / Shareholders, as empowered by the relevant provisions of the Companies Act, 2017 ("the Act") and the Regulations;
7. The meetings of the Board were presided over by the Chairman of the Board. The Board has complied with the requirements of the Act and the Regulations with respect to frequency, recording and circulating minutes of meeting of the Board;
8. The Board has a formal policy and transparent procedures for remuneration of the directors in accordance with the Act and the Regulations;
9. Five out of eight Directors of the Company have acquired certification/exemption under the Directors' Training Program. Ms. Yoko Miura and Ms. Kotoko Sato, who were appointed to the Board during the year, are within the period of one year from their respective dates of appointment available under Regulation 19(2) for acquiring the prescribed certification;

10. The Board approved the appointment of Chief Financial Officer, Company Secretary and Head of Internal Audit including their remuneration and terms and conditions of employment and complied with relevant requirements of the Regulations;
11. The Chief Financial Officer and the Chief Executive Officer duly endorsed the financial statements before approval of the Board;
12. The Board has the following Committees as of June 30, 2026, comprising of the members given below:

Name of Committees	Name of members and Chairman	
Audit and Risk Committee	Mr. Rashid Ahmed Jafer Ms. Yoko Miura Ms. Kotoko Sato Mr. Ramon Alfrey	Chairman Member Member Member
Human Resource, Nomination and Remuneration Committee	Mr. Anwar Mansoor Khan Mr. Khalid Aziz Mirza Mr. Yoshiaki Matsuoka Mr. Shaheen Amin	Chairman Member Member Member
Credit Committee	Mr. Yoshiaki Matsuoka Mr. Ramon Alfrey Mr. Shaheen Amin	Chairman Member Member
Compensation Committee	Mr. Rashid Ahmed Jafer Mr. Khalid Aziz Mirza Mr. Yoshiaki Matsuoka	Chairman Member Member

13. The terms of reference of the aforesaid Committees have been formed, documented and advised to the Committees for compliance.
14. The frequency of meetings of the Board Committees was as follows:
 - a) **Audit and Risk Committee** – Six meetings were held during the year; at least one meeting was held in each quarter of the year.
 - b) **Human Resource, Nomination and Remuneration Committee** – One meeting was held during the year.
 - c) **Credit Committee** – One meeting was held during the year.
 - d) **Compensation Committee** – No meeting was held during the year
15. The Board has set up an effective internal audit function. The Internal Auditors are conversant with the policies and procedures of the Company and are considered suitably qualified and experienced for the purpose;
16. The Statutory Auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan (ICAP) and registered with the Audit Oversight Board of Pakistan, that they and all their partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP and that they and the partners of the firm involved in the audit are not a close relative (spouse, parent, dependent and non-dependent children) of the chief executive officer, chief financial officer, head of internal audit, company secretary or director of the company;

17. The Statutory Auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Act, the Regulations or any other regulatory requirement and the auditors have confirmed that they have observed IFAC guidelines in this regard;
18. We confirm that all requirements of regulations 3, 6, 7, 8, 27, 32, 33, and 36 of the Regulations have been complied with.
19. In relation to Regulation 6 of the CCG, it may be noted that two independent directors are on the Board of the Company as of June 30, 2026. Given the size of the board, the Board is confident that the board has a balanced composition and includes a fair representation of independent directors. The current Board of Directors are a sound mix of independent, female and non-executive directors enabling the Board to effectively guide the Company to achieve its strategic objectives.
20. In relation to Regulation 10A of the CCG, the Board has assigned additional responsibilities to the Board Audit & Risk Committee for incorporating provisions related to diversity, equity and inclusion (DE&I) and sustainability-related risks. Accordingly, Committee's terms of reference have been expanded.
21. In relation to Regulation 29 and 30 of the CCG, the functions of nomination committee are being performed by the Human Resource, Nomination and Remuneration Committee and functions of risk management committee are being performed by the Audit & Risk Committee. Considering that the relevant responsibilities have been incorporated into the terms of reference of the respective Board Committees, the Board considers that constitution of separate Nomination and Risk Management Committees would result in duplication of functions.
22. In relation to regulation 35(1) of the CCG, the requirement to disclose significant policies on the website is non-mandatory. Thus, the Company has uploaded key corporate governance information in this respect on its website.
23. Explanations for any impediments in complying with the requirements of Regulation 2, other than Regulations 3, 6, 7, 8, 27, 32, 33 and 36, are given below:

a. Directors Training (regulation 19)

In relation to regulation 19(2) of the CCG, the independent director, Mr. Anwar Mansoor Khan, is a distinguished senior lawyer designated as "Senior Advocate" by the Supreme Court of Pakistan. He has served as the Attorney General of Pakistan, Advocate General for the Province of Sindh and Judge of the High Court of Sindh. With over 44 years of distinguished service and expertise in corporate legal practice and governance, his knowledge and experience are considered to be at a level that effectively meets and exceeds the objectives of the DTP.

SHAHEEN AMIN
Chief Executive Officer

KHALID AZIZ MIRZA
Chairman

NOTICE OF THE 40TH ANNUAL GENERAL MEETING

Notice is hereby given that the 40th Annual General Meeting (the AGM) of OLP Financial Services Pakistan Limited (the Company) will be held on Thursday, October 22, 2026, at 10:00 a.m. at iROOTS College, Wisdom Square Auditorium, Plot 27, Shahrah-e-Faisal, Darul Aman Society, Block 7 & 8, Karachi and also through video link (Zoom Application), to transact the following business:

ORDINARY BUSINESS

1. To receive, consider and adopt the Audited Financial Statements (Consolidated and Unconsolidated) of the Company for the year ended June 30, 2026, the Auditors' Report and Directors' Report thereon and Chairman's Review Report.

In accordance with Section 223(6) of the Companies Act 2017 ("the Act"), and pursuant to the SRO 389(I)/2023 dated March 21, 2023, the Financial Statements of the Company can be accessed through the following weblink and/or QR enabled code:

<https://www.olpfinance.com/investor-relations>

2. To consider and approve the final dividend for the year ended June 30, 2026, in cash at PKR 4 per share of PKR 10/- (40%), as recommended by the Board of Directors, which is in addition to the 20% Interim Cash Dividend (i.e. PKR. 2 per share) already paid.
3. To appoint auditors of the Company for the financial year 2026-27 and fix their remuneration.
4. To elect 07 (seven) Directors of the Company as fixed by the Board of Directors on September 17, 2026 in accordance with Section 159(1) of the Companies Act, 2017 for the term of three years commencing from October 22, 2026. The names of retiring Directors are stated hereunder:
 1. Mr. Khalid Aziz Mirza
 2. Mr. Rashid Ahmed Jafer
 3. Mr. Anwar Mansoor Khan
 4. Mr. Yoshiaki Matsuoka
 5. Ms. Yoko Miura
 6. Ms. Kotoko Sato
 7. Mr. Ramon Alfrey
5. To transact any other ordinary business of the Company with the permission of the Chairman

The Statement of material facts under the section 166(3) of the Companies Act, 2017, is annexed with the notice of AGM circulated to Shareholders.

Karachi
Thursday, October 01, 2026

BY ORDER OF THE BOARD
NADEEM AMIR ALI
Company Secretary

NOTES

1. PROHIBITION ON GRANT OF GIFTS TO SHAREHOLDERS

The Securities and Exchange Commission of Pakistan (the "SECP"), through its Circular 2 of 2018, dated February 9, 2018, has strictly prohibited companies from providing gifts or incentives, in lieu of gifts (tokens/coupons/lunches/takeaway/packages) in any form or manner, to shareholders at or in connection with general meetings. Under Section 185 of the Act, any violation of this directive is considered an offense, and companies failing to comply may face penalties.

2. PARTICIPATION IN ANNUAL GENERAL MEETING (AGM) THROUGH ELECTRONIC MEANS:

To attend and participate in the AGM through video link facility, members are requested to register themselves by providing the following particulars with the Company Secretary by emailing to agm@olpfinance.com at least 48 hours before the AGM.

Name of Shareholder	CNIC No.	Folio No./ CDC Account No.	Mobile No.	Email Address

Video link details and login credentials (ZOOM Application) will be shared with those shareholders who have shown their intent to attend the meeting containing all the particulars as mentioned above.

3. BOOK CLOSURE

- 3.1** The Members' Register shall remain closed from October 15, 2026 to October 22, 2026 (both days inclusive). Transfers in good order received at the office of the Company's Share Registrar before the close of the business on October 14, 2026, will be treated in time to attend the AGM and for entitlement to the dividend. Address of the Company's Share Registrar is as follows:

FAMCO Share Registration Services (Private) Limited
8-F, Near Hotel Faran, Nursery, Block-6, PECHS, Main Shahrah-e-Faisal
Karachi-74400 Pakistan
Phone: +92 (021) 34380101-105
Email: info.shares@famcosrs.com

- 3.2** All Shareholders entitled to attend, speak and vote at the AGM may appoint a proxy to attend, speak and vote on behalf of the Shareholder. The proxy needs to be a Member of the Company. Form of proxy, in order to be valid must be properly filled-in/executed and received at the registered office of the Company situated at OLP Building, Plot No 16, Sector No 24, Korangi Industrial Area, Karachi or at Company's Share Registrar Office not later than 48 hours before the time of the meeting excluding holidays.
- 3.3** The Shareholders and their proxies are required to produce their Computerized National Identity Card (CNIC) or passport for identification purpose, at the time of attending the AGM. The Proxy Form must be submitted to the Company within stipulated time as mentioned in note 3.2 above, duly witnessed by two persons whose names, addresses and CNIC numbers must be mentioned on the Proxy Form, along with attested copies of the CNICs or passports of the beneficial owner and the proxy. In case of corporate entity, the resolution of the Board of Directors or power of attorney with specimen signature of the nominee shall be produced at the time of AGM. The Proxy Form is available on Company's website (www.olpfinance.com/investor-relations/).

3.4 Members holding shares in physical form are requested to promptly notify Shares Registrar of the Company of any change in their addresses or any other particulars. Shareholders maintaining their shares in electronic form should have their address updated with their participant or CDC Investor Accounts Service.

3.5 CDC account holders shall also follow the guidelines as laid down by the Securities and Exchange Commission of Pakistan (SECP).

4. ELECTION OF DIRECTORS

Any person who seeks to contest an election for the office of Director, shall whether he/she is a retiring Director or otherwise, file with the Company the following documents at its registered office not later than fourteen (14) days before the date of the meeting:

- (i) His/her intention to offer him/herself for the election of Directors along with duly signed consent under Section 159(3) of the Companies Act 2017 and declaration to act as Director;
- (ii) Undertaking on non-judicial stamp paper in respect of being compliant with the requirements of the Companies Act, 2017 and Listed Companies (Code of Corporate Governance) Regulations, 2019 to act as the director of a listed company;
- (iii) Fit and Proper Test for appointment of Directors as contained in Annexures A of Non-Banking Finance Companies and Notified Entities Regulations, 2008 along with questionnaire duly completed;
- (iv) Affidavit to, inter alia, meet the requirement of Annexure B of Non-Banking Finance Companies and Notified Entities Regulations, 2008; and
- (v) Educational documents, resume, recent photograph, profile for uploading at website and copy of CNIC / passport, wealth statement and income tax return.

For Independent Director:

Along with the documents mentioned above, any person willing to contest election as Independent Director is required to submit the following additional documents:

- (a) Declaration by independent director(s) in terms of Regulation 6(3) of the Listed Companies (Code of Corporate Governance) Regulations, 2019;
- (b) Undertaking on non-judicial stamp paper that he/she meets the requirements of sub-regulation (1) of Regulation 4 of the Companies (Manner and Selection of Independent Directors) Regulations, 2018; and
- (c) Evidence that his/her name is included in the Data portal of Independent Director maintained by the Pakistan Institute of Corporate Governance (PICG).

5. AVAILABILITY OF AUDITED FINANCIAL STATEMENTS ON THE WEBSITE

The Financial Statements for the year ended June 30, 2026, along with the Auditor's and Directors' Report have been placed on the Company's website (www.olpfinance.com/investor-relations/) in addition to the quarterly financial statements.

6. ELECTRONIC TRANSMISSION OF ANNUAL REPORT 2026

In compliance with section 223(6) of the Act and pursuant to the S.R.O. 389(I)/2023 dated March 21, 2023, the Company has electronically transmitted the Annual Report 2026 through weblink, QR enabled code and through email to Members whose email addresses are available with the Company's Share Registrar, M/s. FAMCO Share Registration Services (Private) Limited. However, in cases, where email addresses are not available with the Company's Share Registrar, printed copies of the notices of AGM along-with the QR enabled code/weblink to download the Annual Report 2026 (containing the financial statements), have been dispatched to Shareholders at their registered addresses. Annual Report 2026 is also available electronically on PUCARS system of Pakistan Stock Exchange and the Company's website.

Additionally, if a Shareholder requests for a hard copy of the Annual Audited Financial Statements, the same will be provided free of cost within seven working days of receipt of such request. For the Shareholders' convenience, a 'Standard Request Form for Provision of Annual Audited Financial Statements' has also been made available on the Company's website.

7. SUBMISSION OF COPIES OF CNICs/NTN

Pursuant to the directives of the SECP, the dividends of Members whose valid CNIC or NTN (in case of corporate entities) are not available with the Share Registrar would be withheld. Members are therefore, requested to submit a copy of their valid CNIC or NTN (if not already provided) to the Company's Share Registrar, M/s. FAMCO Share Registration Services (Private) Limited.

8. PAYMENT OF CASH DIVIDEND THROUGH ELECTRONIC MODE

As per Section 242 of the Companies Act, 2017, a listed company shall pay cash dividend to its shareholders only through electronic mode directly into the bank account designated by the entitled shareholder. Therefore, the physical dividend warrants will not be issued to the Company's Shareholders. In order to receive dividend into respective bank accounts, the Shareholders are requested (if not already provided) to fill in the Dividend Mandate Form for Electronic Credit of Cash Dividend, available on the Company's website and send the duly signed form, along with a copy of CNIC & copy of cheque leaf/account maintenance certificate/any other relevant document confirming bank account title of shareholder to the Company's Share Registrar in case of physical shares. In case shares are held in the CDC/Brokerage House, Dividend Mandate Form must be directly submitted to the CDC investor account services/respective participant accounts. In case of non-receipt of information, the Company will be obliged to withhold payment of dividends to such shareholders.

9. DEDUCTION OF INCOME TAX FROM DIVIDEND UNDER SECTION 150 OF THE INCOME TAX ORDINANCE 2001

9.1 According to the provisions of the Finance Act 2026 effective July 2026, the rate of deduction of the Income Tax from dividend payments has been as follows:

- i. The Rate of Income Tax deduction for filers of the Income Tax returns is 15%
- ii. The Rate of Income Tax deduction for non-filers of Income tax returns is 30%

The Shareholders whose names are not entered into the Active Tax-payers List (ATL) on the first day of book closure available on FBR's website, despite the fact that they have filed their returns, are advised to ensure that their names be entered in ATL. Otherwise, the tax on their cash dividend will be deducted @ 30% instead of 15%.

9.2 Withholding Tax exemption from the dividend income shall only be allowed if a copy of the valid tax exemption certificate or stay order from a competent court of law is made available to the Company's Share Registrar by the first day of the book closure.

- 9.3** Withholding tax will be determined separately on 'Filer/Non-filer' status of principal shareholder as well as joint-holder(s) based on their shareholding proportions. In this regard, the Shareholders who hold the Company's shares jointly are requested to provide shareholding proportions of the principal shareholder and joint-holder(s) in respect of shares held by them (if not already provided) to the Company's Share Registrar in writing, within ten (10) days of this notice. Otherwise, it will be assumed that the shares are equally held by the principal shareholder and joint holder(s).
- 9.4** The Corporate Shareholders having CDC accounts are required to have their complete NTN updated with their respective participants, and the corporate physical shareholders are requested to send a copy of their NTN certificate to the Company's Share Registrar. The Shareholders while sending NTN or NTN certificates, as the case may be, must quote the company's name and their respective folio numbers.

10. VIDEO CONFERENCE FACILITY

Pursuant to the SECP's circular No. 10/2014, dated May 21, 2014, and Section 134(1)(b) of the Companies Act 2017, the Members can also avail video conference facility at places other than Karachi (since the AGM is scheduled to be held in Karachi); provided that the Company shall receive consent from members holding in aggregate 10% or more shareholding, residing at a geographical location, to participate in the meeting through video conference at least 10 days prior to the AGM. The Company will arrange a video conference facility in the city subject to availability of such facility in that city. In this regard, the Shareholders are requested to send duly signed Form of Video Conference Facility, available on Company's website to the Company's Share Registrar.

11. UNCLAIMED DIVIDEND AND UNDELIVERED SHARE CERTIFICATES

The Company has previously discharged its responsibility under Section 244 of the Companies Act, 2017 whereby the Company approached the Shareholders to claim their unclaimed dividends and undelivered share certificates in accordance with the law.

Shareholders, whose dividends still remain unclaimed and/or undelivered share certificates are available with the Company, are hereby once again requested to approach the Company to claim their outstanding dividend amounts and/or undelivered share certificates.

12. CONVERSION OF PHYSICAL SHARES INTO CDC ACCOUNT

The SECP through its letter No. CSD/ED/Misc./2016-639-640 dated March 26, 2021, advised listed companies to pursue shareholders holding shares in physical form for conversion of their shareholding into book-entry form in accordance with Section 72 of the Companies Act, 2017.

In continuation of the Company's earlier reminder through newspaper publication dated December 20, 2024, Shareholders who still hold shares in physical form are once again requested to convert their shareholding into book-entry form at the earliest.

13. PROCEDURE FOR E-VOTING AND POSTAL BALLOT

Pursuant to the Companies (Postal Ballot) Regulations, 2018 read with Sections 143 and 144 of the Companies Act, 2017, Members will be allowed to exercise their right of vote through postal ballot i.e. voting by post or through any electronic mode, in accordance with the requirements and procedure contained in the aforesaid Regulations if the number of directors who offer themselves to be elected will be more than the number of elected directors fixed by the Board under section 159(1) of the Companies Act, 2017.

(I) E-VOTING PROCEDURE

- (a) Details of e-voting facility will be shared through e-mail with those members of the Company who have their valid CNIC numbers, Cell Numbers and e-mail addresses available in the register of Members of the Company on the first day of book closure.
- (b) The security codes will be communicated to members through SMS from the web portal of FAMCO Share Registration Services (Private) Limited. The Company has made arrangements with FAMCO Share Registration Services (Private) Limited for provision of the e-voting facility, which will become operational in the event that the number of candidates exceeds the number of Directors fixed by the Board.
- (c) Identity of the Members intending to cast vote through e-voting shall be authenticated through electronic signature or authentication for login.
- (d) E-Voting lines will start from October 15, 2026, 17:00 hours and shall close on October 21, 2026 at 17:00 hours. Members can cast their votes any time during this period. Once the vote on a resolution is cast by a Member, he / she shall not be allowed to change it subsequently.

(II) POSTAL BALLOT

Members may alternatively opt for voting through postal ballot. The Members shall ensure that duly filled and signed ballot paper, along with copy of their CNIC, should reach the Chairman of the meeting through post on the Company's registered address, OLP Financial Services Pakistan Limited, OLP Building Plot No. 16, Sector No. 24, Korangi Industrial Area, Karachi or email with subject "Voting through Postal Ballot" at agm@olpfinance.com not later than one day before the AGM on October 21, 2026, by 5:00 pm. The signature on the ballot paper shall match the signature on CNIC. Postal Ballot Paper will be placed on the Company's website (www.olpfinance.com/investor-relations/) at least seven (7) days before the meeting.

14. APPOINTMENT OF SCRUTINIZER

Under Regulation 11 of the Companies (Postal Ballot) Regulations, 2018, the Board has appointed M/s. Grant Thornton, Anjum Rahman & Co. Chartered Accountants, a QCR rated audit firm, to act as the Scrutinizer of the Company for the purpose of election of directors in the AGM and to undertake other responsibilities as defined in Regulation 11A of the Regulations. M/s. Grant Thornton, Anjum Rahman & Co. Chartered Accountants, possesses the requisite qualification and experience to independently scrutinize the election and voting process. Further details regarding the Scrutinizer are available at www.grantthornton.pk/en/.

STATEMENT OF MATERIAL FACTS UNDER SECTION 166(3) OF THE COMPANIES ACT, 2017

This statement sets out the material facts regarding the appointment of Independent Director given at Agenda No. 4 of the Notice, intended to be transacted at the AGM.

Independent Directors

Pursuant to Section 166(3) of the Companies Act, 2017, Independent Directors will be elected through the process of election of directors in terms of Section 159 of the Companies Act, 2017. After the receipt of notice/intention to contest for elections with the Company, the Company will ensure that following criteria shall be met:

- (a) They meet the independence criteria as set out in Section 166(2) of the Companies Act, 2017;
- (b) Their names are included in the data bank maintained by Pakistan Institute of Corporate Governance (PICG) as required under section 166(1) of the Companies Act, 2017; and
- (c) They meet the eligibility criteria as provided in Regulation 4 of the Companies (Manner and Selection of Independent Directors) Regulations, 2018.

ALHAMD SHARIAH ADVISORY SERVICES

(PVT) LIMITED

Shariah Advisor's Report

For the period ended June 30, 2026

OLP Financial Services Pakistan Limited (formerly ORIX Leasing Pakistan Limited) commenced its journey in Islamic Financing in April 2011. With our guidance and consultation, OLP developed and introduced its first Shariah-compliant financial product, **Diminishing Musharakah**.

During the year under review, the Diminishing Musharakah transactions undertaken by OLP were reviewed from a Shariah perspective. Based on our review, we are satisfied that the relevant transactions were carried out in accordance with the principles and requirements of Shariah.

We further confirm that the treasury arrangements and accounting treatment relating to Diminishing Musharakah transactions were reviewed and found to be in line with the applicable Shariah requirements.

We pray to Almighty Allah to accept the efforts of OLP Financial Services Pakistan Limited in promoting Islamic Finance and to grant the Company continued guidance, growth and success in its Shariah-compliant operations.

For and on behalf of Alhamd Shariah Advisory Services (Pvt.) Ltd.

Mufti Muhammad Ibrahim Essa
CEO & Director

INDEPENDENT AUDITOR'S REPORT

To the members of OLP Financial Services Pakistan Limited

Report on the Audit of the Unconsolidated Financial Statements

Opinion

We have audited the annexed unconsolidated financial statements of **OLP Financial Services Pakistan Limited** (the Company), which comprise the unconsolidated statement of financial position as at 30 June 2026, and the unconsolidated statement of profit or loss, the unconsolidated statement of other comprehensive income, the unconsolidated statement of changes in equity, the unconsolidated statement of cash flows for the year then ended, and notes to and forming part of the unconsolidated financial statements, including a summary of material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, the unconsolidated statement of profit or loss, the unconsolidated statement of other comprehensive income, the unconsolidated statement of changes in equity, and the unconsolidated statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of Company's affairs as at 30 June 2026 and of the profit and loss and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the unconsolidated financial statements for the current period. These matters were addressed in the context of our audit of the unconsolidated financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

KPMG Taseer Hadi & Co.

Following is the key audit matter:

S. No.	Key audit matter	How the matter was addressed in our audit
1.	Allowance for Expected Credit Loss (ECL) against Loans and finances and Net investment in finance lease (Refer notes 3.3, 3.8.5, 7, 8, 13, 14 and 36 to the unconsolidated financial statements)	
	As at 30 June 2026, the Company maintained allowance for ECL of Rs 602.54 million under the requirements of accounting and reporting standards as applicable in Pakistan against net investment in finance lease, loans and finances and has recognized a gross charge of Rs 189.04 million and gross reversal of Rs 204.01 million during the year. The Company recognizes allowance for ECL against net investment in finance lease and loans and finance under the requirements of IFRS 9. The simplified approach is used to determine ECL on net investment in finance lease. Under this approach, lifetime ECL is measured by grouping financial assets according to the number of days they are past due. The general approach is used to determine ECL on loans and finances. Under this approach, a lifetime ECL is recognized for loans and finances that have experienced a significant increase in credit risk (SICR) since initial recognition, as well as for those that are credit-impaired as of the reporting date. A 12-month ECL is	Our audit procedures in this area included, among others: • Obtaining an understanding of the relevant controls established by the Company over the ECL process to identify loss events and for determining the extent of allowance for ECL required against Loans and finances and Net investment in finance lease balances. • We performed the following procedures: - assessing the appropriateness of the ECL methodologies for compliance with accounting and reporting standards as applicable in Pakistan; - assessing the reasonableness of macro- economic variable and economic forecasts by comparing these to external sourced data extracted; and - performing independent testing of the ECL allowance on a sample basis. • Assessing the relevance and completeness of the key inputs into the

KPMG Taseer Hadi & Co.

S. No.	Key audit matter	How the matter was addressed in our audit
	recognized for loans and finances that have not experienced a SICR and are not considered credit-impaired as of the reporting date. The estimation of ECL involves significant judgement. The key areas which are subject to management judgement in the estimation of ECL are: - determination of staging of loans including determining whether the credit risk has increased significantly and credit impairment events have occurred; and - the determination of key parameters used in the ECL model including probability of default (PD), loss given default (LGD), and forward-looking information. Due to the significance of ECL and the significant judgements and estimation exercised by management in estimating ECL, we considered the area of ECL as a key audit matter.	allowance for ECL calculations. - Checking mathematical accuracy of the model. - Assessing the appropriateness of SICR criteria applied by the Company by evaluating the consistency of SICR criteria and staging methodology with accounting and reporting standards as applicable in Pakistan. - Evaluating the adequacy of unconsolidated financial statement disclosures, around allowance for ECL as required by the accounting and reporting standards as applicable in Pakistan.

Information Other than the Unconsolidated Financial Statements, Consolidated Financial Statements and Auditor's Reports thereon

Management is responsible for the other information. The other information comprises of Review Report by the Chairman and Directors' report but does not include the unconsolidated financial statements, consolidated financial statements and our auditor's reports thereon.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to

KPMG Taseer Hadi & Co.

read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors of Company for the Unconsolidated Financial Statements

Management of the Company is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017, and for such internal control as management of the Company determines is necessary to enable the preparation of the unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management of the Company is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management of the Company either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Company are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

KPMG Taseer Hadi & Co.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management of the Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of directors of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of directors of the Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of directors of the Company, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);

KPMG Taseer Hadi & Co.

- b) the unconsolidated statement of financial position, the unconsolidated statement of profit and loss, the unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity and the unconsolidated statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year by the Company were for the purpose of the Company's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is **Muhammad Taufiq**.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

1 LEGAL STATUS AND OPERATIONS

OLP Financial Services Pakistan Limited ("the Company") was incorporated in Pakistan as a private limited company on July 01, 1986 under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017) and was converted into a public limited company on December 23, 1987. The Company is listed on the Pakistan Stock Exchange Limited and is licensed to carry out Investment Finance Services as a Non-Banking Finance Company (NBFC) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 issued by the Securities and Exchange Commission of Pakistan (SECP).

The registered office of the Company is situated at OLP Building, Plot No. 16, Sector No. 24, Korangi Industrial Area, Karachi. The Company is operating through 30 branches (June 30, 2025: 31 branches).

VIS Credit Rating Company Limited has assigned a long-term rating of AAA and a short-term rating of A1+ to the Company on September 11, 2026.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These unconsolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- IFRS Accounting Standards issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
- Provisions of, directives and notifications issued under the Companies Act, 2017; and
- Provisions of, directives and notifications issued under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations).

Whenever the requirements of the Companies Act, 2017, the NBFC Rules or the NBFC Regulations or the directives and notifications issued by the SECP differ with the requirements of IFRS Accounting Standards or IFAS, the requirements of the Companies Act, 2017, the NBFC Rules, the NBFC Regulations, the said directives and notifications, shall prevail.

- ### 2.2
- Islamic Financial Accounting Standard (IFAS) 2 'Ijarah' issued by the Institute of Chartered Accountants of Pakistan was adopted by the SECP vide SRO 431(1)/ 2007 dated May 22, 2007. Under IFAS 2, the Ijarah transactions are accounted for in the following manner:

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- Muj'ir (Lessors) presents the assets subject to Ijarah in their statement of financial position according to the nature of the asset. The Mustajir is required to distinguish these Ijarah assets from the assets in own use.
- Costs, including depreciation on the assets given on Ijarah, incurred in earning the Ijarah income are recognised as expenses.
- Ijarah income is recognised in income on an accrual basis as and when the rental becomes due, unless another systematic basis is more representative of the time pattern in which the benefit of the use derived from the leased asset is diminished.

2.3 Basis of measurement

These unconsolidated financial statements have been prepared under the historical cost convention except for the following:

- Leasehold land and office building are stated at revalued amounts;
- Right-of-use assets and related lease liability measured at present value;
- Certain investments are stated at fair value; and
- Obligation in respect of staff gratuity is measured at present value of the defined benefit obligation.

2.4 Functional and presentation currency

These unconsolidated financial statements are presented in Pakistan Rupee, which is the Company's functional and presentation currency.

2.5 Use of Judgment and Estimates

The preparation of these unconsolidated financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years.

The areas where various assumptions and estimates are significant to the Company's unconsolidated financial statements or where judgments were exercised in the application of accounting policies are as follows:

- (a) determination of the depreciation method, residual values and useful lives of property and equipment - own use (notes 3.1 and 5);
- (b) determination of expected credit loss / provision against leases, loans and finances (notes 3.8.5 and 36);

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- (c) determination of classification, valuation and impairment of financial assets (notes 3.8, 15, 36 and 37);
- (d) classification of investment in subsidiary and investment in associate (note 3.5, 3.6, 9 and 10);
- (e) classification and valuation of assets classified as held for sale (notes 3.4 and 19);
- (f) recognition of taxation and deferred tax (notes 3.12, 39 and 24);
- (g) valuation for defined benefit obligation (notes 3.13 and 12);
- (h) valuation of leasehold land and office building (notes 3.1.1 and 21);
- (i) impairment of non-financial assets (note 3.7); and
- (j) contingencies (note 3.11, 30 & 39.3).
- (k) classification of investments in associates (note 3.6 and 10)

2.6 Standards, interpretations and amendments to published approved accounting and reporting standards that are effective in the current year:

2.6.1 There are certain amendments to the published approved accounting and reporting standards that are mandatory for the Company's annual accounting period beginning on July 01, 2025. However, these are not considered to be relevant or do not have any material effect on the Company's unconsolidated financial statements and hence, therefore, have not been disclosed in these unconsolidated financial statements.

2.7 Standards, interpretations and amendments to the published accounting and reporting standards that are not yet effective:

2.7.1 The following accounting and reporting standards as applicable in Pakistan and the amendments and interpretations thereto will be effective for accounting periods beginning on or after July 01, 2026:

Standards and amendments	Effective date (accounting periods beginning on or after)
i) Amendments to the Classification and Measurement of Financial Instruments – Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures:	January 01, 2026
ii) Annual Improvements to IFRS Accounting Standards – Amendments to: - IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7; - IFRS 9 Financial Instruments; - IFRS 10 Consolidated Financial Statements; and - IAS 7 Statement of Cash flows.	January 01, 2026
iii) Contracts Referencing Nature-dependent Electricity - (Amendments to IFRS 9 and IFRS 7)	January 01, 2026
iv) Hyperinflationary presentation currency - (Amendments to IAS 21)	January 01, 2027

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

v) Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28)	Not yet decided
vi) IFRS 18 Presentation and Disclosure in Financial Statements	January 01, 2027
vii) IFRS S1 - General Requirements for Disclosure of Sustainability-related Financial Information and IFRS S2 - Climate-related Disclosures*	December 31, 2026

* The Company formally falls under Phase III (effective July 01, 2027).

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these unconsolidated financial statements are set out below. These policies have been consistently applied to all the years presented in these unconsolidated financial statements, except as disclosed in note 4.

3.1 Property and equipment

3.1.1 Own use and capital work in progress

Recognition and measurement

Items of property and equipment (except land and office building) are measured at cost less accumulated depreciation and any accumulated impairment losses. Leasehold land and office building are carried at revalued amounts less accumulated depreciation and subsequent impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the asset.

Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

Depreciation

Depreciation is charged on cost of items of property and equipment less their estimated residual values using straight-line method over their estimated useful lives as specified in note 5.1, and is recognised in unconsolidated statement of profit or loss. The carrying value of leasehold land is depreciated over its lease term. Depreciation on additions during the year is charged from the date on which the asset is available for use whereas, in case of disposals, depreciation is charged up to the date of disposal of the asset.

Accounting treatment and presentation of revaluation of leasehold land and office building is in conformity with IAS 16 'Property, Plant and Equipment'. Revaluation surplus on Property and equipment is presented in the unconsolidated statement of financial position and unconsolidated statement of changes in equity as a capital reserve.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Revaluation surplus

An increase arising on revaluation is credited to the surplus on revaluation of leasehold land and office building. A decrease arising on revaluation of leasehold land and office building is adjusted against the surplus of that asset or, if no surplus exists, is charged to the unconsolidated statement of profit or loss as an impairment of the asset. A surplus arising subsequently on an impaired asset is reversed through the unconsolidated statement of profit or loss up to the extent of the original impairment. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to the unconsolidated statement of profit or loss and depreciation based on the asset's original cost, net of deferred taxation, is reclassified from revaluation surplus on leasehold land and office building to unappropriated profit.

An asset's carrying amount is written down immediately to its recoverable amount if the carrying amount is greater than its estimated recoverable amount.

Disposal

Gains / losses on disposal of property and equipment, if any, are taken to the unconsolidated statement of profit or loss in the year in which these arise except that the related surplus on revaluation of leasehold land and office building (net of deferred taxation) is transferred directly to unappropriated profit.

Method / Useful life / Residual value

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted, where appropriate. Any change in depreciation method, useful life or residual value is accounted for as a change in accounting estimate in accordance with IAS 8 – Accounting Policies, Changes in Accounting Estimates and Errors.

Capital work-in-progress

Capital work-in-progress is stated at cost less impairment loss, if any and consists of expenditure incurred (including any borrowing cost, if applicable) and advances made in the course of their construction and installation. Transfers are made to relevant asset category as and when assets are available for intended use

3.1.2 Leases

As a lessee

The Company enters into agreements to lease premises for certain branches. Rental contracts are typically for a period of 3 years and may have renewal options. At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received

The right-of-use asset is subsequently depreciated under the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using incremental borrowing rate

The Company determines its incremental borrowing rate by obtaining interest rates from various external financing sources.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost under the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in unconsolidated statement of profit or loss if the carrying amount of the right-of-use asset has been reduced to nil.

Short-term leases and leases of low-value assets

There are certain leases of premises with lease term of twelve months or less. As per IFRS 16, recognition exemption of "short-term lease" and "lease of low value assets" has been applied for these leases.

3.2 Intangible assets

Recognition and measurement

i) Research and development

- Expenditure on research activities is recognised in the unconsolidated statement of profit or loss as incurred.
- Development expenditure is capitalised only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and to use or sell the asset. Otherwise, it is recognised in the unconsolidated statement of profit or loss as incurred. Subsequent to initial recognition, development expenditure is measured at cost less accumulated amortisation and any accumulated impairment losses.

ii) Other intangible assets

Intangible assets that are acquired by the Company and have finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses, if any.

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in statement of profit or loss as incurred.

Amortisation

Amortisation is charged on the cost of intangible assets under the straight-line method over their estimated useful lives, and is recognised in unconsolidated statement of profit or loss. Amortisation on additions during the year is charged from the date on which the asset is available for use, whereas, in case of disposals, amortisation is charged up to the date of disposal of the asset.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Useful life

Amortisation useful lives are reviewed at each reporting date and adjusted if appropriate.

Gain / loss on disposal of intangible assets, if any, are taken to the unconsolidated statement of profit or loss in the year in which it arises.

3.3 Net investment in finance lease

Leases in which the Company transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. Upon commencement, a lease receivable is recognised at an amount equal to the net investment in the lease, which comprises present value of the lease payments and any unguaranteed residual value accruing to the lessor. The present value is calculated by discounting the lease payments and any unguaranteed residual value, at the interest rate implicit in the lease. The "net investment in finance lease" included in the unconsolidated financial statements is recorded net of adjustable security deposit and the security deposit is initially measured at fair value (i.e., present value of repayment) and subsequently carried at amortised cost. Security deposits received under finance lease arrangements are classified as financial liabilities. Where the lease agreement contractually requires such deposits to be adjusted against the residual value of the leased asset at the end of the lease term, the deposits are offset against the estimated residual value in measuring the net investment in the lease.

3.4 Assets classified as held for sale

The Company classifies a non-current asset as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use.

A non-current asset classified as held for sale is carried at the lower of its carrying amount and the fair value less costs to sell. Impairment losses are recognised through the unconsolidated statement of profit or loss for any initial or subsequent write down of the non-current asset to fair value less costs to sell. Subsequent gains in fair value less cost to sell are recognised to the extent these do not exceed the cumulative impairment losses previously recorded. A non-current asset is not depreciated while classified as held for sale.

3.5 Investment in subsidiaries

Subsidiary is an entity over which the Company has control. Investments in subsidiary is carried at cost less accumulated impairment losses, if any. The carrying amount of investments in subsidiaries is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists the investment's recoverable amount is estimated at higher of its value in use and its fair value less cost to sell. An impairment loss is recognized if the carrying amount exceeds its recoverable amount. Impairment losses are recognized in unconsolidated statement of profit or loss.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.6 Investment in an associate

Associates are those entities in which the Company has significant influence, but not control, over the financial and operating policies.

Interests in associates are accounted for under the equity method. They are initially recognised at cost, which includes transaction costs. Subsequent to initial recognition, the unconsolidated financial statements includes the Company's share of the profit or loss and other comprehensive income of equity accounted investees, until the date on which significant influence.

Intra-group balances and transactions, and any unrealised income and expenses (except for foreign currency transaction gains or losses) arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity-accounted investees are eliminated against the investment to the extent of the Company's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

3.7 Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of an asset or CGU is the higher of its value in use and its fair value less costs of disposal. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount. Impairment losses are recognised in unconsolidated statement of profit or loss.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.8 Financial assets and financial liabilities

3.8.1 Recognition and initial measurement

The Company initially recognises loans and leases, certificates of deposit, debt securities issued and borrowings on the date on which they are originated. All other financial instruments (including regular-way purchases and sales of financial assets) are recognised on the trade date, which is the date on which the Company becomes a party to the contractual provisions of the instrument.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

A financial asset or financial liability is measured initially at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue. The fair value of a financial instrument on initial recognition is generally its transaction price.

3.8.2 Classification

Financial assets

On initial recognition, a financial asset is classified as measured at: amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- i) the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- i) the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

On initial recognition, equity instruments are measured at fair value and subsequently at FVTPL, unless the Company irrevocably elects to present subsequent changes in fair value in other comprehensive income (OCI).

All other financial assets are classified as measured at FVTPL.

In addition, on initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise

Business model assessment

The Company makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- i) the stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- ii) how the performance of the portfolio is evaluated and reported to the Company's management;
- iii) the risks that affect the performance of the business model (and the financial assets held within that business model) and its strategy for how those risks are managed;
- iv) how managers of the business are compensated (e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected); and
- v) the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Company's stated objective for managing the financial assets is achieved and how cash flows are realised.

Assessment of whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Company considers:

- i) contingent events that would change the amount and timing of cash flows;
- ii) leverage features;
- iii) prepayment and extension terms;
- iv) terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse loans); and
- v) features that modify consideration of the time value of money (e.g. periodical reset of interest rates).

Reclassifications

Debt instruments are not reclassified subsequent to their initial recognition, except in the period after the Company changes its business model for managing financial assets.

3.8.3 Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

On derecognition of a financial asset, the difference between the carrying amount of the asset and the consideration received any cumulative gain or loss that had been recognised in statement of comprehensive income is recognised in statement of profit or loss.

Any cumulative gain or loss recognised in OCI in respect of equity investment securities designated as at FVOCI is not recognised in the unconsolidated statement of profit or loss on derecognition of such securities.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged, cancelled or expired.

3.8.4 Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the unconsolidated statement of financial position when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. Income and expenses are presented on a net basis only when permitted under IFRS Accounting Standards.

3.8.5 Impairment

The Company recognises loss allowances for ECL on the following financial instruments that are not measured at FVTPL:

- Bank balances
- Net investment in finance lease; and
- Loans and finances.

No impairment loss is recognised on equity investments.

The Company applies IFRS 9 simplified approach for net investment in finance lease, and general approach for loan losses and bank balances, to determine ECL.

Loss allowances for lease receivables are always measured at an amount equal to lifetime ECL.

A lifetime ECL is recorded on loans in which there has been a Significant Increase in Credit Risk (SICR) from the date of initial recognition and on loans which are credit impaired as on the reporting date.

A 12 months ECL is recorded for loans which do not meet the criteria for SICR or "credit impaired" as at the reporting date.

12-month ECL are the portion of lifetime ECL that result from default events on a financial instrument that are possible within the 12-months after the reporting date. Financial instruments for which 12-month ECL are recognised are referred to as "Stage 1 financial instruments". Financial instruments allocated to Stage 1 have not undergone a significant increase in credit risk since initial recognition and are not credit-impaired.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Lifetime ECL are the ECL that result from all possible default events over the expected life of the financial instrument or the maximum contractual period of exposure. Financial instruments for which lifetime ECL are recognised but that are not credit-impaired are referred to as 'Stage 2 financial instruments'. Financial instruments allocated to Stage 2 are those that have experienced a significant increase in credit risk since initial recognition but are not credit-impaired.

Financial instruments for which lifetime ECL are recognised and that are credit-impaired are referred to as 'Stage 3 financial instruments'.

Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows:

- financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the company expects to receive);
- financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows.

When discounting future cash flows, the following discount rates are used:

- financial assets other than lease receivables: the original effective interest rate or an approximation thereof;
- lease receivables: the discount rate used in measuring the lease receivable;

Significant Increase in Credit Risk (SICR)

As per IFRS 9, there is a rebuttable presumption that credit risk on a financial asset has increased significantly when contractual payments are more than 30 days past due. The Company has not rebutted this presumption, and exposures overdue by more than 30 days are classified as Stage II with lifetime expected credit losses (ECL) recognized.

The Company's Credit Department also conducts periodic analysis of all sectors with outstanding exposure based on market reports, PACRA and VIS reports, and relevant news or regulatory developments. Sectors showing increased risk since the last review, or consistently classified as high risk, are flagged, and all customers in these sectors are subjected to a detailed qualitative and quantitative review to assess SICR.

Credit-impaired financial assets

At each reporting date, the company assesses whether financial assets carried at amortised cost and finance lease receivables are credit-impaired (referred to as 'Stage 3 financial assets'). A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past-due event;
- the restructuring of a loan or advance by the company on terms that the company would not consider otherwise; or
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation.

In line with IFRS 9, default is presumed not to occur later than 90 days past due. The Company applies this backstop and treats exposures past due by more than 90 days as in default.

The Company has performed an ECL assessment considering the following key elements:

- Probability of Default (PD): Probability represents the likelihood that a counterparty will default within the next 12 months (12-month ECL, Stage 1) or over the remaining lifetime of the financial instrument (lifetime ECL, Stage 2). The company employs a Roll Rate/Transition Matrix model to analyze monthly migration of obligors across Days Past Due (DPD) buckets, defined in 30-day intervals, based on historical data. These through-the-cycle PDs are then adjusted to point-in-time PDs using the Vasicek Distribution Framework, which incorporates forward-looking macroeconomic variables such as Pakistan's Gross Domestic Product (GDP) and Consumer Price Index (CPI).
- Exposure at Default (EAD): The outstanding principal and accrued markup as of the reporting date, with repayment schedules generated to estimate exposure over the contractual life of each facility. For assets in Stage 1, EAD is limited to the next 12 months unless a significant increase in credit risk (SICR) is identified, in which case lifetime EAD is considered.
- Loss Given Default (LGD): LGD represents the estimated loss arising on a facility upon default and is calculated as the difference between contractual cash flows due and expected recoveries. OLP determines LGD by asset type using vintage analysis of historical recoveries, discounted using effective interest rate applicable to each exposure. The segmentation reflects the underlying collateral (e.g., vehicles, machinery), and recoveries are adjusted for the time value of money.

Presentation of allowance for Expected Credit Loss in the Statement of Financial Position

Loss allowances are presented as a deduction from the gross carrying amount of financial assets measured at amortised cost.

3.8.6 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Company commits to purchase or sell the asset.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.8.7 Write-offs

Loans and leases are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Recoveries of amounts previously written off are recognised when cash is received and are included in 'Allowance of ECL on financial instruments' in the unconsolidated statement of profit or loss. A financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

3.9 Financial liabilities

Financial liabilities are recognised at the time the Company becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value less any directly attributable transaction cost.

Financial liabilities are subsequently measured at amortised cost except for:

- Financial liabilities at fair value through profit and loss; and
- Financial liabilities arising from the transfer of financial assets which do not qualify for derecognition, whereby a financial liability is recognised for the consideration received for the transfer.

3.9.1 Derecognition

Financial liabilities are derecognised at the time when these are extinguished i.e. when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is taken to the unconsolidated statement of profit or loss.

3.10 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.11 Contingent liabilities

A contingent liability is disclosed when the Company has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arise from past events but it is not probable that an outflow of resources embodying benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. The Company, based on the availability of the latest information, estimates the value of contingent liabilities which may differ on the occurrence / non-occurrence of the uncertain future event(s).

3.12 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the unconsolidated statement of profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity through other comprehensive income.

Current

Provision for current taxation is based on taxable income for the year at the current rate of taxation after taking into account applicable tax credits, rebates and exemptions available, if any. Tax charge for the current year is determined in accordance with the prevailing laws for taxation. The charge for the current tax also includes adjustments relating to prior year(s), if necessary, arising from assessments finalised during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities used for financial reporting purposes and amounts used for taxation purposes. In addition, the Company also records deferred tax asset on available tax losses, if any. Deferred tax is calculated using the rates that are expected to apply to the year when the differences reverse based on tax rates that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefits will be realised.

The Company also recognises deferred tax asset / liability on deficit / surplus on revaluation of securities / Property and equipment / foreign currency translation reserves which is adjusted against the related deficit / surplus in accordance with the requirements of International Accounting Standard (IAS) 12 Income Taxes.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Levy

In accordance with Income Tax Ordinance, 2001 (Ordinance), computation of final taxes is not based on taxable income. Therefore, as per IAS 12 Application Guidance on Accounting for Minimum Taxes and Final Taxes issued by the Institute of Chartered Accountants of Pakistan (ICAP), these fall within the scope of IFRIC 21 / IAS 37.

Group Taxation

The Company has opted for Group taxation under section 59AA of the Ordinance, with its subsidiary, OLP Services Pakistan (Private) Limited. The current and deferred income taxes have been estimated on income of each of the companies according to the applicable law.

3.13 Staff retirement benefits

(a) Defined contribution plan

The Company operates a recognised contributory Provident Fund Scheme (the Fund) for all its permanent employees who have completed the minimum qualifying period in accordance with the HR policy. The Fund is administered by a Board of Trustees. Equal monthly contributions to the Fund are made both by the Company and by the employees at the rate of 10% of basic salary. Obligations for contributions to defined contribution plan are expensed as the related service is provided and recognised as personnel expenses in unconsolidated statement of profit or loss. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(b) Defined benefit plan

The Company operates an approved funded gratuity scheme covering all permanent employees who have completed the minimum qualifying period of three years of service under the scheme. The scheme is administered by a Board of Trustees and contributions therein are made in accordance with the actuarial recommendations. The valuation in this regard is carried out at each reporting date.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary under the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in consolidated statement of comprehensive income. The Company determines the net interest expense / (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability / (asset), taking into account any changes in the net defined benefit liability / (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in personnel expenses in consolidated statement of profit or loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the consolidated statement of comprehensive income when these occur with no subsequent transfer through the consolidated statement of profit or loss.

3.14 Foreign currency

Foreign currency transactions

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Foreign currency differences are generally recognised in consolidated statement of profit or loss.

Foreign currency operations

The assets and liabilities of foreign operations are translated into PKR at the exchange rates at the reporting date. The income and expenses of foreign operations are translated into PKR at the exchange rates at the dates of the transactions. Foreign currency differences are recognised in consolidated statement of comprehensive income and accumulated in the foreign currency translation reserve.

When a foreign operation is disposed of in its entirety or partially such that significant influence is lost, the cumulative amount in the translation reserve related to that foreign operation is reclassified to consolidated statement of profit or loss as part of the gain or loss on disposal.

3.15 Revenue recognition

3.15.1 i) Finance leases

The Company follows the 'financing method' in accounting for finance lease. The total unearned finance income i.e. the excess of aggregate instalment contract receivables plus residual value over the cost of the leased asset is deferred and amortised over the term of the lease, so as to produce a systematic return on the net investment in finance lease using effective interest rate.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

ii) Loans and finances

Income on loans and finances is recognised using effective interest rate method taking into account the principal outstanding and applicable rates of interest / return thereon.

Effective interest rate

The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset

When calculating the effective interest rate for financial instruments other than purchased or originated credit-impaired assets, the Company estimates future cash flows considering all contractual terms of the financial instrument, but not ECL.

The calculation of the effective interest rate includes transaction costs and fees and points paid or received that are an integral part of the effective interest rate. Transaction costs include incremental costs that are directly attributable to the acquisition of a financial asset.

Amortised cost and gross carrying amount

The 'amortised cost' of a financial asset is the amount at which the financial asset is measured on initial recognition minus the principal repayments, plus or minus the cumulative amortisation under the effective interest method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance. The 'gross carrying amount of a financial asset' is the amortised cost of a financial asset before adjusting for any expected credit loss allowance.

Calculation of interest income

The effective interest rate of a financial asset is calculated on initial recognition of a financial asset. In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit impaired). The effective interest rate is revised as a result of periodic re-estimation of cash flows of floating-rate instruments to reflect movements in market rates of interest.

However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated as disclosed in note 4.

3.15.2 Return on investments

Return on debt securities is recognised using the effective interest method.

Return on deposit accounts is recognised on accrual basis.

Dividend income from investments is recognised when the Company's right to receive the dividend is established.

Gain / loss on sale of investments is recognised in the year in which it arises.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.15.3 Others

Other income is recognised on receipt basis.

3.16 Proposed dividend and transfer between reserves

Dividends declared and transfers between reserves, except appropriations which are required by law, made subsequent to the reporting date are considered as non-adjusting events and are recognised in the unconsolidated financial statements in the year in which such dividends are declared / transfers are made.

As per regulation 16 of Non-Banking Finance Companies and Notified Entities Regulations, 2008, an NBFC is required to transfer 20% of its profit after tax to a statutory reserve until the amount of the reserves equals the paid up capital. Thereafter, 5% of the profit after tax is required to be transferred to this reserves. Accordingly, the Company has transferred 5% of its profit after tax to the statutory reserves for the year ended June 30, 2026 and June 30, 2025.

3.17 Cash and cash equivalents

Cash and cash equivalents for the purposes of the unconsolidated statement of cash flows include cash and bank balances and short term running finance facilities that form an integral part of the Company's cash management

3.18 Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the Company's other components. The Company has two primary operating segments for reporting purposes namely finance lease and loans and finances

Operating segments are reported in a manner consistent with the internal reporting structure. The management monitors the operating results of its business units separately for the purpose of making decisions regarding resources allocation and performance assessment. Segment results, assets and liabilities include items directly attributable to the segment as well as those that can be allocated on a reasonable basis. Those assets and liabilities which cannot be allocated to a particular segment on a reasonable basis are reported as unallocated assets and liabilities

3.19 Commitments

Commitments are disclosed in the unconsolidated financial statements at committed amounts

4 Revenue recognition on credit-impaired contracts

During the year, the Company obtained an exemption from the Securities and Exchange Commission of Pakistan (SECP) from the requirements of IFRS 9 relating to the recognition of mark-up income on credit-impaired contracts. Under the exemption, the Company is allowed to suspend recognition of mark-up income on credit-impaired contracts until such income is actually realized in cash.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Previously, the Company followed the requirements of IFRS 9, whereby mark-up income on credit-impaired contracts was accrued by applying the effective interest rate to the amortized cost (i.e. principal outstanding less provision).

Accordingly, mark-up income previously recognized on credit-impaired contracts has been reversed in accordance with the terms of the exemption granted by SECP. As the impact of the change is immaterial, amounting to Rs. 20.06 million, net of tax, the effect has been recognized in the current year.

The impact relating to June 30, 2025 and prior periods recognized in the current year is as follows:

	(Rupees)
Decrease in mark-up income on loans and leases - net	(42,069,372)
Expected credit loss / provision for lease, loans and finances - net	4,027,352
	(38,042,020)
Taxation	17,977,722
	(20,064,298)

5.1.1 The leasehold land and building of the Company were revalued by M/s. Surval (Private) Limited (an independent professional valuer) on June 30, 2026 on the basis of professional assessment of the present market values which resulted in an increase in surplus on revaluation by Rs. 230 million. The details are mentioned in note 48.

The current forced sales value of leasehold land and office building amounted to Rs. 929.47 million.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Summary of the fair value as determined by the valuer on June 30, 2026 is as follows:

Address	Market value			Forced sale value
	Land	Building	Total	
	----- Rupees -----			
Plot No. 16, Sector No. 24, Korangi Industrial Area	780,039,000	160,134,400	940,173,400	752,138,720
Plot No. 49, Sector No. 24, Korangi Industrial Area	215,534,000	6,135,700	221,669,700	177,335,760
	995,573,000	166,270,100	1,161,843,100	929,474,480

Particulars of land and building are included in note 5.1.4.

Had the revaluation not been carried out, costs, accumulated depreciation and written down value of leasehold land and office building thereon would have been as follows:

	2026		
	Cost	Accumulated depreciation	Net book value
----- Rupees -----			
Leasehold land	54,399,300	12,769,790	41,629,510
Office building	76,781,580	61,425,255	15,356,325
	<u>131,180,880</u>	<u>74,195,045</u>	<u>56,985,835</u>

	2025		
	Cost	Accumulated depreciation	Net book value
----- Rupees -----			
Leasehold land	54,399,300	12,159,374	42,239,926
Office building	76,781,580	57,586,179	19,195,401
	<u>131,180,880</u>	<u>69,745,553</u>	<u>61,435,327</u>

5.1.2 Included in the cost of property and equipment - own use are fully depreciated items which are still in use aggregating to Rs. 322.77 million (June 30, 2025: Rs. 315.17 million).

5.1.3 Details of property and equipment - own use disposed of during the year are as follows:

8.3 These represent vehicle financing facilities provided to individual and corporate customers on mark-up basis. The mark-up on these finances ranges from 14.64% to 34.00% (June 30, 2025: 15.24% to 35.00%) per annum. These finances are repayable within a period of upto 6 years (June 30, 2025: upto 5 years) and are secured against charge over vehicles and personal guarantees.

8.4 These represent long-term micro finance facilities provided to individuals on mark-up basis. The mark-up on these loans ranges from 30% to 35% (June 30, 2025: 22.00% to 44.80%) per annum. These finances are repayable within a period of 1.25 to 2 years (June 30, 2025: 1.25 to 2 years) and are secured against personal guarantees.

8.5 These represent term finance facilities provided to commercial business customers on mark-up basis. The mark-up on these finances ranges from 18.71% to 19.17% (June 30, 2025: 15.21% to 24.00%) per annum. These finances are repayable within a period of upto 4 years (June 30, 2025: upto 4 years) and are secured against business assets. Additional collateral in form of property mortgage and personal guarantees are also obtained.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

8.6 These represent musharikah finance facilities provided to customers. The profit rate on these finances ranges from 14.68% to 19.50% (June 30, 2025: 16.16% to 19.50%) per annum. The facilities have a repayment term of upto 5 years (June 30, 2025: upto 5 years) and are secured by assets subject to musharikah agreement.

8.7 These represent loans given to staff in accordance with the terms of the Company's HR policy and include house loans which are repayable within a period of 20 years or retirement date, whichever is earlier. House loans are secured against equitable mortgage on the property by deposit of title documents of the property with the Company and carry mark-up rate ranging from 4% to 6.77% (June 30, 2025: 4% to 17.73%) per annum.

Loans (other than house loans) carry mark-up rates ranging from 5% to 23.55% (June 30, 2025: 5.00% to 23.55%) per annum. These are secured against retirement benefits and are repayable within a period of five years.

Maximum amount outstanding at the end of any month during the year against loans to the key management personnel and other executives was Rs. 148.7 million (June 30, 2025: Rs. 162.3 million).

8.8 These represent long-term finance facilities provided to farmers on mark-up basis. The rates of return on these loans range from 21.00% to 35.00% (June 30, 2025: 15.00% to 35.00%) per annum. These loans are repayable within a period of 2 years (June 30, 2025: within a period of 2 years) and are secured against title documents of the immovable properties.

8.9 As per Regulation 25(A) of the NBFC Regulations, NBFCs with micro finance portfolio are required to maintain a general provision equivalent to 0.5% of the net outstanding micro finance portfolio (net of specific provisions).

Balance at the end of the year		1,753,135,634	1,775,618,949

10.1.4 The carrying value of investment in associate in foreign currency is SAR 23.7 million (June 30, 2025: SAR 23.5 million).

10.2 The Company holds 45% (June 30, 2025: 45%) ownership interest in OPP (Private) Limited. During 2014, the Board of Directors of the Company approved divestment of the Company's entire investment in OPP. The sales negotiations for disposal of investment in OPP were held with a minority shareholder of OPP and a Share Purchase Agreement (SPA) was signed by all the parties in July 2014. However, the minority shareholder had failed to comply with the terms of the SPA and initiated legal proceedings to restrict the Company from managing the affairs of OPP. The Company has also filed a reference in the Lahore High Court to allow the Company to buy out the minority stakeholder in OPP or to wind up OPP which is pending to date. As the matter is under litigation and due to limited availability of financial information, the investment has been fully impaired.

10.3 The Company holds a 16.87% (June 30, 2025: 23%) ownership interest in SAMA Finance SAE (SAMA). In February 2019, the Board of Directors approved the divestment of this investment. The Company's contractual right to nominate 2 out of 11 directors on SAMA board member enables it to participate in and influence its key financial and operational decisions. Accordingly, SAMA is classified as an investment in associate. The Company engaged in sale negotiation for disposal, signed a Sale Purchase Agreement (SPA) on October 17, 2019. Although the long stop date of the agreement expired in May 2022 without an extension, the Board reaffirmed their intention to sell in April 2023. The investment has been fully impaired due to hampered profits, using the present value valuation method.

12 DEFINED BENEFIT PLAN ASSET - STAFF GRATUITY

12.1 General description

The Company operates a funded gratuity scheme which was established under the provisions of the Trust Deed dated July 01, 2004 for its permanent staff who have completed the minimum qualifying period of three years of service under the scheme. In view of promulgation of Sindh Trust Act, 2020 (the Act), the Company and the trustees of the fund has registered the original trust deed and rules under the Act in September 2022. The funded scheme is administered by the Board of Trustees in accordance with the provisions of the Trust Deed. Contributions therein are made in accordance with actuarial recommendations. The most recent valuation in this regard was carried out as at June 30, 2026 using the Projected Unit Credit Method.

12.2 Principal actuarial assumptions

- Discount rate
- Expected short term salary increase rate
- Expected long term salary increase rate
- Expected rate of return on plan assets
- Average service years

2026	2025
11.75%	12.25%
12.50%	10.00%
11.50%	11.75%
11.69%	16.12%
13.55	13.67

Assumptions regarding future mortality are set based on actuarial advice in accordance with published statistics and experience in Pakistan. The rates assumed are based on the SLIC (2001 - 2005) -1 ultimate mortality tables rated down one year.

12.3 The amount recognised in the unconsolidated statement of financial position is as follows:

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

12.10 Actual return on plan assets during the year amounted to Rs. 45.56 million (June 30, 2025: Rs. 64.08 million).

12.11 Based on the actuarial advice, the Company intends to charge an amount of approximately Rs. 19.09 million in respect of contribution to gratuity fund in the unconsolidated financial statements for the year ending June 30, 2027.

12.12 The Fund is exposed to a number of risks, the most significant of which are detailed below:

Mortality risk	This is the risk that the actual mortality experience is different from what was initially expected. The effect depends on the beneficiaries' service / age distribution and the benefit.
Investment risk	This is the risk of investments underperforming and not being sufficient to meet liabilities. However, the trustees of the fund have a practice to invest the amounts in government securities that are secured.
Final salary risk	This is the risk that the final salary at the time of cessation of service is greater than expectation. Since the benefit is calculated on the basis of final salary, the benefit amount increases proportionately. In order to minimise the risk the actuary of the Company uses past pattern which provides basis to form a reliable estimate.
Withdrawal risk	This is the risk that withdrawals may be higher or lower than actuarial assumptions. The final effect could go either way depending on the beneficiaries' service / age distribution and the benefit. The Company ensures the availability of sufficient liquid funds in the gratuity fund and makes regular contributions to minimise the risk.

12.13 The sensitivity of the defined benefit obligation to changes in principal actuarial assumptions is as follows:

	Defined benefit obligation		
	Change in assumption ----- % -----	Increase in assumption ----- Rupees -----	Decrease in assumption ----- Rupees -----
Discount rate	1.0%	317,362,461	359,237,088
Salary growth rate	1.0%	357,480,616	318,584,313

The above sensitivity analyses are based on a change in assumption by 1% while holding all other assumptions constant. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognised within the unconsolidated statement of financial position.

12.14 The distribution of timing of payment of benefits is as follows:

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6 to Year 10
	----- Rupees -----					
Defined benefit obligation	25,363,578	110,981,665	27,174,004	46,960,502	36,451,687	239,122,786

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

12.15 The weighted average duration of the defined benefit obligation is 6.19 years.

12.16 The information provided in notes 12.1 to 12.15 has been obtained from the details provided by the actuary of the Company.

30 CONTINGENCIES AND COMMITMENTS

30.1 The Additional Commissioner Inland Revenue (ACIR) passed an amended assessment order on July 18, 2014 under section 122(5A) of the Income Tax Ordinance 2001 (the Ordinance) for the tax year 2010 and created a demand of Rs 167 million by disallowing capital loss on sale of shares and certain other matters. The Company contested the matter in appeals before the Commissioner Inland Revenue (Appeals) (CIR-A). The CIR-A disposed of the Company's appeal, allowing minor relief. The Company further contested the matter in appeal before the Appellate Tribunal Inland Revenue (ATIR) on the issues decided against the Company. Apart from contesting the matter in appeal before the CIR-A, the Company also filed rectification application with the ACIR which was rejected. The Company filed an appeal before the CIR-A wherein part relief were allowed. The department also filed an appeal against the order passed by the CIR-A before the ATIR. ATIR vide combined order dated September 6, 2023, read with difference of opinion, dated January 6, 2024 disposed of the cross appeals whereby the matters were decided in the Company's favour and remanded back to ACIR with directions.

Subsequently, the department filed a reference application before the Sindh High Court on May 14, 2024. The reference application was disposed of by the Sindh High Court on March 30, 2026, being time-barred. Thereafter, the department preferred an appeal before the Supreme Court of Pakistan, which is currently pending adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

30.2 In the year 2017, the Deputy Commissioner Inland Revenue (DCIR) amended the orders for the tax years 2011 and 2014 creating an aggregate demand of Rs 126.2 million mainly on account of difference in determination of minimum tax liability under section 113 of the Ordinance, disallowance of tax loss on lease terminations and certain other matters. The Company contested the matters in appeals before the CIR-A, which were maintained. The Company then filed appeal before the ATIR, which was disposed of vide combined order dated January 18, 2024 wherein most of the issues have been decided in the Company's favor. However, the matter of tax loss on pre-mature termination of lease was remanded back to DCIR with directions. Subsequently, the department filed a reference application before the Sindh High Court (SHC) on May 07, 2024, which is currently pending adjudication.

Moreover, ATIR vide order dated January 21, 2026 rejected the appeal filed by the department for tax year 2011 on the issue of allocation of expenses.

Based on the tax advisor's opinion, the management is confident of a favorable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

30.3 The assessments of Standard Chartered Leasing Limited (SCLL) - amalgamated entity - for the years 1998-99 to 2002- 03 were finalized by the tax officer whereby lease key money amounting to Rs. 239 million was added to income. In appeals with the ATIR, the addition was maintained. SCLL filed a rectification application before ATIR that certain arguments advanced at the time of hearing of appeals were not considered while framing the order. The ATIR vide appellate order dated February 27, 2008 recalled its original appellate order for all these years and referred the case to the Chairman ATIR to constitute a larger bench for rehearing / decision of the case.

No provision has been made in these unconsolidated financial statements in this respect as the management is of the view that the same will be allowed in the favor of the Company.

30.4 The ACIR passed an amended assessment order under section 122(5A) of the Ordinance for the tax years 2015 to 2018 where demands in aggregate of Rs. 3,229 million were raised. This was mainly due to disallowance of tax loss on termination of leases and certain other matters. In tax years 2015 and 2016, the issue of determination of the levy of minimum tax has also been raised. Additionally on October 3, 2019, the ACIR rectified the amended assessment order (rectification order) under section 221(1) of the Ordinance for the tax year 2017 and created an additional demand of Rs. 290 million after taking into account the amended amount of brought forward tax losses. The Company preferred appeals against these orders before the CIR-A for all these years. On January 8, 2020 CIR-A disposed of Company's appeals and decided certain matters in the Company's favor whereas certain matters were remanded back to the Officer with specific directions. The Company as well as the income tax department have filed appeals before the ATIR on the matters which have not been decided in their favor by the CIR-A and are pending for adjudication.

In February 2021, the ACIR has given effect to the first appeal order setting aside assessments for tax years 2015 and 2016 where demands of Rs 11.06 million and Rs 118.76 million respectively have been raised. During March 2021, the Company filed appeals against these orders before the CIR-A. The Company has also discharged 10% of the demands u/s 140 of the Ordinance amounted to Rs 1.10 million and Rs 11.87 million for tax year 2015 and 2016 respectively. CIR-A vide order August 3, 2023 disposed of the Company's appeal for tax year 2015 wherein he remanded back the matters to the Officer with directions. CIR-A vide order dated August 03, 2023 and August 31, 2023 disposed of the Company's appeal for tax year 2015 and 2016 wherein he remanded back the matters to the Officer with directions.

In January 2021, the ACIR has given effect to the orders passed by CIR-A for tax years 2017 and 2018 wherein demands of Rs. 1.22 billion and Rs. 1.36 billion respectively were raised. During February 2021, the Company filed rectification applications. The ACIR has substantially rectified the orders and allowed tax losses on termination and unabsorbed depreciation resulting in a reduction in tax demand to Rs. 252 million and Rs. 479 million respectively. The Company filed appeals for both the tax years before CIR-A against the remaining pending issues in the appeal effect orders along with an application for rectification for tax year 2017. The officer passed the rectified order and further revised the demand for tax year 2017 to Rs. 227 million. The Company discharged 10% of the demand u/s 140 of the Ordinance amounting to Rs 19.02 million and Rs 14.58 million for tax year 2017 and tax year 2018 respectively. CIR-A vide orders dated January 31, 2024 and July 31, 2023 disposed of the Company's appeals for tax years 2017 and 2018, respectively, wherein he has remanded back most of the matters to the Officer with specific directions.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

30.5 In 2020, the ACIR passed an amended assessment order under section 122(5A) of the Ordinance for tax year 2019 wherein a demand of Rs. 1,022 million was raised. This was mainly due to the result of disallowance of tax losses on lease (both on maturity and pre-mature) termination and certain other matters including super tax. The Company has filed an appeal against the order before the CIR-A who vide order dated July 27, 2023 disposed-of the Company's appeal. The Company as well as the department have filed appeals before the ATIR on the matters which have not been decided in their favor and are pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these unconsolidated financial statements.

30.6 In 2021, the ACIR passed an amended assessment order dated October 04, 2021, under section 122(5A) of the Ordinance for tax year 2020 wherein a demand of Rs.137 million has been raised. This was mainly due to the result of disallowance of tax losses on pre-mature termination of leases, write-offs and certain other matters. The Company has paid 10% of the demand u/s 140 of the Ordinance amounting to Rs 13.76 million. The Company has filed an appeal against the order before the CIR-A vide who order dated August 8, 2023 disposed-of the Company's appeal. The Company as well as the department have filed appeals before the ATIR on the matters which have not been decided in their favor and are pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these unconsolidated financial statements.

30.7 The Company received an amendment assessment order notice dated July 5, 2022, under section 122(5A) of the Ordinance for tax year 2021 wherein a demand of Rs.57 million has been raised. This was mainly due to the result of disallowance of tax loss on pre-mature termination of leases, write-offs and certain other matters. On August 3, 2022, the Company has filed an appeal before the CIR-A. Apart from above, the Company filed an application for the rectification under section 221 of the Ordinance with the ACIR. The Company paid 10% of the demand after adjusting rectification u/s 140 of the Ordinance amounting to Rs. 4.9 million. CIR-A issued an order on February 26, 2024, disposed of the Company's appeal. The Company as well as the department have filed appeals before the ATIR on the matters which have not been decided in their favor and are pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these unconsolidated financial statements.

30.8 The Company received an order on monitoring of withholding taxes of Standard Chartered Leasing Limited (SCLL) under section 161(1) of the Ordinance for tax year 2016 wherein a demand of Rs. 50 million along with Rs. 36 million default surcharge has been levied. This was in continuation with the notice dated October 11, 2017 which was then duly responded by the Company. However, due to change in jurisdiction of the case, the notice was raised again on June 22, 2022 in the name of the Company, which was duly responded along with previous submitted reply and evidences on June 29, 2022. The Officer passed the order under sections 161/205 dated July 6, 2022 raising a demand of Rs 86.7 million holding the Company as assessee in default for non-deduction of tax. On July 28, 2022, the Company has filed an appeal before the CIR-A. On January 8, 2024, CIR-A has disposed-of the Company's appeal by remanding back to the Officer with directions for scrutiny of documents. The department has filed an appeal before the ATIR which is pending for adjudication.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these unconsolidated financial statements.

- 30.9** In October 2022, the Deputy Commissioner Inland Revenue (DCIR) issued notices under Section 176 of the Ordinance required the Company to submit reconciliation of withholding tax deductions with payments reflected in the audited financial statements for the tax year 2017 which was duly responded. Subsequently, the DCIR, without considering the submissions, vide order dated June 26, 2023 framed under Section 161(1) of the Ordinance concluded the proceedings raised demand of Rs. 482 million for alleged short deduction or non-payment of withholding taxes. The Company filed an appeal before the CIR-A who vide order dated September 6, 2023 disposed of the appeal remanding the case back to the DCIR with directions to scrutinize the submitted documents.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

- 30.10** The DCIR issued show cause notices to the Company challenging the estimates of advance tax under section 147 of the Ordinance filed by the Company for the quarters ended March 31, 2019 and September 30, 2019 and additionally demanded Rs. 259.4 million and Rs. 117.2 million respectively for these years. The Company's tax advisors are of the opinion that the estimates filed by the Company is in accordance with the law and accordingly the Company filed a constitutional petition before the SHC against the recovery of impugned advance tax demand. The SHC has passed a stay order restricting the FBR from taking any coercive measures against the Company.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

- 30.11** In 2019, the Company received show cause notices from the Sindh Revenue Board (SRB) demanding Sindh Provincial Sales Tax (SPST) amounting to Rs. 519 million against income from operating lease rental of generators for the years ended June 30, 2012, 2013, 2014, 2015, 2016 and 2017 along with the applicable penalty and default surcharge.

In April, 2016, the Company had filed suits against the show cause notices relating to the years 2012 to 2015 before Sindh High Court (SHC) challenging the levy of SPST on renting of generators and obtained a stay order restricting SRB from taking any coercive measures against the Company. In 2019, these suits were withdrawn due to the decision by Supreme Court of Pakistan that in order for a suit to continue, a minimum of 50% of the tax calculated by the tax authorities must be deposited in the respective treasury. Consequent to withdrawal of the suits, SRB issued fresh show cause notices for each of the tax years 2012 to 2017. For financial years 2012 and 2016, the Assistant Commissioner SRB also passed an order against the Company and created a demand of Rs. 43.6 million and Rs. 77.3 million respectively and issued recovery notices. The Company has filed an appeal against the recovery orders before the Commissioner Appeals SRB and also obtained interim relief from SHC by filing separate petitions for each of the years from 2012 to 2017, challenging the levy of SPST on renting of generators and obtained stay order restricting SRB from taking coercive measures against the Company.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

30.12 In December 2022, the Company received a show cause notice from the Sindh Revenue Board (SRB) for short payment against services along with default surcharge amounting to Rs. 1.8 million for the period from September 2019 to April 2022 against income from operating lease and income from services provided to Insurance companies through workshop. The same was adequately responded stating that the services fall under the reduced rate of sales tax. However, the additional commissioner of SRB confirmed the said liability through Order no 2892 of 2022 dated December 9, 2022, which has been challenged by the Company before commissioner appeals SRB. The same is pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly no tax provision has been made in these unconsolidated financial statements.

30.13 In continuation to the notice received from SRB in 2018, the Company received an order dated November 03, 2021 u/s 40(1)(b) of the Stamp Act, 1899 amounting to Rs. 19.5 million, which also includes the late payment charges of Rs. 6.5 million. On December 10, 2021, the Sindh High Court disposed-of the petition filed by the Company on applicability of stamp duty on purchase orders and issued its decision on January 22, 2022, dismissing the Company's plea against applicability of stamp duty. The Company had also filed a petition on December 10, 2021 before SHC to prevent the SRB from taking any coercive action against the Company subsequent to the issuance of the recovery order, as the matter was pending in SHC. The Court directed the SRB to provide the Company an opportunity of being heard and to decide the matter within 3 months, and till such period no coercive action can be taken against the Company.

The Company filed an appeal with member SRB against the recovery order. However, member SRB has passed an order of Rs. 19.5 million, including amount of additional charges. The Company has filed petition in Sindh High Court against the order. On April 06, 2022, directions were issued with regard to payment of the stamp duty of Rs 12.5 million whereas hearing was adjourned on the additional charges of Rs 6.5 million. Accordingly, the Company has paid the stamp duty amount of Rs. 12.5 million on April 16, 2022. Based on legal opinion, the management is confident of a favorable outcome on waiver of additional charges of Rs 6.5 million.

Accordingly, no provision against additional charges levied has been made in these unconsolidated financial statements.

30.14 In September 2024, the Company received show-cause notices from the Sindh Revenue Board (SRB) demanding payment of the Sindh Workers Welfare Fund (SWWF) on total profit amounting to Rs. 68.1 million for the years ended June 30, 2022, and June 30, 2023. Accordingly, the Company responded to the notices for both years, stating that it operates on a trans-provincial basis, and no payment can be made until a methodology is agreed upon among all stakeholders. Additionally, on September 24, 2024, the Company filed a petition before the Sindh High Court (SHC) challenging the SRB's demand and seeking to restrain the SRB from taking any coercive action while the matter is pending. The SHC granted a stay order, subject to the deposit of the disputed amount with the Nazir of the SHC, and directed the SRB not to take any coercive action until a final decision is reached. The Company submitted pay orders amounting to Rs. 37.2 million and Rs. 39.0 million for the years ended June 30, 2022, and June 30, 2023, respectively. These amounts are fully provided for in respective years. On April 25, 2025, SHC held that trans-provincial companies does not fall under the provincial authorities until a mutually agreed mechanism is developed by all stakeholders.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

	2026	2025
	----- Rupees -----	
Profit before income tax and levy	2,161,196,493	2,012,384,635
Tax at enacted rate of 39%	842,866,632	784,830,008
Tax effect of income subject to levy - final tax regime	(23,487,137)	(52,918,061)
Impact of group taxation	2,474,709	30,887,532
Tax effect of rebates / credits	(517,938)	(9,741,716)
Prior year	3,389,317	(2,486,500)
Permanent differences	(21,276,699)	22,513,198
Effect of change in tax rate	(4,490,502)	-
Others	6,759,222	(6,523,962)
	805,717,604	766,560,499

39.4 Current status of pending tax assessments

Tax Year 1999 to 2000

In the assessment year 1999-2000 the Officer Inland Revenue (OIR) had revised the income tax assessment order of the Company under Section 221 of the Ordinance. The Company had preferred an appeal against the order of the OIR before the Commissioner Inland Revenue [CIR(A)] who confirmed the treatment of the OIR. The Company then filed an appeal before the Appellate Tribunal Inland Revenue (ATIR). The ATIR while deciding the appeal filed by the Company, had remanded back the appellate order dated December 12, 2005 to the CIR(A) to pass speaking order after considering all the relevant facts of the case. The case is still pending adjudication, however, as a matter of prudence, the Company has made adequate provision in respect of the disallowances.

Tax Year 2010 to 2025

Under Section 114 of the Income Tax Ordinance 2001, the Company had filed the returns of income for tax years 2010 to 2025. The said returns were taken to be assessment orders, passed by the Commissioner Inland Revenue on the day the said returns were filed other than tax year 2010, 2011, 2014, 2015, 2016, 2017, 2018, 2019, 2020 and 2021.

Tax Year 2010, 2011, 2014, 2015, 2016, 2017, 2018, 2019, 2020 and 2021

Details of the assessment made by the Additional Commissioner Inland Revenue / Deputy Commissioner Inland Revenue are provided in notes 30.1, 30.2, 30.3, 30.4, 30.5, 30.6, 30.7, 30.8, 30.9 and 30.10.

42 SEGMENT INFORMATION

The Company has two primary reporting segments namely, Finance lease and Finances & loans, based on the nature of business and the related risks and returns associated with these segments. The finance lease operations are primarily for long-term leases of movable assets to corporate entities and individuals. Finances and loans are primarily extended to corporate entities and individuals mainly for purchase of saloon vehicles. Other operations, which do not fall into the above segment categories and are not deemed by the management to be sufficiently significant to disclose as separate items, are reported under 'Investment in subsidiaries, associates, and others'.

42.1 Segment analysis is given below:

	2026			
	Finance lease	Loans and Finances	Others	Total

47 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks which mainly include market risk, credit risk and liquidity risk. The Board of Directors of the Company has the overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management policies.

47.1 Market risk

Market risk is the risk that the fair value or the future cash flows of a financial instrument may fluctuate as a result of changes in market prices. Market risk comprises three types of risks: currency risk, yield / interest rate risk and other price risk.

47.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to currency risk in US dollar, Saudi Riyal and Egyptian Pound on account of its foreign currency bank account and investment in associates. The Company's exposure to foreign currency transactions is as follows:

	2026	2025
Rupees		
Foreign currency bank account	7,845,087	8,040,372
Investment in associate	1,753,135,634	1,775,618,949

As at June 30, 2026, if the Pakistani Rupee had strengthened / weakened by 10% against these currencies with all other variables held constant, the impact on the total comprehensive income would have been lower / higher by an amount of Rs. 176.10 million (June 30, 2025: Rs. 178.36 million).

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

47.1.2 Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Company has adopted appropriate policies to minimise its exposure to this risk. The interest rate profile of the Company's significant interest bearing financial instruments and the periods in which these will mature are as follows:

2026								
Exposed to yield / interest rate risk							Not exposed to	
Effective yield / profit rate %	Total	Upto one month	Over one month to three months	Over three months to one year	Over one year to five years	Over five years	yield / profit rate risk

a) Sensitivity analysis for variable rate financial instruments

The Company has extended KIBOR based long-term leases and finances to various counter parties that expose the Company to cash flow interest rate risk. In case of increase / decrease in KIBOR by 100 basis points on the last repricing date with all other variables held constant, the profit before tax would have been higher / lower by Rs. 274.31 million (June 30, 2025: Rs. 255.12 million).

Furthermore, the Company also has KIBOR based financial liabilities in Pakistani Rupees representing short-term running finance arrangements, short-term and long-term finances obtained from various financial institutions and certificates of deposit which expose the Company to cash flow interest rate risk. In case of increase / decrease in KIBOR by 100 basis points on the last repricing date with all other variables held constant, the profit before tax would have been lower / higher by Rs. 252.28 million (June 30, 2025: Rs. 214.69 million).

The Company holds short term and long term unutilised credit lines with banks amounting to Rs. 2,118 million and Rs. 750 million as at June 30, 2026 (June 30, 2025: Rs. 1,178 million and Rs. 1,700 million).

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

b) Sensitivity analysis for fixed rate financial instruments

As at June 30, 2026, the Company holds Market Treasury Bills which are classified as 'financial assets at fair value through profit or loss', exposing the Company to fair value interest rate risk. In case of 100 basis points increase / decrease in rates announced by the Financial Markets Association of Pakistan for Market Treasury Bills with all other variables held constant, the net profit for the year and net assets of the Company would have been higher / lower by Rs. 4.67 million (June 30, 2025: Rs. 7.07 million).

47.1.3 Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. As at June 30, 2026 the Company held shares of LSE Venture and LSE Capital (June 30, 2025: LSE Capital and LSE Venture) and shares of Al-Baraka Bank (Pakistan) Limited - Unlisted (June 30, 2025: Al-Baraka Bank (Pakistan) Limited - Unlisted). In case of change of 5% to the price of these shares the profit for the year and net assets of the Company would be higher / lower by Rs 1.29 million (June 30, 2025: Rs 1.10 million).

47.2 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The risk is generally limited to principal amounts and accrued profit thereon, if any. The Company has established procedures to manage credit exposure including credit approval limit, credit exposure limits, collateral and guarantee requirements. These procedures incorporate both internal guidelines as well as the requirements of the NBFC Rules and the NBFC Regulations. The Company also manages credit risk through an independent credit department which evaluates customers' credit worthiness and obtains adequate securities where applicable.

All investing transactions are settled / paid for upon delivery. The Company's policy is to enter into financial instrument contracts by following internal guidelines for approval.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The concentration of credit risk indicates the relative sensitivity of the Company's performance to developments affecting a particular industry or geographic location. Significant concentration of the Company's risk assets by class of business, industry sector and geographical region is set out in note 42.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The Company applies IFRS 9 simplified approach and general approach for lease and loan losses respectively to determine ECL. Probability of default (PD) represents the likelihood that a counterparty will default within the next 12 months (12-month ECL, Stage 1) or over the remaining lifetime of the financial instrument (lifetime ECL, Stage 2). The company employs a Roll Rate/ Transition Matrix model to analyze monthly migration of obligors across Days Past Due (DPD) buckets, defined in 30-day intervals, based on historical data. These through-the-cycle PDs are then adjusted to point-in-time PDs using the Vasicek Distribution Framework, which incorporates forward-looking macroeconomic variables which includes Pakistan's Gross Domestic Product (GDP), Consumer Price Index (CPI), B54.

The maximum exposure to credit risk at the reporting date is as follows:

	Carrying value		Maximum exposure	
	2026	2025	2026	2025
	----- Rupees -----			
Net investment in finance lease	7,086,206,705	7,618,095,306	7,086,206,705	7,618,095,306
Loans and finances	25,826,715,921	21,310,775,161	25,826,715,921	21,310,775,161
Long-term investments	25,721,833	22,095,195	-	-
Long term deposits	11,550,693	11,120,680	11,550,693	11,120,680
Short-term investments	2,862,439,011	2,182,958,179	-	-
Other receivables	569,077,988	449,548,970	569,077,988	449,548,970
Cash and bank balances	208,110,261	278,213,665	206,905,261	276,893,665
	<u>36,589,822,412</u>	<u>31,872,807,156</u>	<u>33,700,456,568</u>	<u>29,666,433,782</u>

Difference in the balance as per the carrying value and maximum exposure is due to the fact that investments in Government securities, equity securities and cash in hand are not exposed to credit risk.

The Company controls the credit quality of receivables through diversification of activities to avoid undue concentration of risks with individuals, groups or specific industry segments. For such purpose, the Company has established exposure limits for single lessees and industrial sectors. The Company has an effective rental monitoring system which allows it to evaluate customers' credit worthiness and identify potential problem accounts. ECL / provision against leases, loans and finances is maintained at a level which, in the judgment of management, is adequate to provide for potential losses on lease and other loan portfolios that can be reasonably anticipated. The credit quality of receivables can be assessed with reference to their historical performance with no or some defaults in recent history.

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The carrying value of non-performing / credit impaired receivables is as follows:

	2026

State Bank of Pakistan	903,965	725,156
	206,918,545	276,909,690

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The Company does not hold any other financial assets which are rated.

Expected Credit Loss (ECL) on bank balances has been measured on a 12-month expected credit loss basis, reflecting the short-term maturity of the exposure. The Company considers its bank balances to have low credit risk based on the external rating of the counterparty. The 12-month probabilities of default are based on historical data provided by the External Rating Agency for the relevant credit rating. The loss given default (LGD) parameters generally reflect assumed recovery rates in line with those set out in the Basel Guidelines.

47.2.1 The Company applies the IFRS 9 simplified approach to measure expected credit losses for net investment in finance lease and ijarah. To measure the expected credit losses, such financial assets have been grouped based on days past due. On that basis, the loss allowance as at June 30, 2026 and June 30, 2025 was determined as follows:

Net investment in finance lease

	2026			2025		
	Expected loss rate	Gross carrying amount	Expected credit loss / Provision	Expected loss rate	Gross carrying amount	Expected credit loss / Provision
Rupees						
Not yet due	0.08%	6,026,537,763	4,528,136	0.06%	6,989,502,914	4,008,217

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

For loans and other financial assets, a lifetime ECL is recorded in which there has been Significant Increase in Credit Risk (SICR) from the date of initial recognition and for financial assets which are credit impaired as on reporting date. A 12-months ECL is recorded for all other financial assets which do not meet the criteria for SICR or "credit impaired" as at reporting date. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The Company also considers reasonable and supportive forward-looking information in determination of ECL.

47.3 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due. Liquidity risk arises because of the possibility that the Company will be required to pay its liabilities earlier than expected or will face difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below summarises the Company's financial liabilities into relevant maturity groupings based on the remaining period at the unconsolidated statement of financial position date to contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2026				
	Carrying amount	Contractual cash flows	Upto three months	More than three months and upto one year	More than one year

48 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair values of investments classified as "at fair value through profit or loss" and "at fair value through other comprehensive income" is based on active market. The investment in associates is accounted for using the equity method while the subsidiaries have been kept at cost.

Fair values of net investments in finance lease, long term loans and finances, long term deposits and other assets, other liabilities, certificates of deposit and other accounts are approximate to their carrying value. The provision for impairment of finance lease and long term loans and finances has been calculated in accordance with the Company's accounting policy.

In the opinion of management, fair values of the remaining financial assets and liabilities are not significantly different from their carrying values since these assets and liabilities are short term in nature or are periodically repriced.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Company to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

2026				
	Level 1	Level 2	Level 3	Total
----- Rupees -----				
Financial assets				
Financial assets at fair value through other comprehensive income				
Ordinary shares - listed	21,618,930	-	-	21,618,930

Financial assets at fair value through profit or loss				
Market Treasury bills	-	2,182,958,179	-	2,182,958,179
Non-financial assets				
Property and equipment (Leasehold land & building)*	-	965,951,564	-	965,951,564
Total	11,164,079	3,159,840,859	-	3,171,004,938

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Item	Valuation approach and input used
Treasury bills	The fair value of Treasury bills is derived using PKRV rates. PKRV rates are average of the yield-to-maturity on government securities traded in the secondary market and determined at the end of day. The yield-to-maturity on government securities is quoted by the eight (08) brokerage houses keeping in view the yield-to-maturity on government securities traded in the secondary market.
Property and equipment (leasehold land and office building)*	The revaluation by the valuer is carried out on the basis of professional assessment of present market values.
Ordinary shares	The fair value of listed ordinary shares is determined using quoted prices (unadjusted) listed on Pakistan Stock Exchange. The fair value of unlisted ordinary shares is determined using the market approach, based on the Price-to-Earnings (P/E) multiple derived from comparable companies and adjusted for lack of marketability to reflect the unlisted nature of the investment.

* Leasehold land and building are carried at revalued amounts (level 2 measurement) determined by professional valuers based on their assessment of the market values as disclosed in note 5 to these unconsolidated financial statements. The valuation experts used a market based approach to arrive at the fair value of the Company's properties. The approach uses prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties.

49 CAPITAL RISK MANAGEMENT

The objective of the Company when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders, and to maintain a strong capital base to support the sustained development of its business.

The Company manages its capital structure by monitoring return on net assets, gearing ratio and makes adjustments to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to its shareholders or issue new shares.

As required under the NBFC Regulations, every Investment finance company involved in deposit taking shall maintain a capital adequacy ratio of 8% of the Total Risk Weighted Assets (RWA) for the first two years after the amendment coming into force and thereafter at the rate of 10% of RWA. The Company has maintained and complied with the minimum equity requirement during the current year.

50 EARNINGS PER SHARE - basic and diluted

	2026	2025
	Rupees	
Profit for the year after taxation (Rupees)	1,333,715,463	1,225,471,036
Weighted average number of ordinary shares	175,407,647	175,407,647
Earnings per share - basic and diluted (Rupees)	7.60	6.99

NOTES TO AND FORMING PART OF THE UNCONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

50.1 Diluted earnings per share has not been presented separately as the Company does not have any convertible instruments in issue as at June 30, 2026 and June 30, 2025 which would have any effect on the earnings per share.

51 NON-ADJUSTING EVENTS AFTER THE REPORTING PERIOD

The Board of Directors in its meeting held on September 17, 2026 proposed a final cash dividend of Rs. 4 per share (June 30, 2025: Rs. 3.5 per share) for the year ended June 30, 2026, amounting to Rs. 701,630,588 (June 30, 2025: Rs. 613,926,765). This appropriation will be approved by the members of the Company at the Annual General Meeting to be held on October 22, 2026. The unconsolidated financial statements for the year ended June 30, 2026 do not include the effect of the above appropriation which will be accounted for in the unconsolidated financial statements of the Company for the year ending June 30, 2027.

52 DATE OF AUTHORISATION FOR ISSUE

These unconsolidated financial statements were authorised for issue on September 17, 2026 by the Board of Directors of the Company.

53 GENERAL

Figures reported in these unconsolidated financial statements have been rounded off to the nearest Rupee unless otherwise stated.

DIRECTORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

The directors of OLP Financial Services Pakistan Limited (OLP) are pleased to present their report together with the audited consolidated financial statements for the Group for the year ended June 30, 2026. The Group comprises:

- OLP Financial Services Pakistan Limited (OLP) – The Holding Company
- OLP Modaraba (OM) – Subsidiary Company
- OLP Services Pakistan (Private) Limited (OSP) - Subsidiary Company

The Director's Report giving commentary on the performance of OLP for the year ended June 30, 2026, has been presented separately on page 21, which contains the business review, operational performance of OLP, future prospects and other requisite information on OLP. The contents of the said report shall be read along with this report and shall form an integral part of the Director's Report in terms of section 227 of the Companies Act, 2017 and the requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019 issued by the Securities and Exchange Commission of Pakistan.

Group Results

The consolidated financial results of the Group are summarized below:

Description	2026 -----Rupees-----	2025
Continuing Operations		
Profit before income tax and levy	2,386,551,099	2,325,147,104
Taxation and levies	909,645,324	865,250,123
Profit from continuing operations	1,476,905,775	1,459,896,981
Discontinued Operations		
Gain / (loss) from discontinued operations – net of tax	24,223	(17,445,692)
Profit for the year	1,476,929,998	1,442,451,289
Profit attributable to Equity shareholders of the Holding Company	1,348,365,975	1,303,189,813
Profit attributable to non-controlling interest	128,564,023	139,261,476
Earnings per share – basic and diluted	7.69	7.43
Earnings per share – continuing operations - basic and diluted	7.69	7.53

Pattern of shareholding

The pattern of shareholding and related information as at June 30, 2026 is presented at page 263.

Financial and Operational Performance

Consolidated profit of the Group for the year ended June 30, 2026 was Rs. 1,348 million (2025: Rs. 1,303 million) with an EPS of Rs. 7.69 (2025: Rs. 7.43). Profit from OM amounted to Rs. 161 million (2025: Rs. 174 million) and loss from OSP amounted to Rs. 0.86 million (2025: profit of Rs. 61 million). Minority interest accounts for 80% of OM's equity. As such, Rs. 129 million (2025: Rs. 139 million) out of OM's profit is attributable to non-controlling interest.

INDEPENDENT AUDITOR'S REPORT

To the members of OLP Financial Services Pakistan Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the annexed consolidated financial statements of OLP Financial Services Pakistan Limited and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at 30 June 2026, and the consolidated statement of profit or loss, the consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 June 2026 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

KPMG Taseer Hadi & Co.

Following is the Key Audit Matter:

S.No.	Key Audit Matter	How the matter was addressed in our audit
1	Allowance for Expected Credit Loss (ECL) against Loans and finances and Net investment in finance lease (Refer notes 3.6, 3.10, 8, 9, 13, 14 and 38 to the consolidated financial statements)	
	As at 30 June 2026, the Group maintained allowance for ECL of Rs 744.033 million under the requirements of accounting and reporting standards as applicable in Pakistan against net investment in finance lease, loans and finances and has recognized a gross charge of Rs 229.48 million and gross reversal of Rs 204.01 million during the year. The Group recognises allowance for ECL against net investment finance lease and loans and finances under the requirements of IFRS 9. The simplified approach is used for determination of allowance for ECL in respect of net investment in finance lease. Under this approach, lifetime ECL is measured by grouping financial assets according to the number of days they are past due. The general approach is used to determine allowance for ECL. Under this approach, a lifetime ECL is recognized for loans and finances that have experienced a significant increase in credit risk (SICR) since initial recognition, as well as for those that are credit-impaired as of the reporting date. A 12-month ECL is	Our audit procedures in this area included, among others: - Obtaining an understanding of the relevant controls established by the Company over the ECL process to identify loss events and for determining the extent of allowance for ECL required against Loans and finances and Net investment in finance lease balances. - We performed the following procedures: - assessing the appropriateness of the ECL methodologies for compliance with accounting and reporting standards as applicable in Pakistan; - assessing the reasonableness of macro- economic variable and economic forecasts by comparing these to external sourced data extracted; and - performing independent testing of the ECL allowance on a sample basis. - Assessing the relevance and completeness of the key inputs into the allowance for ECL calculations.

KPMG Taseer Hadi & Co.

S.No.	Key Audit Matter	How the matter was addressed in our audit
	recognized for loans and finances that have not experienced a SICR and are not considered credit-impaired as of the reporting date. The estimation of ECL involves significant judgement. The key areas which are subject to management judgement in the estimation of ECL are: - determination of staging of loans including determining whether the credit risk has increased significantly and credit impairment events have occurred; and - the determination of key parameters used in the ECL model including probability of default (PD), loss given default (LGD), and forward-looking information. Due to the significance of ECL and the significant judgements and estimation exercised by management in estimating ECL, we considered the area of ECL as a key audit matter.	• Checking mathematical accuracy of the model. • Assessing the appropriateness of SICR criteria applied by the Company by evaluating the consistency of SICR criteria and staging methodology with accounting and reporting standards as applicable in Pakistan. • Evaluating the adequacy of financial statement disclosures, around allowance for ECL as required by the accounting and reporting standards as applicable in Pakistan.

Information Other than the Unconsolidated Financial Statements, Consolidated Financial Statements and Auditor's Reports Thereon

Management is responsible for the other information. The other information comprises of Review Report by the Chairman and Directors' Report but does not include the unconsolidated financial statements, consolidated financial statements and our auditor's reports thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

KPMG Taseer Hadi & Co.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and Companies Act, 2017 and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of directors is responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

KPMG Taseer Hadi & Co.

- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

KPMG Taseer Hadi & Co.

The engagement partner on the audit resulting in this independent auditor's report is **Mr. Muhammad Taufiq.**

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

1 LEGAL STATUS AND OPERATIONS

The "Group" consists of:

- (i) OLP Financial Services Pakistan Limited - the Holding Company;
- (ii) OLP Services Pakistan (Private) Limited - subsidiary company; and
- (iii) OLP Modaraba - subsidiary company.

1.1 Holding company

OLP Financial Services Pakistan Limited ("the Holding Company / the Company") was incorporated in Pakistan as a private limited company on July 01, 1986 under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017) and was converted into a public limited company on December 23, 1987. The Holding Company is listed on the Pakistan Stock Exchange Limited and is licensed to carry out Investment Finance Services as a Non-Banking Finance Company (NBFC) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 issued by the Securities and Exchange Commission of Pakistan (SECP).

The registered office of the Company is situated at OLP Building, Plot No. 16, Sector No. 24, Korangi Industrial Area, Karachi.

VIS Credit Rating Company Limited has assigned a long-term rating of AAA and a short-term rating of A1+ to the Company on September 11, 2026.

1.2 Subsidiary companies

1.2.1 OLP Services Pakistan (Private) Limited - 100% holding

OLP Services Pakistan (Private) Limited ("the Management Company") was incorporated as a private limited company on February 25, 1957 under the then applicable Companies Act, 1913 (now the Companies Act, 2017). Subsequently, it was registered as a Modaraba Management Company with the Registrar of Modaraba Companies and Modarabas under the Modaraba Companies and Modarabas (Floatation and Control) Ordinance, 1980.

The principal activity of the Management Company is to engage in the business of floatation of Modarabas and to function as a Modaraba Management Company within the meaning of the Modaraba Companies and Modarabas (Floatation and Control) Ordinance, 1980. Presently, the Management Company manages only OLP Modaraba. The registered office of the Management Company is situated at 6th Floor, Syedna Tahir Saif-ud-din Trust Building, Beaumont Road, Civil Lines, Karachi, Pakistan.

On June 20, 2016, the Holding Company acquired 100% shareholding (4,450,000 shares) of the Management Company. The Holding Company continues to hold 100% shares in the Management Company till date.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

1.2.2 OLP Modaraba - 20% effective holding

OLP Modaraba ("the Modaraba") was formed in the name of Standard Chartered Modaraba under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Rules framed thereunder. The Modaraba is managed by OLP Services Pakistan (Private) Limited ("the Management Company") which is a wholly owned subsidiary of OLP Financial Services Pakistan Limited (the Holding Company).

The Modaraba is operated through a head office in Karachi and two branches each which are located in Lahore and Islamabad. The head office is placed separately within the premises of the Management Company. In Lahore, the branch office is situated at 602-B, 6th Floor, City Towers, Gulberg-II whereas in Islamabad, the branch address is Ground Floor, Phase 1, State Life Building No. 5, Nazimuddin Road, Blue Area.

The Modaraba is a perpetual Modaraba and is primarily engaged in financing of plant and machinery, motor vehicles (both commercial and private), computer equipment and housing under the modes of ijarah (Islamic leasing) and diminishing musharika. The Modaraba may also invest in commercial and industrial ventures suitable for the Modaraba. The Certificates of the Modaraba are listed on the Pakistan Stock Exchange Limited.

The Pakistan Credit Rating Agency Limited (PACRA) has assigned long term rating of AA (2025: AA) and short term rating of A1 + (2025: A1 +) to the Modaraba on February 27, 2026 (2025: February 28, 2025).

On June 21, 2016, the Holding Company acquired 10% certificate holding (4,538,353 certificates) in the Modaraba. Since the Holding Company had acquired 100% shareholding in the Management Company as mentioned in note 1.2.1 above, therefore the Holding Company has substantive decision-making authority over OLP Modaraba's key operating and financial policies. OSPPL is entitled to a management fee (including variable returns). There are no substantive removable rights held by any other single party and the remaining holding is also dispersed and passive in nature due to free float to general public. Accordingly, the Modaraba became a subsidiary of the Holding Company in view of the control which the Holding Company exercised through its fully owned Management Company and an effective holding of 20% in the certificates of Modaraba by the Holding Company collectively with the Management Company. Subsequent to the acquisition, the Modaraba has been renamed as OLP Modaraba.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan to the Group comprise of:

- IFRS Accounting Standards issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017;
- Requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and Modaraba Regulations 2021;
- Provisions of and directives issued under the Companies Act, 2017;
- Provisions of directives and notification issued by the Securities and Exchange Commission of Pakistan (SECP) under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Companies Act, 2017; and
- Provisions of and directives issued under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations).

Whenever the requirements of the Companies Act, 2017, the Islamic Financial Accounting Standards (IFAS), the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations), the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, the Modaraba Companies and Modaraba Rules, 1981, the Modaraba Regulations, 2021, or the directives and notifications issued by the Securities and Exchange Commission of Pakistan (SECP), as applicable, differ from the requirements of IFRS Accounting Standards, the applicable requirements of the Companies Act, 2017, IFAS, the NBFC Rules, the NBFC Regulations, the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, the Modaraba Companies and Modaraba Rules, 1981, the Modaraba Regulations, 2021, and the said directives and notifications shall prevail.

2.2 Islamic Financial Accounting Standard (IFAS) 2 'Ijarah' issued by the Institute of Chartered Accountants of Pakistan was adopted by the SECP vide SRO 431(1)/ 2007 dated May 22, 2007. Under IFAS 2, the Ijarah transactions are accounted for in the following manner:

- Muj'ir (lessors) presents the assets subject to Ijarah in their statement of financial position according to the nature of the asset. The Mustajir is required to distinguish these Ijarah assets from the assets in own use.
- Costs, including depreciation on the assets given on Ijarah, incurred in earning the Ijarah income are recognised as expenses.
- Ijarah income is recognised in income on an accrual basis as and when the rental becomes due, unless another systematic basis is more representative of the time pattern in which the benefit of the use derived from the leased asset is diminished.

2.3 Basis of measurement

These consolidated financial statements have been prepared under the historical cost convention except for the following:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- Leasehold land and building are stated at revalued amounts;
- Right-of-use assets and related lease liabilities measure at present value;
- Certain investments are stated at fair value; and
- Obligation in respect of staff gratuity is measured at present value of the defined benefit obligation.

2.4 Functional and presentation currency

These consolidated financial statements are presented in Pakistan Rupee, which is the Group's functional and presentation currency.

2.5 Use of Judgement and Estimates

The preparation of consolidated financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised if the revision affects only that year, or in the year of revision and future years if the revision affects both the current and future years. The areas where various assumptions and estimates are significant to the Group's financial statements or where judgments were exercised in the application of accounting policies are as follows:

- (a) determination of the depreciation method, residual values and useful lives of property and equipment (notes 3.4 and 5);
- (b) determination of amortisation rates for intangible assets (notes 3.5 and 7);
- (c) determination of expected credit loss / provision against lease and loans (notes 3.10.5, 38 and 39);
- (d) determination of classification, valuation and impairment of financial assets (notes 3.10, 15 and 39);
- (e) classification of investment in associate (note 10)
- (f) classification and valuation of assets classified as held for sale (notes 3.7 and 19);
- (g) recognition for taxation and deferred tax (notes 3.16, 25 and 41);
- (h) accounting for defined benefit obligation (notes 3.17 and 12); and
- (i) impairment of non-financial assets (notes 3.9).
- (j) valuation for defined benefit obligation (notes 3.17 and 12);
- (k) valuation of leasehold land and office building (notes 3.4.1 and 21);
- (l) contingencies (note 3.15, 32 & 39.3).

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

2.6 Standards, interpretations and amendments to published accounting and reporting standards that are effective in the current year:

2.6.1 There are certain other amendments to the published accounting and reporting standards that are mandatory for the Group's annual accounting period beginning on July 1, 2025. However, these are not considered to be relevant or do not have any material effect on the Group's financial statements and hence, therefore, have not been disclosed in these consolidated financial statements.

2.7 Standards, interpretations and amendments to the published accounting and reporting standards that are not yet effective:

The following accounting and reporting standards as applicable in Pakistan and the amendments and interpretations thereto will be effective for accounting periods beginning on or after July 01, 2026:

	Effective date (accounting periods beginning on or after)
Standards and amendments	
i) Amendments to the Classification and Measurement of Financial Instruments – Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures:	January 01, 2026
ii) Annual Improvements to IFRS Accounting Standards – Amendments to:	
- IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7;	January 01, 2026
- IFRS 9 Financial Instruments;	
- IFRS 10 Consolidated Financial Statements; and	
- IAS 7 Statement of Cash flows.	
iii) Contracts Referencing Nature-dependent Electricity - (Amendments to IFRS 9 and IFRS 7)	January 01, 2026
iv) Hyperinflationary presentation currency - (Amendments to IAS 21)	January 01, 2027
v) Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28)	Not yet decided
vi) IFRS 18 Presentation and Disclosure in Financial Statements	January 01, 2027
vii) IFRS S1 - General Requirements for Disclosure of Sustainability-related Financial Information and IFRS S2 - Climate-related Disclosures*	December 31, 2026

* The Group formally falls under Phase III (effective July 01, 2027).

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented in these consolidated financial statements, except as disclosed in note 4.

3.1 Basis of consolidation

The consolidated financial statements include the financial statements of the Holding Company and its subsidiary companies. The financial statements of subsidiaries are prepared for the same reporting period as the Holding Company, using accounting policies that are consistent with those of the Holding Company.

3.1.1 Business combinations

The Group accounts for business combinations under the acquisition method when the acquired set of activities and assets meets the definition of a business and control is transferred to the Group. In determining whether a particular set of activities and assets is a business, the Group assesses whether the set of assets and activities acquired includes, at a minimum, an input and substantive process and whether the acquired set has the ability to produce outputs.

The Group has an option to apply a 'concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The optional concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets.

The consideration transferred in the acquisition is generally measured at fair value, as are the identifiable net assets acquired. Any goodwill that arises is tested annually for impairment. Any gain on a bargain purchase is recognised in profit or loss immediately. Transaction costs are expensed as incurred, except if related to the issue of debt or equity securities. The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in profit or loss.

3.1.2 Subsidiaries

Subsidiaries are entities controlled by the Group. The Group 'controls' an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

3.1.3 Non-controlling interests

NCI are measured initially at their proportionate share of the acquiree's identifiable net assets at the date of acquisition. Changes in the Group's interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

3.1.4 Loss of control

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any resulting gain or loss is recognised in profit or loss. Any interest retained in the former subsidiary is measured at fair value when control is lost.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.1.5 Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses (except for foreign currency transaction gains or losses) arising from intra-group transactions, are eliminated.

Unrealised gains arising from transactions with equity-accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

3.2 Foreign Associate

Accounting policy of associates is included in note 3.8.

3.3 Foreign Operation

Accounting policy of foreign operation is included in note 3.18.

3.4 Property and equipment

3.4.1 Own use and capital work in progress

Recognition and measurement

Property and equipment (except leasehold land and office building) are stated at cost less accumulated depreciation and impairment losses, if any. Leasehold land and office building are carried at revalued amounts less accumulated depreciation and subsequent impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the asset.

Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Depreciation

Depreciation is charged using the straight line method over the estimated useful lives of assets, at the rates specified in note 5.1 to these consolidated financial statements after taking into account residual values if significant. The carrying value of leasehold land is amortised over its lease term. Depreciation on additions during the year is charged from the date on which the asset is put to use, whereas no depreciation is charged from the date the asset is disposed off.

Accounting treatment and presentation of revaluation of property and equipment is in conformity with IAS 16 'Property, Plant and Equipment'. Revaluation surplus on fixed assets is presented in the consolidated statement of financial position and consolidated statement of changes in equity as a capital reserve.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Revaluation surplus

An increase arising on revaluation is credited to the surplus on revaluation of leasehold land and office building. A decrease arising on revaluation of leasehold land and office building is adjusted against the surplus of that asset or, if no surplus exists, is charged to the consolidated statement of profit or loss as an impairment of the asset. A surplus arising subsequently on an impaired asset is reversed through the consolidated statement of profit or loss upto the extent of the original impairment. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to the consolidated statement of profit or loss and depreciation based on the asset's original cost, net of deferred taxation, is reclassified from revaluation surplus on leasehold land and office building to unappropriated profit.

An asset's carrying amount is written down immediately to its recoverable amount if the carrying amount is greater than its estimated recoverable amount.

Disposal

Gains / losses on disposal of property and equipment, if any, are taken to the consolidated statement of profit or loss in the year in which these arise except that the related surplus on revaluation of fixed assets (net of deferred taxation) is transferred directly to unappropriated profit.

Useful life / Residual values

Assets having an indefinite useful life are stated at acquisition cost less accumulated impairment losses, if any.

The residual values, useful lives and methods of depreciation of assets are reviewed and adjusted, if appropriate, at each reporting date.

Capital work-in-progress

Capital work-in-progress is stated at cost less impairment loss, if any and consists of expenditure incurred (including any borrowing cost, if applicable) and advances made in the course of their construction and installation. Transfers are made to relevant asset category as and when assets are available for intended use.

3.4.2 Ijarah assets

Assets leased out under ijarah arrangements are recorded as ijarah assets and are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Modaraba and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of profit or loss as and when incurred. The residual values, useful lives and depreciation method are reviewed and adjusted, if appropriate, at each reporting date.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Depreciation is charged to the statement of profit and loss applying the straight line method whereby the cost of an asset less residual value is depreciated over the estimated useful life of the asset. Depreciation is charged on pro-rate basis from the date the asset is available for use till date of maturity / termination. In respect of additions and disposals during the year, depreciation is charged proportionately from the date of delivery of assets to the date of its maturity / termination.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the consolidated statement of profit and loss, in the year in which these arise.

3.4.3 Lease liability and right-of-use asset

As a lessee

The Group enters into agreements to lease premises for certain branches. Rental contracts are typically for a period of 3 years and may have renewal options. At inception of a contract, the Group assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At commencement or on modification of a contract that contains a lease component, the Group allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property the Group has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated under the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Group by the end of the lease term or the cost of the right-of-use asset reflects that the Group will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using incremental borrowing rate.

The Group determines its incremental borrowing rate by obtaining interest rates from various external financing sources.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- amounts expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Group is reasonably certain to exercise, lease payments in an optional renewal period if the Group is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Group is reasonably certain not to terminate early.

The lease liability is measured at amortised cost under the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, if the Group changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in consolidated statement of profit or loss if the carrying amount of the right-of-use asset has been reduced to nil.

Short-term leases and leases of low-value assets

The Group has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

3.5 Intangible assets

Recognition and measurement

i) Research and development

- Expenditure on research activities is recognised in consolidated statement of profit or loss as incurred.

Intangible assets that are acquired by the Group and have finite useful lives are measured at cost less accumulated amortisation and any accumulated impairment losses.

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in consolidated statement of profit or loss as incurred.

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values under the straight-line method over their estimated useful lives, and is recognised in consolidated statement of profit or loss. Amortisation on additions during the year is charged from the date on which the asset is put to use, whereas no amortisation is charged from the date the asset is disposed off.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Others

Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

Gains / losses on disposal of intangible assets, if any, are taken to the consolidated statement of profit or loss in the year in which these arise.

3.6 Net investment in finance lease

Leases in which the Group transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. Upon commencement, a lease receivable is recognised at an amount equal to the net investment in the lease, which comprises present value of the lease payments and any unguaranteed residual value accruing to the lessor. The present value is calculated by discounting the lease payments and any unguaranteed residual value, at the interest rate implicit in the lease. The "net investment in finance lease" included in the consolidated financial statements is recorded net of adjustable security deposit and the security deposit is initially measured at fair value (i.e., present value of repayment) and subsequently at amortised cost. Security deposits received under finance lease arrangements are classified as financial liabilities. Where the lease agreement contractually requires such deposits to be adjusted against the residual value of the leased asset at the end of the lease term, the deposits are offset against the estimated residual value in measuring the net investment in the lease.

3.7 Assets classified as held for sale

The Group classifies a non-current asset as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use.

A non-current asset held for sale is carried at the lower of its carrying amount and the fair value less costs to sell. Impairment losses are recognised through the consolidated statement of profit or loss for any initial or subsequent write down of the non-current asset to fair value less costs to sell. Subsequent gains in fair value less costs to sell are recognised to the extent these do not exceed the cumulative impairment losses previously recorded. A non-current asset is not depreciated while classified as held for sale.

3.8 Interests in equity-accounted investees

Associates are those entities in which the Company has significant influence, but not control, over the financial and operating policies.

Interests in associates are accounted for under the equity method. They are initially recognised at cost, which includes transaction costs. Subsequent to initial recognition, the unconsolidated financial statements include the Company's share of the profit or loss and OCI of equity accounted investees, until the date on which significant influence ceases.

Intra-group balances and transactions, and any unrealised income and expenses (except for foreign currency transaction gains or losses) arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity-accounted investees are eliminated against the investment to the extent of the Company's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.9 Impairment of non-financial assets

At each reporting date, the Group reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of an asset or CGU is the higher of its value in use and its fair value less costs of disposal. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount. Impairment losses are recognised in consolidated statement of profit or loss.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.10 Financial assets and financial liabilities

3.10.1 Recognition and initial measurement

The Group initially recognises loans and leases, certificate of deposits, debt securities issued and borrowings on the date on which they are originated. All other financial instruments (including regular-way purchases and sales of financial assets) are recognised on the trade date, which is the date on which the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is measured initially at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue. The fair value of a financial instrument on initial recognition is generally its transaction price.

3.10.2 Classification

Financial assets

On initial recognition, a financial asset is classified as measured at: amortised cost, FVOCI or FVTPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- i) the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVTPL:

- i) the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

All other financial assets are classified as measured at FVTPL.

In addition, on initial recognition, the group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise

Business model assessment

The Group makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- i) the stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;
- ii) how the performance of the portfolio is evaluated and reported to the Group's management;
- iii) the risks that affect the performance of the business model (and the financial assets held within that business model) and its strategy for how those risks are managed;
- iv) how managers of the business are compensated (e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected); and
- v) the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Group's stated objective for managing the financial assets is achieved and how cash flows are realised.

Assessment of whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

In assessing whether the contractual cash flows are SPPI, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Group considers:

- i) contingent events that would change the amount and timing of cash flows;
- ii) leverage features;
- iii) prepayment and extension terms;
- iv) terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse loans); and
- v) features that modify consideration of the time value of money (e.g. periodical reset of interest rates).

Equity instruments have contractual cash flows that do not meet the SPPI criterion. Accordingly, all such financial assets are measured at FVTPL unless the FVOCI option is selected.

Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Group changes its business model for managing financial assets.

3.10.3 Derecognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset and the consideration received any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

Any cumulative gain or loss recognised in OCI in respect of equity investment securities designated as at FVOCI is not recognised in profit or loss on derecognition of such securities.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

3.10.4 Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously. Income and expenses are presented on a net basis only when permitted under IFRS Accounting Standards.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.10.5 Impairment

The Company recognises loss allowances for ECL on the following financial instruments that are not measured at FVTPL:

- net investment in lease;
- loans and finances;
- Diminishing musharika; and
- Ijarah finance.

No impairment loss is recognised on equity investments.

The Group applies IFRS 9 simplified approach for leases and general approach for loans, Ijarah finance and diminishing musharika (loans) respectively to determine ECL.

Loss allowances for lease receivables are always measured at an amount equal to lifetime ECL.

A lifetime ECL is recorded on loans in which there has been a Significant Increase in Credit Risk (SICR) from the date of initial recognition and on loans which are credit impaired as on the reporting date.

A 12-months ECL is recorded for loans which do not meet the criteria for SICR or "credit impaired" as at the reporting date.

12-month ECL are the portion of lifetime ECL that result from default events on a financial instrument that are possible within the 12 months after the reporting date. Financial instruments for which 12-month ECL are recognised are referred to as 'Stage 1 financial instruments'. Financial instruments allocated to Stage 1 have not undergone a significant increase in credit risk since initial recognition and are not credit-impaired.

Lifetime ECL are the ECL that result from all possible default events over the expected life of the financial instrument or the maximum contractual period of exposure. Financial instruments for which lifetime ECL are recognised but that are not credit-impaired are referred to as 'Stage 2 financial instruments'. Financial instruments allocated to Stage 2 are those that have experienced a significant increase in credit risk since initial recognition but are not credit-impaired.

Financial instruments for which lifetime ECL are recognised and that are credit-impaired are referred to as 'Stage 3 financial instruments'.

Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows:

- financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the company expects to receive);
- financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

When discounting future cash flows, the following discount rates are used:

- financial assets other than lease receivables: the original effective interest rate or an approximation thereof;
- lease receivables: the discount rate used in measuring the lease receivable;

Significant Increase in Credit Risk (SICR)

As per IFRS 9, there is a rebuttable presumption that credit risk on a financial asset has increased significantly when contractual payments are more than 30 days past due. The Group has not rebutted this presumption, and exposures overdue by more than 30 days are classified as Stage II with lifetime expected credit losses (ECL) recognized.

The Group's Credit Department conducts periodic analysis of all sectors with outstanding exposure based on market intelligence, PACRA and VIS reports, and relevant news or regulatory developments. Sectors showing increased risk since the last review, or consistently classified as high risk, are flagged, and all customers in these sectors are subjected to a detailed qualitative and quantitative review to assess SICR.

Credit-impaired financial assets

At each reporting date, the Group assesses whether financial assets carried at amortised cost and finance lease receivables are credit-impaired (referred to as 'Stage 3 financial assets'). A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past-due event;
- the restructuring of a loan or advance by the Group on terms that the company would not consider otherwise; or
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation.

In line with IFRS 9, default is presumed not to occur later than 90 DPD. The Company applies this backstop and treats exposures past due by more than 90 days as in default.

The Group has performed an ECL assessment considering the following key elements:

- Probability of Default (PD): Probability represents the likelihood that a counterparty will default within the next 12 months (12-month ECL, Stage 1) or over the remaining lifetime of the financial instrument (lifetime ECL, Stage 2). The company employs a Roll Rate/Transition Matrix model to analyze monthly migration of obligors across Days Past Due (DPD) buckets, defined in 30-day intervals, based on historical data. These through-the-cycle PDs are then adjusted to point-in-time PDs using the Vasicek Distribution Framework, which incorporates forward-looking macroeconomic variables.
- Exposure at Default (EAD): The outstanding principal and accrued markup as of the reporting date, with repayment schedules generated to estimate exposure over the contractual life of each facility. For assets in Stage 1, EAD is limited to the next 12 months unless a significant increase in credit risk (SICR) is identified, in which case lifetime EAD is considered.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- Loss Given Default (LGD): LGD represents the estimated loss arising on a facility upon default and is calculated as the difference between contractual cash flows due and expected recoveries. Group determines LGD by asset type using vintage analysis of historical recoveries, discounted using effective interest rate applicable to each exposure. The segmentation reflects the underlying collateral (e.g., vehicles, machinery), and recoveries are adjusted for the time value of money.

Presentation of allowance for Expected Credit Loss in the Statement of Financial Position

Loss allowances are presented as a deduction from the gross carrying amount of financial assets measured at amortised cost.

3.10.6 Regular way contracts

All regular way purchases and sales of financial assets are recognised on the trade date i.e. the date on which the Group commits to purchase or sell the asset.

3.10.7 Reclassifications

The Group reclassifies financial assets when and only when its business model for managing those assets changes. The reclassification takes place from the start of the first reporting year following the change. Such changes are expected to be very infrequent and none occurred during the year.

3.10.8 Write-offs

Loans and leases are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Recoveries of amounts previously written off are recognised when cash is received and are included in 'Allowance of ECL on financial instruments' in the consolidated statement of profit or loss. A financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

3.11 Financial liabilities

Financial liabilities are recognised at the time the Group becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value less any directly attributable transaction cost.

Financial liabilities are subsequently measured at amortised cost except for:

- Financial liabilities at fair value through profit or loss; and
- Financial liabilities arising from the transfer of financial assets which do not qualify for derecognition, whereby a financial liability is recognised for the consideration received for the transfer.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.11.1 Derecognition

Financial liabilities are derecognised at the time when these are extinguished i.e. when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is taken to the consolidated statement of profit or loss.

3.12 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

Certificate of deposits, borrowings, finances, loans and their costs

These are initially recognised at cost being the fair value of consideration received. Subsequently, these are carried at amortised cost using the effective interest method.

Costs in respect of above are recognised as an expense in the year in which these are incurred using the effective interest method.

Transaction costs, if any, are amortised over the period of agreement using the effective interest method.

3.13 Redeemable capital

The Modaraba offers only one deposit product, "Certificates of Musharika (COM)" under a scheme duly approved by the Securities and Exchange Commission of Pakistan vide its letter no.7(04) Reg-Mod/95-449 dated April 4, 1995. The Scheme of COM has been formulated under the parameters laid down for this purpose by the Securities and Exchange Commission of Pakistan ("SECP") in its "Guidelines for Issue of Certificates of Musharika for Modarabas" (the "Guidelines") issued on September 7, 1994.

As per the requirements of the Guidelines, the scheme of COM is based on the concept of "Musharika". Hence, it is classified as redeemable capital. The salient features of the COM are as follows:

- This is a return based certificate wherein a deposit is placed with the Modaraba for a definite period of time.
- Total profits after charging all expenses, provisions / impairments and Management Company's remuneration of the Modaraba are shared by the COM holders and the Modaraba in accordance with ratio declared by the Modaraba and accepted by the COM holders. In the absence of such declaration, the total profits shall be shared between the COM holders and the Modaraba in proportion to their contribution in the Funds.
- The amount of profit allocated to the COM holders shall be shared among different categories/tiers of the COM holders on the basis of predetermined weightages announced by the Modaraba at the beginning of each quarter.
- In the event of loss, such loss shall be shared between the COM holders and the Modaraba in proportion to their respective funds.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.14 Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimates.

3.15 Contingent liabilities

A contingent liability is disclosed when the Group has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence, of one or more uncertain future events not wholly within the control of the Group; or the Group has a present legal or constructive obligation that arise from past events, but it is not probable that an outflow of resources embodying benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability.

3.16 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the consolidated statement of profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity through other comprehensive income.

Current

Provision for current taxation is based on taxable income for the year at the current rate of taxation after taking into account applicable tax credits, rebates and exemptions available, if any. Tax charge for the current year is determined in accordance with the prevailing laws for taxation. The charge for the current tax is calculated using tax rates enacted or substantively enacted at the reporting date. The charge for the current tax also includes adjustments relating to prior years, if necessary, arising from assessments finalised during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities used for financial reporting purposes and amounts used for taxation purposes. In addition, the Group also records deferred tax asset on available tax losses. Deferred tax is calculated using the rates that are expected to apply to the year when the differences reverse based on tax rates that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefits will be realised.

The Group also recognises deferred tax asset / liability on deficit / surplus on revaluation of securities / property and equipment which is adjusted against the related deficit / surplus in accordance with the requirements of International Accounting Standard (IAS) 12 "Income Taxes".

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Levy

In accordance with Income Tax Ordinance, 2001 (Ordinance), computation of final taxes is not based on taxable income. Therefore, as per IAS 12 Application Guidance on Accounting for Minimum Taxes and Final Taxes issued by the Institute of Chartered Accountants of Pakistan (ICAP), these fall within the scope of IFRIC 21 / IAS 37.

3.17 Staff retirement benefits

(a) Defined contribution plans

Operated by the Holding Company

The Holding Company operates a recognised contributory Provident Fund Scheme (the Fund) for all its permanent employees who have completed the minimum qualifying period in accordance with the HR policy. The Fund is administered by a Board of Trustees. Equal monthly contributions to the Fund are made both by the Holding Company and by the employees at the rate of 10% of basic salary. Obligations for contributions to defined contribution plan are expensed as the related service is provided and recognised as personnel expenses in consolidated statement of profit or loss. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Operated by the Modaraba

The Modaraba operates a recognised provident fund for all eligible employees and an approved funded defined contributory gratuity scheme for all permanent employees. Gratuity is payable to employees on completion of the prescribed qualifying period of service under the scheme. Contributions to the provident fund and gratuity fund are made at the rate of 10% and 8.33% respectively, of the basic salaries of employees.

Obligation for contribution to defined contribution plans are recognised as an employee benefit expense in the consolidated statement of profit or loss when these are due.

(b) Defined benefit plan

The Holding Company operates an approved funded gratuity scheme covering all permanent employees who have completed the minimum qualifying period of three years of service under the scheme. The scheme is administered by a Board of Trustees and contributions therein are made in accordance with the actuarial recommendations. The valuation in this regard is carried out at each reporting date.

The Holding Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The calculation of defined benefit obligations is performed annually by a qualified actuary under the projected unit credit method. When the calculation results in a potential asset for the Holding Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in OCI. The Holding Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the unconsolidated statement of comprehensive income when these occur with no subsequent transfer through the consolidated statement of profit or loss.

3.18 Foreign currency transactions

Foreign currency transactions

Transactions in foreign currencies are translated into the respective functional currencies of Group companies at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Foreign currency differences are generally recognised in consolidated statement of profit or loss.

Foreign operations

The assets and liabilities of foreign operations are translated into PKR at the exchange rates at the reporting date. The income and expenses of foreign operations are translated into PKR at the exchange rates at the dates of the transactions. Foreign currency differences are recognised in OCI and accumulated in the foreign currency translation reserve except to the extent that the translation difference is allocated to NCI.

When a foreign operation is disposed of in its entirety or partially such that significant influence is lost, the cumulative amount in the translation reserve related to that foreign operation is reclassified to consolidated statement of profit or loss as part of the gain or loss on disposal. If the Group disposes of part of its interest in a subsidiary but retains control, then the relevant proportion of the cumulative amount is reattributed to NCI. When the Group disposes of only part of an associate or joint venture while retaining significant influence or joint control, the relevant proportion of the cumulative amount is reclassified to profit or loss.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.19 Revenue recognition

3.19.1 Finance leases

The Group follows the 'financing method' in accounting for finance lease. The total unearned finance income i.e. the excess of aggregate instalment contract receivables plus residual value over the cost of the leased asset is deferred and amortised over the term of the lease, so as to produce a systematic return on the net investment in finance lease using effective rate.

3.19.2 Operating lease income

Rental income from assets classified as operating lease is recognised on accrual basis.

3.19.3 Ijarah lease income

- The Group follows the finance method for recognising income on ijarah arrangements commencing on or after July 1, 2008. Ijarah rentals are recognised as income on accrual basis, as and when rentals become due. In case of ijarah arrangements with staggered rentals, the income is recognised on a straight line basis over the ijarah term.
- Unearned income in respect of non-remunerative security deposits is recognised on a straight line basis over the lease term. This represents the difference between fair value and transaction price on initial recognition.
- Gains / losses on termination of ijarah contracts are recognised as income / expense as the difference between the proceeds realised from the customers on sale of ijarah assets and the net book value at which such assets are carried at the time of termination.
- Consolidated front end fees are taken to the statement of profit and loss on effective profit rate method.
- Profit / return on deposits / investments is recognised on effective profit rate.
- Income from Shariah non-compliant avenues is not recognised in the statement of profit and loss and is classified as charity payable.

Profit

i. Effective profit rate

Profit income is recognised in consolidated statement of profit or loss under the effective profit rate method.

The 'effective profit rate' is the rate that exactly discounts estimated future cash payments and receipts through the expected life of the financial instrument;

- to the gross carrying amount of the financial asset.
- the amortised cost of the financial liability.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

When calculating the effective profit rate for financial instruments the Group estimates future cash flows considering all contractual terms of the financial instrument, but not ECL.

The calculation of the effective profit rate includes transaction costs and fees that are an integral part of the effective profit rate. Transaction costs include incremental costs that are directly attributable to the acquisition or issue of a financial asset.

ii. Amortised cost and gross carrying amount

The 'amortised cost' of a financial asset is the amount at which the financial asset is measured on initial recognition minus the principal repayments, plus or minus the cumulative amortisation under the effective profit method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance. The 'gross carrying amount of a financial asset' is the amortised cost of a financial asset before adjusting for any expected credit loss allowance.

iii. Calculation of profit income

The effective profit rate of a financial asset or financial liability is calculated on initial recognition of a financial asset or a financial liability. In calculating profit income and expense, the effective profit rate is applied to the gross carrying amount of the asset (when the asset is not credit impaired) or to the amortised cost of the liability.

However, for financial assets that have become credit-impaired subsequent to initial recognition, profit income is calculated by applying the effective profit rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of profit income reverts to the gross basis.

For financial assets that were credit-impaired on initial recognition, profit income is calculated by applying the credit-adjusted effective profit rate to the amortised cost of the asset. The calculation of profit income does not revert to a gross basis, even if the credit risk of the asset improves.

Proposed profit distribution to Modaraba certificate holders and transfers between reserves

Proposed profit distribution and transfers between reserves made subsequent to the reporting date are considered as non-adjusting events and are recognised in the financial statements in the period in which such profit distribution is declared / transfer is made.

3.19.4 Return on investments

- Return on debt securities and deposit accounts is recognised using the effective interest rate method.
- Dividend income from investments is recognised when the Group's right to receive the dividend is established.
- Gain / loss on sale of investments is recognised in the year in which it arises.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.19.5 Loans and finances

i. Interest

Income on loans and finances is recognised using effective interest rate method taking into account the principal outstanding and applicable rates of interest / return thereon.

ii. Effective interest rate

The 'effective interest rate' is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

When calculating the effective interest rate for financial instruments other than purchased or originated credit-impaired assets, the Group estimates future cash flows considering all contractual terms of the financial instrument, but not ECL.

The calculation of the effective interest rate includes transaction costs and fees and points paid or received that are an integral part of the effective interest rate. Transaction costs include incremental costs that are directly attributable to the acquisition of a financial asset.

iii. Amortised cost and gross carrying amount

The 'amortised cost' of a financial asset is the amount at which the financial asset is measured on initial recognition minus the principal repayments, plus or minus the cumulative amortisation under the effective interest method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance. The 'gross carrying amount of a financial asset' is the amortised cost of a financial asset before adjusting for any expected credit loss allowance.

iv. Calculation of interest income

The effective interest rate of a financial asset is calculated on initial recognition of a financial asset. In calculating interest income, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit impaired). The effective interest rate is revised as a result of periodic re-estimation of cash flows of floating-rate instruments to reflect movements in market rates of interest.

However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

For financial assets that were credit-impaired on initial recognition, interest income is calculated by applying the credit-adjusted effective interest rate to the amortised cost of the asset. The calculation of interest income does not revert to a gross basis, even if the credit risk of the asset improves.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.19.6 Diminishing Musharika

It is a form of partnership in which the Modaraba and the customer create co-ownership in the asset by purchasing it jointly. The Modaraba then rents out its share of the asset to customers. Besides the payment of rentals, customer also purchases the asset from the Modaraba in installments. Hence at the end of the tenure, customer becomes sole owner of the asset. Profit on Diminishing Musharika arrangements is recognised under the effective profit rate method based on the outstanding amount as explained in note 3.19.5

3.19.7 Others

Other income is recognised on receipt basis.

3.20 Earnings per share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Group by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders, and the weighted average number of ordinary shares outstanding, for the effects of all dilutive potential ordinary shares, if any.

3.21 Proposed dividend and transfer between reserves

Dividends declared and transfers between reserves, except appropriations which are required by law, made subsequent to the reporting date are considered as non-adjusting events and are recognised in the consolidated financial statements in the year in which such dividends are declared / transfers are made.

3.22 Cash and cash equivalents

Cash and cash equivalents for the purposes of the consolidated statement of cash flows includes cash and bank balances and short term running finance facilities that form an integral part of the Group's cash management.

3.23 Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses including revenues and expenses that relate to transactions with any of the Group's other components. The Group has three primary reporting segments for reporting purpose namely, Finance lease, Finances & Loans and Islamic Finance.

Operating segments are reported in a manner consistent with the internal reporting structure. Management monitors the operating results of its business units separately for the purpose of making decisions regarding resources allocation and performance assessment. Segment results, assets and liabilities include items directly attributable to the segment as well as those that can be allocated on a reasonable basis. Those assets and liabilities which cannot be allocated to a particular segment on a reasonable basis are reported as unallocated assets and liabilities.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

3.24 Commitments

Commitments are disclosed in the consolidated financial statements at committed amounts.

3.25 Discontinued operations

A discontinued operation is a component of the Group's business, the operations and cash flows of which can be clearly distinguished from the rest of the Group and which:

- represents a separate major line of business or geographic area of operations;
- is part of a single co-ordinated plan to dispose of a separate major line of business or geographic area of operations; or
- is a subsidiary acquired exclusively with a view to resale.

Classification as a discontinued operation occurs at the earlier of disposal or when the operation meets the criteria to be classified as held-for-sale.

When an operation is classified as a discontinued operation, the comparative statement of profit or loss and OCI is re-presented as if the operation had been discontinued from the start of the comparative year.

4 Revenue recognition on credit-impaired contracts

During the year, the Company obtained an exemption from the Securities and Exchange Commission of Pakistan (SECP) from the requirements of IFRS 9 relating to the recognition of mark-up income on credit-impaired contracts. Under the exemption, the Company is allowed to suspend recognition of mark-up income on credit-impaired contracts until such income is actually realized in cash.

Previously, the Holding Company followed the requirements of IFRS 9, whereby mark-up income on credit-impaired contracts was accrued by applying the effective interest rate to the amortized cost (i.e. principal outstanding less provision).

Accordingly, mark-up income previously recognized by the Holding Company on credit-impaired contracts has been reversed in accordance with the terms of the exemption granted by SECP. As the impact of the change on the consolidated financial statements is immaterial, amounting to Rs. 20.06 million, net of tax, the effect has been recognized in the current year.

The impact relating to June 30, 2025 and prior periods recognized in the current year is as follows:

	(Rupees)
Decrease in mark-up income, ijarah and diminishing musharika. on loans and leases - net	(42,069,372)
Expected credit loss / provision for lease, loans and finances - net	4,027,352
	(38,042,020)
Taxation	17,977,722
	(20,064,298)

5.1.1 The leasehold land and building of the Company were revalued by M/s. Surval (Private) Limited (an independent professional valuer) on June 30, 2026 on the basis of professional assessment of the present market values which resulted in an increase in surplus on revaluation by Rs. 230 million. The details are mentioned in note 50.

Had the revaluation not been carried out, costs, accumulated depreciation and written down value of leasehold land and office building thereon would have been as follows:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Summary of the fair value as determined by the valuer in June 30, 2026 is as follows:

Address	Market value			Forced sale value
	Land	Building	Total	
	----- Rupees -----			
Plot No. 16, Sector No. 24, Korangi Industrial Area	780,039,000	160,134,400	940,173,400	752,138,720
Plot No. 49, Sector No. 24, Korangi Industrial Area	215,534,000	6,135,700	221,669,700	177,335,760
	995,573,000	166,270,100	1,161,843,100	929,474,480

Particulars of land and building are included in note 5.1.4.

Had the revaluation not been carried out, costs, accumulated depreciation and written down value of leasehold land and office building thereon would have been as follows:

2026			
	Cost	Accumulated depreciation	Net book value
----- Rupees -----			
Leasehold land	54,399,300	12,769,790	41,629,510

7.2 Included in cost of intangible assets are fully amortised items which are still in use aggregating to Rs. 128.23 million (June 30, 2025: Rs. 123.48 million).

7.3 The Company commenced an in-house IT transformation project in January 2025, following the approval of Board of Directors. As of June 30, 2026, the project remains in the development phase, which includes the system's design, development, and testing, and is progressing in accordance with the approved project timeline. The asset is expected to be available for use upon successful completion of the project. Accordingly, the Company has capitalized development expenditures directly engaged in the development activities.

7.4 The amortisation expense of computer software and license and customer relationship for Ijarah for the year has been charged to administrative and general expenses and direct cost respectively.

9.3 These represent vehicle financing facilities provided to individual and corporate customers on mark-up basis. The mark-up on these finances ranges from 14.64% to 34.00% (June 30, 2025: 15.24% to 35.00%) per annum. These finances are repayable within a period of upto 6 years (June 30, 2025: upto 5 years) and are secured against charge over vehicles and personal guarantees.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- 9.4** These represent long-term micro finance facilities provided to individuals on mark-up basis. The mark-up on these loans ranges from 30.00% to 35.00% (June 30, 2025: 22.00% to 44.80%) per annum. These finances are repayable within a period of 1.25 to 2 years (June 30, 2025: 1.25 to 2 years) and are secured against personal guarantees.
- 9.5** These represent term finance facilities provided to commercial business customers on mark-up basis. The mark-up on these finances ranges from 18.71% to 19.17% (June 30, 2025: 15.21% to 24.00%) per annum. These finances are repayable within a period of upto 4 years (June 30, 2025: upto 4 years) and are secured against business assets. Additional collateral in form of property mortgage and personal guarantees are also obtained.
- 9.6** These represent musharikah finance facilities provided to customers. The profit rate on these finances ranges from 12.85% to 28.64% (June 30, 2025: 12.81% to 26.19%) per annum. The facilities have a repayment term of 3 to 5 years (June 30, 2025: 3 to 5 years) and are secured by assets subject to musharikah agreement.
- 9.7** These represent loans given to staff in accordance with the terms of the Company's HR policy and include house loans which are repayable within a period of 20 years or retirement date, whichever is earlier. House loans are secured against equitable mortgage on the property by deposit of title documents of the property with the Company and carry mark-up rate ranging from 4% to 6.77% (June 30, 2025: 4% to 17.73%) per annum.
- Loans (other than house loans) carry mark-up rates ranging from 5% to 23.55% (June 30, 2025: 5.00% to 23.55%) per annum. These are secured against retirement benefits and are repayable within a period of five years.
- Maximum amount outstanding at the end of any month during the year against loans to key management personnel and executives was Rs. 254.26 million (June 30, 2025: Rs. 297.86 million).
- 9.8** These represent long-term finance facilities provided to farmers on mark-up basis. The rates of return on these loans range from 21.00% to 35.00% (June 30, 2025: 15.00% to 35.00%) per annum. These loans are repayable within a period of 2 years (June 30, 2025: within a period of 2 years) and are secured against title documents of the immovable properties.
- 9.9** As per Regulation 25(A) of the NBFC Regulations, NBFCs with micro finance portfolio are required to maintain a general provision equivalent to 0.5% of the net outstanding micro finance portfolio (net of specific provisions).

----- (Number of shares) -----			----- Rupees -----		
			Unquoted		
1,375,000	1,375,000	Yanal Finance Company	10.1.1	1,753,135,634	1,775,618,949

10.1.1 The holding company holds 2.5% (2025: 2.5%) ownership interest in Yanal Finance Company (YFC), which was incorporated in Riyadh, Kingdom of Saudi Arabia. The holding company's contractual right to nominate 2 out of 9 directors on YFC board member enables it to participate in and influence its key financial and operational decisions. Moreover, the CEO of the holding company is also the MD of YFC. Accordingly, YFC is accounted under equity method of accounting due to the significant influence exercised by the Company. The latest available audited financial statements, which are prepared on a going concern basis, for the year ended December 31, 2025 have been audited by Pricewaterhouse Coopers, Kingdom of Saudi Arabia.

10.1.2 Summarised un-audited financial statements of associate are as follows:

	As at June 30			For the year ended June 30			Interest held
	Total assets	Total liabilities	Net assets	Revenues	Profit	OCI

For the Year Ended June 30, 2026

	Note	2026	2025
		Rupees	
10.1.3 Movement of investment in associate is as follows:			
Balance at the beginning of the year		1,775,618,949	1,707,416,512
Share of profit for the year	34	129,223,583	154,255,506
Dividend received during the year		(121,431,403)	(121,290,321)
Exchange (loss) / gain arising on translation of a foreign associate		(38,416,023)	36,120,045
Share of other comprehensive income		8,140,528	(882,793)
Balance at the end of the year		1,753,135,634	1,775,618,949

10.1.4 The carrying value of investment in associate in foreign currency is SAR 23.7 million (June 30, 2025: SAR 23.5 million).

10.2 The holding company holds 45% (June 30, 2025: 45%) ownership interest in OPP (Private) Limited. During 2014, the Board of Directors approved the divestment of the holding company's entire investment in OPP. The sales negotiations for disposal of investment in OPP were held with a minority shareholder of OPP and a Share Purchase Agreement (SPA) was signed by all the parties in July 2014. However, the minority shareholder had failed to comply with the terms of the SPA and initiated legal proceedings to restrict the Company from managing the affairs of OPP. The holding company has also filed a reference in the Lahore High Court to allow the Company to buy out the minority stakeholder in OPP or to wind up OPP which is pending to date. As the matter is under litigation and due to limited availability of financial information, the investment has been fully impaired.

10.3 The holding company holds 16.87% (June 30, 2025: 23%) ownership interest in SAMA Finance SAE (SAMA). In February 2019, the Board of Directors approved the divestment of this investment. The holding company's contractual right to nominate 2 out of 11 directors on SAMA board member enables it to participate in and influence its key financial and operational decisions. Accordingly, SAMA is classified as an investment in associate. The holding company engaged in sale negotiation for disposal, signed a Sale Purchase Agreement (SPA) on October 17, 2019. Although the long stop date of the agreement expired in May 2022 without an extension, the Board reaffirmed their intention to sell in April 2023. The investment has been fully impaired due to hampered profits, using the present value valuation method.

12 DEFINED BENEFIT PLAN ASSETS - STAFF GRATUITY

12.1 General description

The Holding Company operates a funded gratuity scheme which was established under the provisions of the Trust Deed dated July 1, 2004 for its permanent staff who have completed the minimum qualifying period of three years of service under the scheme. In view of promulgation of Sindh Trust Act, 2020 (the Act), the Holding Company and the trustees of the fund have registered the original trust deed and rules under the Act in September 2022. The funded scheme is administered by the Board of Trustees in accordance with the provisions of the Trust Deed. Contributions therein are made in accordance with actuarial recommendations. The most recent valuation in this regard was carried out as at June 30, 2026 using the Projected Unit Credit Method.

12.2 Principal actuarial assumptions

	2026	2025
- Discount rate	11.75%	12.25%
- Expected short term salary increase rate	12.50%	10.00%
- Expected long term salary increase rate	11.50%	11.75%
- Expected rate of return on plan assets	11.69%	16.12%
- Average service years	13.55	13.67

Assumptions regarding future mortality are set based on actuarial advice in accordance with published statistics and experience in Pakistan. The rates assumed are based on the SLIC (2001 - 2005) -1 ultimate mortality tables rated down one year.

- 12.3** The amount recognised in the consolidated statement of financial position is as follows:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

12.10 Actual return on plan assets during the year amounted to Rs. 45.56 million (June 30, 2025: Rs. 64.08 million).

12.11 Based on the actuarial advice, the holding company intends to charge an amount of approximately Rs. 19.09 million in respect of contribution to gratuity fund in the unconsolidated financial statements for the year ending June 30, 2027.

12.12 The Fund is exposed to a number of risks, the most significant of which are detailed below:

Mortality risk	This is the risk that the actual mortality experience is different from what was initially expected. The effect depends on the beneficiaries' service/age distribution and the benefit.
Investment risk	This is the risk of investments underperforming and not being sufficient to meet liabilities. However, the trustees of the fund have a practice to invest the amounts in government securities that are secured.
Final salary risk	This is the risk that the final salary at the time of cessation of service is greater than expectation. Since the benefit is calculated on the basis of final salary, the benefit amount increases proportionately. In order to minimise the risk the actuary of the Holding Company uses past pattern which provides basis to form a reliable estimate.
Withdrawal risk	This is the risk that withdrawals may be higher or lower than actuarial assumptions. The final effect could go either way depending on the beneficiaries' service / age distribution and the benefit. The Holding Company ensures the availability of sufficient liquid funds in the gratuity fund and makes regular contributions to minimise the risk.

12.13 The sensitivity of the defined benefit obligation to changes in principal actuarial assumptions is as follows:

	Impact on Defined benefit obligation		
	Change in assumption	Increase in assumption	Decrease in assumption
	----- % -----	----- Rupees -----	
Discount rate	1.0%	317,362,461	359,237,088
Salary growth rate	1.0%	357,480,616	318,584,313

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognised within the consolidated statement of financial position.

12.14 The distribution of timing of payment of benefits is as follows:

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6 to Year 10
	----- Rupees -----					
Defined benefit obligation	25,363,578	110,981,665	27,174,004	46,960,502	36,451,687	239,122,786

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

12.15 The weighted average duration of the defined benefit obligation is 6.19 years.

12.16 The information provided in notes 12.1 to 12.15 have been obtained from the details provided by the actuary of the Holding Company.

13	SHORT-TERM FINANCES	Note	2026	2025
			Rupees	
	Considered good - secured

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- 28.1** As a consequence of the 18th amendment to the Constitution of Pakistan, in May 2015 the Sindh Workers' Welfare Fund Act, 2014 (SWWF Act) had been passed by the Government of Sindh as a result of which every industrial establishment located in the Province of Sindh, the total income of which in any accounting year is not less than Rs 0.50 million, is required to pay Sindh Workers' Welfare Fund (SWWF) in respect of that year a sum equal to two percent of such income.

The Sindh Revenue Board (SRB) vide letter no. SRB/DC-A(W)/2017/Rep/4760 dated January 16, 2017 had advised the Modaraba to pay off all its liabilities falling due under the SWWF Act. The management considered that the SWWF Act is limited only to the province of Sindh and till the time there is any mechanism available for apportionment of total income relevant to province of Sindh, no SWWF liability to SRB can be paid out. On these grounds, foreseeing the expected WWF demand and penal actions from SRB, the Modaraba had filed a Constitutional Petition (CP) No. CP.D.3879/2017 with the Honorable Sindh High Court. On March 16, 2020, an interim order was issued by the Honorable Sindh High Court whereby the Modaraba was instructed to deposit the SWWF liability either with SRB or Nazir as appointed by the Court. During the year, no amount has been deposited relating to SWWF (2025: Rs 1.999 million). The management has provided for SWWF liability for the period from January 1, 2014 to June 30, 2026 in these financial statements on a prudent basis. During the year, the Honourable High Court of Sindh ruled in favour of Modarabas that the Modarabas having trans-provincial operations will pay WWF to FBR and Modarabas' operating within a single province will pay WWF to their respective Provincial Revenue Board. However, SRB has challenged such decision in Supreme Court of Pakistan.

32 CONTINGENCIES AND COMMITMENTS

32.1 Holding Company

- 32.1.1** The Additional Commissioner Inland Revenue (ACIR) passed an amended assessment order on July 18, 2014 under section 122(5A) of the Income Tax Ordinance 2001 (the Ordinance) for the tax year 2010 and created a demand of Rs 167 million by disallowing capital loss on sale of shares and certain other matters. The Company contested the matter in appeals before the Commissioner Inland Revenue (Appeals) (CIR-A). The CIR-A disposed of the Company's appeal, allowing minor relief. The Company further contested the matter in appeal before the Appellate Tribunal Inland Revenue (ATIR) on the issues decided against the Company. Apart from contesting the matter in appeal before the CIR-A, the Company also filed rectification application with the ACIR which was rejected. The Company filed an appeal before the CIR-A wherein part relief were allowed. The department also filed an appeal against the order passed by the CIR-A before the ATIR. ATIR vide combined order dated September 6, 2023, read with difference of opinion, dated January 6, 2024 disposed of the cross appeals whereby the matters were decided in the Company's favour and remanded back to ACIR with directions.

Subsequently, the department filed a reference application before the Sindh High Court on May 14, 2024. The reference application was disposed of by the Sindh High Court on March 30, 2026, being time-barred. Thereafter, the department preferred an appeal before the Supreme Court of Pakistan, which is currently pending adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome. Accordingly, no tax provision has been made in these consolidated financial statements.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

32.1.2 In the year 2017, the Deputy Commissioner Inland Revenue (DCIR) amended the orders for the tax years 2011 and 2014 creating an aggregate demand of Rs 126.2 million mainly on account of difference in determination of minimum tax liability under section 113 of the Ordinance, disallowance of tax loss on lease terminations and certain other matters. The Company contested the matters in appeals before the CIR-A, which were maintained. The Company then filed appeal before the ATIR, which was disposed of vide combined order dated January 18, 2024 wherein most of the issues have been decided in the Company's favor. However, the matter of tax loss on pre-mature termination of lease was remanded back to DCIR with directions. Subsequently, the department filed a reference application before the Sindh High Court (SHC) on May 07, 2024, which is currently pending adjudication.

Moreover, ATIR vide order dated January 21, 2026 rejected the appeal filed by the department for tax year 2011 on the issue of allocation of expenses.

Based on the tax advisor's opinion, the management is confident of a favorable outcome. Accordingly, no tax provision has been made in these consolidated financial statements.

32.1.3 The assessments of Standard Chartered Leasing Limited (SCLL) - amalgamated entity - for the years 1998-99 to 2002-03 were finalized by the tax officer whereby lease key money amounting to Rs. 239 million was added to income. In appeals with the ATIR, the addition was maintained. SCLL filed a rectification application before ATIR that certain arguments advanced at the time of hearing of appeals were not considered while framing the order. The ATIR vide appellate order dated February 27, 2008 recalled its original appellate order for all these years and referred the case to the Chairman ATIR to constitute a larger bench for rehearing / decision of the case.

No provision has been made in these consolidated financial statements in this respect as the management is of the view that the same will be allowed in the favor of the Holding Company.

32.1.4 The ACIR passed an amended assessment order under section 122(5A) of the Ordinance for the tax years 2015 to 2018 where demands in aggregate of Rs. 3,229 million were raised. This was mainly due to disallowance of tax loss on termination of leases and certain other matters. In tax years 2015 and 2016, the issue of determination of the levy of minimum tax has also been raised. Additionally on October 3, 2019, the ACIR rectified the amended assessment order (rectification order) under section 221(1) of the Ordinance for the tax year 2017 and created an additional demand of Rs. 290 million after taking into account the amended amount of brought forward tax losses. The Company preferred appeals against these orders before the CIR-A for all these years. On January 8, 2020 CIR-A disposed of Company's appeals and decided certain matters in the Company's favor whereas certain matters were remanded back to the Officer with specific directions. The Company as well as the income tax department have filed appeals before the ATIR on the matters which have not been decided in their favor by the CIR-A and are pending for adjudication.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

In February 2021, the ACIR has given effect to the first appeal order setting aside assessments for tax years 2015 and 2016 where demands of Rs 11.06 million and Rs 118.76 million respectively have been raised. During March 2021, the Company filed appeals against these orders before the CIR-A. The Company has also discharged 10% of the demands u/s 140 of the Ordinance amounted to Rs 1.10 million and Rs 11.87 million for tax year 2015 and 2016 respectively. CIR-A vide order August 3, 2023 disposed of the Company's appeal for tax year 2015 wherein he remanded back the matters to the Officer with directions. CIR-A vide order dated August 03, 2023 and August 31, 2023 disposed of the Company's appeal for tax year 2015 and 2016 wherein he remanded back the matters to the Officer with directions.

In January 2021, the ACIR has given effect to the orders passed by CIR-A for tax years 2017 and 2018 wherein demands of Rs. 1.22 billion and Rs. 1.36 billion respectively were raised. During February 2021, the Company filed rectification applications. The ACIR has substantially rectified the orders and allowed tax losses on termination and unabsorbed depreciation resulting in a reduction in tax demand to Rs. 252 million and Rs. 479 million respectively. The Company filed appeals for both the tax years before CIR-A against the remaining pending issues in the appeal effect orders along with an application for rectification for tax year 2017. The officer passed the rectified order and further revised the demand for tax year 2017 to Rs. 227 million. The Company discharged 10% of the demand u/s 140 of the Ordinance amounting to Rs 19.02 million and Rs 14.58 million for tax year 2017 and tax year 2018 respectively. CIR-A vide orders dated January 31, 2024 and July 31, 2023 disposed of the Company's appeals for tax years 2017 and 2018, respectively, wherein he has remanded back most of the matters to the Officer with specific directions.

Based on the tax advisor's opinion, the management is confident of a favorable outcome. Accordingly, no tax provision has been made in these consolidated financial statements.

- 32.1.5** In 2020, the ACIR passed an amended assessment order under section 122(5A) of the Ordinance for tax year 2019 wherein a demand of Rs. 1,022 million was raised. This was mainly due to the result of disallowance of tax losses on lease (both on maturity and pre-mature) termination and certain other matters including super tax. The Company has filed an appeal against the order before the CIR-A who vide order dated July 27, 2023 disposed-of the Company's appeal. The Company as well as the department have filed appeals before the ATIR on the matters which have not been decided in their favor and are pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these consolidated financial statements.

- 32.1.6** In 2021, the ACIR passed an amended assessment order dated October 04, 2021, under section 122(5A) of the Ordinance for tax year 2020 wherein a demand of Rs.137 million has been raised. This was mainly due to the result of disallowance of tax losses on pre-mature termination of leases, write-offs and certain other matters. The Company has paid 10% of the demand u/s 140 of the Ordinance amounting to Rs 13.76 million. The Company has filed an appeal against the order before the CIR-A vide who order dated August 8, 2023 disposed-of the Company's appeal. The Company as well as the department have filed appeals before the ATIR on the matters which have not been decided in their favor and are pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these consolidated financial statements.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

32.1.7 The Company received an amendment assessment order notice dated July 5, 2022, under section 122(5A) of the Ordinance for tax year 2021 wherein a demand of Rs.57 million has been raised. This was mainly due to the result of disallowance of tax loss on pre-mature termination of leases, write-offs and certain other matters. On August 3, 2022, the Company has filed an appeal before the CIR-A. Apart from above, the Company filed an application for the rectification under section 221 of the Ordinance with the ACIR. The Company paid 10% of the demand after adjusting rectification u/s 140 of the Ordinance amounting to Rs. 4.9 million. CIR-A issued an order on February 26, 2024, disposed of the Company's appeal. The Company as well as the department have filed appeals before the ATIR on the matters which have not been decided in their favor and are pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these consolidated financial statements.

32.1.8 The Company received an order on monitoring of withholding taxes of Standard Chartered Leasing Limited (SCLL) under section 161(1) of the Ordinance for tax year 2016 wherein a demand of Rs. 50 million along with Rs. 36 million default surcharge has been levied. This was in continuation with the notice dated October 11, 2017 which was then duly responded by the Company. However, due to change in jurisdiction of the case, the notice was raised again on June 22, 2022 in the name of the Company, which was duly responded along with previous submitted reply and evidences on June 29, 2022. The Officer passed the order under sections 161/205 dated July 6, 2022 raising a demand of Rs 86.7 million holding the Company as assessee in default for non-deduction of tax. On July 28, 2022, the Company has filed an appeal before the CIR-A. On January 8, 2024, CIR-A has disposed-of the Company's appeal by remanding back to the Officer with directions for scrutiny of documents. The department has filed an appeal before the ATIR which is pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favorable outcome on these matters. Accordingly, no tax provision has been made in these consolidated financial statements.

32.1.9 In October 2022, the Deputy Commissioner Inland Revenue (DCIR) issued notices under Section 176 of the Ordinance required the Company to submit reconciliation of withholding tax deductions with payments reflected in the audited financial statements for the tax year 2017 which was duly responded. Subsequently, the DCIR, without considering the submissions, vide order dated June 26, 2023 framed under Section 161(1) of the Ordinance concluded the proceedings raised demand of Rs. 482 million for alleged short deduction or non-payment of withholding taxes. The Company filed an appeal before the CIR-A who vide order dated September 6, 2023 disposed of the appeal remanding the case back to the DCIR with directions to scrutinize the submitted documents.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these consolidated financial statements.

32.1.10 The DCIR issued show cause notices to the Company challenging the estimates of advance tax under section 147 of the Ordinance filed by the Company for the quarters ended March 31, 2019 and September 30, 2019 and additionally demanded Rs. 259.4 million and Rs. 117.2 million respectively for these years. The Company's tax advisors are of the opinion that the estimates filed by the Company is in accordance with the law and accordingly the Company filed a constitutional petition before the SHC against the recovery of impugned advance tax demand. The SHC has passed a stay order restricting the FBR from taking any coercive measures against the Company.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these consolidated financial statements.

32.1.11 In 2019, the Company received show cause notices from the Sindh Revenue Board (SRB) demanding Sindh Provincial Sales Tax (SPST) amounting to Rs. 519 million against income from operating lease rental of generators for the years ended June 30, 2012, 2013, 2014, 2015, 2016 and 2017 along with the applicable penalty and default surcharge.

In April, 2016, the Company had filed suits against the show cause notices relating to the years 2012 to 2015 before Sindh High Court (SHC) challenging the levy of SPST on renting of generators and obtained a stay order restricting SRB from taking any coercive measures against the Company. In 2019, these suits were withdrawn due to the decision by Supreme Court of Pakistan that in order for a suit to continue, a minimum of 50% of the tax calculated by the tax authorities must be deposited in the respective treasury. Consequent to withdrawal of the suits, SRB issued fresh show cause notices for each of the tax years 2012 to 2017. For financial years 2012 and 2016, the Assistant Commissioner SRB also passed an order against the Company and created a demand of Rs. 43.6 million and Rs. 77.3 million respectively and issued recovery notices. The Company has filed an appeal against the recovery orders before the Commissioner Appeals SRB and also obtained interim relief from SHC by filing separate petitions for each of the years from 2012 to 2017, challenging the levy of SPST on renting of generators and obtained stay order restricting SRB from taking coercive measures against the Company.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly, no tax provision has been made in these unconsolidated financial statements.

32.1.12 In December 2022, the Company received a show cause notice from the Sindh Revenue Board (SRB) for short payment against services along with default surcharge amounting to Rs. 1.8 million for the period from September 2019 to April 2022 against income from operating lease and income from services provided to Insurance companies through workshop. The same was adequately responded stating that the services fall under the reduced rate of sales tax. However, the additional commissioner of SRB confirmed the said liability through Order no 2892 of 2022 dated December 9, 2022, which has been challenged by the Company before commissioner appeals SRB. The same is pending for adjudication.

Based on the tax advisor's opinion, the management is confident of a favourable outcome. Accordingly no tax provision has been made in these unconsolidated financial statements.

32.1.13 In continuation to the notice received from SRB in 2018, the Company received an order dated November 03, 2021 u/s 40(1)(b) of the Stamp Act, 1899 amounting to Rs. 19.5 million, which also includes the late payment charges of Rs. 6.5 million. On December 10, 2021, the Sindh High Court disposed-of the petition filed by the Company on applicability of stamp duty on purchase orders and issued its decision on January 22, 2022, dismissing the Company's plea against applicability of stamp duty. The Company had also filed a petition on December 10, 2021 before SHC to prevent the SRB from taking any coercive action against the Company subsequent to the issuance of the recovery order, as the matter was pending in SHC. The Court directed the SRB to provide the Company an opportunity of being heard and to decide the matter within 3 months, and till such period no coercive action can be taken against the Company.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The Company filed an appeal with member SRB against the recovery order. However, member SRB has passed an order of Rs. 19.5 million, including amount of additional charges. The Company has filed petition in Sindh High Court against the order. On April 06, 2022, directions were issued with regard to payment of the stamp duty of Rs 12.5 million whereas hearing was adjourned on the additional charges of Rs 6.5 million. Accordingly, the Company has paid the stamp duty amount of Rs. 12.5 million on April 16, 2022. Based on legal opinion, the management is confident of a favorable outcome on waiver of additional charges of Rs 6.5 million.

Accordingly, no provision against additional charges levied has been made in these consolidated financial statements.

32.1.14 In September 2024, the Company received show-cause notices from the Sindh Revenue Board (SRB) demanding payment of the Sindh Workers Welfare Fund (SWWF) on total profit amounting to Rs. 68.1 million for the years ended June 30, 2022, and June 30, 2023. Accordingly, the Company responded to the notices for both years, stating that it operates on a trans-provincial basis, and no payment can be made until a methodology is agreed upon among all stakeholders. Additionally, on September 24, 2024, the Company filed a petition before the Sindh High Court (SHC) challenging the SRB's demand and seeking to restrain the SRB from taking any coercive action while the matter is pending. The SHC granted a stay order, subject to the deposit of the disputed amount with the Nazir of the SHC, and directed the SRB not to take any coercive action until a final decision is reached. The Company submitted pay orders amounting to Rs. 37.2 million and Rs. 39.0 million for the years ended June 30, 2022, and June 30, 2023, respectively. These amounts are fully provided for in respective years. On April 25, 2025, SHC held that trans-provincial companies does not fall under the provincial authorities until a mutually agreed mechanism is developed by all stakeholders.

32.2 Commitments relating to capital expenditure at the reporting date amounted to Rs. 4.48 Million (June 30, 2025: Rs. NIL).

32.3 OLP Modaraba

The Modaraba has issued Nil Letter of Comfort as at June 30, 2026 (June 30, 2025: Sindh Bank Limited on behalf of M/s. AIMS Hosiery Limited & M/s. Demont Research Laboratories (Private) Limited as at year end amounting to Rs. 102.17 million) for guaranteeing the payment against import of plant and machinery which will ultimately be given by the Modaraba to the client against diminishing musharika or ijarah arrangements.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- 39.1** During 2013, the Sindh Revenue Board (SRB) levied Sindh sales tax on management remuneration, which is paid by the Modaraba to its Management Company under the provisions of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, treating it as a fee and chargeable under the Sindh Sales Tax Act, 2011. The Modaraba, however, considers that the management remuneration is an allocation of profit under the Shariah principle of "Modaraba" and therefore does not qualify to be treated as a fee and hence, does not attract any services sales tax.

Pursuant to Order number SRB-COM-I/AC-V/Mgt/SCSOP/5878/2012 of the SRB dated April 22, 2013 issued to the Management Company, the Modaraba has recorded a provision in respect of Sindh Sales Tax on the Management Company's remuneration at applicable rates with effect from November 1, 2011. The Management Company had filed an appeal before the Appellate Tribunal SRB against this order. The Appellate Tribunal SRB through its order dated February 19, 2016 allowed the appeal and set aside the order-in-original and order-in-appeal and remanded back the case to the assessing officer for re-assessment. Thereafter, on April 8, 2016, the assessing officer issued a fresh notice to the Management Company contending that sales tax on the Management Company's remuneration is applicable. Against the notice, the Management Company has filed an appeal before the Honorable Sindh High Court. As an interim relief, the Court vide its Order dated October 13, 2016 has stopped the assessing authorities to pass any final order till the culmination of its proceedings. The interim relief was reconfirmed by the Court in its Order dated November 5, 2018. The case is pending to date. However, the Modaraba has continued to recognise the provision for services sales tax on the Management Company's remuneration.

40 REMUNERATION OF THE CHIEF EXECUTIVE, DIRECTORS AND EXECUTIVES

- 40.1** The aggregate amount charged in the consolidated financial statements for the year in respect of the remuneration and benefits to the Chief Executive and Executives is as follows:

	2026			
	Chief Executive of the Holding Company	Chief Executive of the Management Company	Executives	Total
	Rupees			
Managerial remuneration	56,671,996	18,314,608	343,725,668	418,712,272
Bonus	16,100,000	4,000,000	146,665,620	166,765,620

Permanent differences	(21,276,699)	22,513,198
Effect of change in tax rate	1,197,666	(3,370,154)
Others	(2,848,835)	(15,624,779)
	887,560,456	840,935,212

41.4 Current status of pending tax assessments

Holding Company

Tax Year 1999 to 2000

In the assessment year 1999-2000 the Officer Inland Revenue (OIR) had revised the income tax assessment order of the Holding Company under Section 221 of the Ordinance. The Holding Company had preferred an appeal against the order of the OIR before the Commissioner Inland Revenue [CIR(A)] who confirmed the treatment of the OIR. The Holding Company then filed an appeal before the Appellate Tribunal Inland Revenue (ATIR). The ATIR while deciding the appeal filed by the Holding Company, had remanded back the appellate order dated December 12, 2005 to the CIR(A) to pass speaking order after considering all the relevant facts of the case. The case is still pending adjudication, however, as a matter of prudence, the Holding Company has made adequate provision in respect of the disallowances.

Tax Year 2010 to 2025

Under Section 114 of the Income Tax Ordinance 2001, the Holding Company had filed the returns of income for tax years 2010 to 2025. The said returns were taken to be assessment orders, passed by the Commissioner Inland Revenue on the day the said returns were filed other than tax year 2010, 2011, 2014, 2015, 2016, 2017, 2018, 2019, 2020 and 2021.

Tax Year 2010, 2011, 2014, 2015, 2016, 2017, 2018, 2019, 2020 and 2021

Details of the assessment made by the Additional Commissioner Inland Revenue are provided in notes 30.1.1, 30.1.2, 30.1.3, 30.1.4, 30.1.8, 30.1.9 and 30.1.10.

OLP Modaraba

There were no tax assessments outstanding as at June 30, 2026 and June 30, 2025.

For the Year Ended June 30, 2026

44 SEGMENT INFORMATION

The Group has three primary reporting segments namely, 'Finance lease', 'Loans & Finances' and 'Islamic Finance', based on the nature of business and the related risks and returns associated with these segments. The finance lease operations are primarily for long-term leases of movable assets to corporate entities and individuals. Loans & finances are primarily extended to corporate entities and individuals for purchase of saloon vehicles. Islamic Finance includes Ijarah and Diminishing Musharakah to corporate entities and individuals. Other operations, which do not fall into the above segment categories and are not deemed by the management to be sufficiently significant to disclose as separate items, are reported under 'Others'.

44.1 Segment analysis is given below:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

49 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's activities expose it to a variety of financial risks which mainly include market risk, credit risk and liquidity risk. The Board of Directors of the Holding Company has the overall responsibility for the establishment and oversight of the Group's risk management framework. The Board is also responsible for developing and monitoring the Group's risk management policies.

49.1 Market risk

Market risk is the risk that the fair value or the future cash flows of a financial instrument may fluctuate as a result of changes in market prices. Market risk comprises three types of risks: currency risk, yield / interest rate risk and other price risk.

49.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group incurs currency risk in US dollar, Saudi Riyal and Egyptian Pound on account of its foreign currency bank account, held for sale investments and investment in associate. The Group's exposure to foreign currency transactions is as follows:

	2026	2025
	----- Rupees -----	
Foreign currency bank account	7,845,087	8,040,372
Investment in associate	1,753,135,634	1,775,618,949

As at June 30, 2026, if the Pakistani Rupee had strengthened / weakened by 10% against these currencies with all other variables held constant, the impact on the total comprehensive income would have been lower / higher by an amount of Rs. 175.31 million (June 30, 2025: Rs. 177.56 million).

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

49.1.2 Yield / interest rate risk

Yield / interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates. The Group has adopted appropriate policies to minimise its exposure to this risk. The interest rate profile of the Group's significant interest bearing financial instruments and the periods in which these will mature are as follows:

2026								
Exposed to yield / interest rate risk							Not exposed to	
Effective yield / profit rate %	Total	Upto one month	Over one month to three months	Over three months to one year	Over one year to five years	Over five years	yield / profit rate risk

a) Sensitivity analysis for variable rate financial instruments

The Group has extended KIBOR based long-term leases and finances to various counter parties that expose the Group to cash flow interest rate risk. In case of increase / decrease in KIBOR by 100 basis points on the last repricing date with all other variables held constant, the profit before tax would have been higher / lower by Rs. 351.62 million (June 30, 2025: Rs. 329.12 million).

Furthermore, the Group also has KIBOR based financial liabilities in Pakistani Rupees representing short-term running finance arrangements, short-term and long-term finances obtained from various financial institutions and certificates of deposit which expose the Group to cash flow interest rate risk. In case of increase / decrease in KIBOR by 100 basis points on the last repricing date with all other variables held constant, the profit before tax for the year ended June 30, 2026 would have been lower / higher by Rs. 315.59 million (June 30, 2025: Rs. 281.59 million).

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The Company holds short term and long term unutilised credit lines with banks amounting to Rs. 2,118 million and Rs. 750 million respectively as at June 30, 2026 (June 30, 2025: Rs. 1,028 million and Rs 1,700 million).

b) Sensitivity analysis for fixed rate financial instruments

As at June 30, 2026, the Group holds Market Treasury Bills which are classified as 'financial assets at fair value through profit or loss', exposing the Group to fair value interest rate risk. In case of 100 basis points increase / decrease in rates announced by the Financial Markets Association of Pakistan for Market Treasury Bills with all other variables held constant, the net profit for the year and net assets of the Company would have been higher / lower by Rs. 4.67 million (June 30, 2025: Rs.7.70 million).

49.1.3 Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from profit rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

49.2 Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The risk is generally limited to principal amounts and accrued profit thereon, if any. The Group has established procedures to manage credit exposure including credit approval limit, credit exposure limits, collateral and guarantee requirements. These procedures incorporate both internal guidelines as well as the requirements of the NBFC Rules and the NBFC Regulations. The Group also manages credit risk through an independent credit department which evaluates customers' credit worthiness and obtains adequate securities where applicable.

All investing transactions are settled / paid for upon delivery. The Group's policy is to enter into financial instrument contract by following internal guidelines for approval.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The concentration of credit risk indicates the relative sensitivity of the Group's performance to developments affecting a particular industry or geographic location. Significant concentration of the Group's risk assets by class of business, industry sector and geographical region is set out in note 44.2.

The Group applies IFRS 9 simplified approach for leases and general approach for loans, Diminishing Musharika and Ijarah financing to determine ECL. Probability of default (PD) represents the likelihood that a counterparty will default within the next 12 months (12-month ECL, Stage 1) or over the remaining lifetime of the financial instrument (lifetime ECL, Stage 2). The Group employs a Roll Rate/ Transition Matrix model to analyze monthly migration of obligors across Days Past Due (DPD) buckets, defined in 30-day intervals, based on historical data. These through-the-cycle PDs are then adjusted to point-in-time PDs using the Vasicek Distribution Framework, which incorporates forward-looking macroeconomic variables such as Pakistan's Gross Domestic Product (GDP) and Consumer Price Index (CPI).

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

	Carrying value		Maximum exposure	
	2026	2025	2026	2025
	Rupees			
Net investment in finance lease	7,086,206,705	7,618,095,306	7,086,206,705	7,618,095,306
Loans and finances	32,958,866,603	28,191,886,627	32,958,866,603	28,191,886,627
Long-term investments	25,721,833	22,095,195	-	-
Long-term deposits	11,550,693	11,120,680	11,550,693	11,120,680
Short-term investments	2,862,480,714	2,342,693,585	-	-
Other receivables	588,637,087	550,615,859	588,637,087	550,615,859
Bank balances	897,431,274	890,542,546	897,325,542	890,526,521
	<u>44,430,894,909</u>	<u>39,627,049,798</u>	<u>41,542,586,630</u>	<u>37,262,244,993</u>

Difference in the balance as per the carrying value and maximum exposure is due to the fact that investments in Government securities, equity securities and cash in hand are not exposed to credit risk.

The Group controls the credit quality of receivables through diversification of activities to avoid undue concentration of risks with individuals, groups or specific industry segments. For such purpose, the Group has established exposure limits for single lessees and industrial sectors. The Group has an effective rental monitoring system which allows it to evaluate customers' credit worthiness and identify potential problem accounts. An allowance for potential lease, instalment and other loan losses is maintained at a level which, in the judgment of management, is adequate to provide for potential losses on lease and other loan portfolios that can be reasonably anticipated. The credit quality of receivables can be assessed with reference to their historical performance with no or some defaults in recent history.

The carrying value of receivables which are past due are as under:

	2026			
	Finance lease (net of security deposit)	Loans and Finances	Investments & other receivables	Total
	Rupees			
Within 90 days	-	12,500,771	-	12,500,771

Coverage ratio	94.45%	87.77%	131.73%	92.55%

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

	2025			
	Finance lease (net of security deposit)	Loans and Finances	Investments & other receivables	Total
	Rupees			
Within 90 days	7,345,557	5,070,287	-	12,415,844
91 - 180 days	26,170,695	199,960,213	-	226,130,908
181-365 days	15,562,738	90,414,623	-	105,977,361
Over 1 Year	314,605,989	179,527,136	58,630,451	552,763,576
	363,684,979	474,972,259	58,630,451	897,287,689
Less: General and specific provision	339,593,159	424,669,198	65,945,790	830,208,147
Net of provision	24,091,820	50,303,061	(7,315,339)	67,079,542
Coverage Ratio	93.38%	89.41%	112.48%	92.52%

The credit quality of the Group's bank balances and investment portfolio are assessed with reference to external credit ratings which in all cases are above investment grade rating.

The Group maintains balances with banks and mutual funds (i.e daily dividend income funds) having reasonably high credit ratings which are summarized as follows:

	2026	2025
	Rupees	
Bank balances		
AAA	284,415,978	565,552,740
AA+	178,002,422	426,339
AA	11,807,044	18,565,699
A+	420,522,700	304,776,165
AA-	1,454,265	157,553
State bank of Pakistan	1,270,568	1,064,050
	897,472,977	890,542,546

Impairment on bank balances has been measured on a 12-month expected credit loss basis, reflecting the short-term maturity of the exposure. The Company considers its bank balances to have low credit risk based on the external rating of the counterparty. The 12-month probabilities of default are based on historical data provided by the External Rating Agency for the relevant credit rating. The loss given default (LGD) parameters generally reflect assumed recovery rates in line with those set out in the Basel Guidelines for unsecured exposures.

The Group does not hold any other financial asset which are rated.

49.2.1 The Group applies the IFRS 9 simplified approach to measure expected credit losses for net investment in finance lease. To measure the expected credit losses, such financial assets have been grouped based on days past due. On that basis, the loss allowance as at June 30, 2026 and June 30, 2025 was determined as follows:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Net investment in finance lease

	2026			2025		
	Expected loss rate	Gross carrying amount	Expected Credit loss/ provision	Expected loss rate	Gross carrying amount	Expected Credit loss/ provision

Total			60,341,901			65,945,790

For loans and other financial assets, a lifetime ECL is recorded in which there has been Significant Increase in Credit Risk (SICR) from the date of initial recognition and for financial assets which are credit impaired as on reporting date. A 12-months ECL is recorded for all other financial assets which do not meet the criteria for SICR or "credit impaired" as at reporting date. To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The Group also considers reasonable and supportive forward-looking information in determination of ECL.

49.3 Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting its financial obligations as these fall due. Liquidity risk arises because of the possibility that the Group will be required to pay its liabilities earlier than expected or will face difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

The table below summarises the Group's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	2026				
	Carrying amount	Contractual cash flows	Upto three months	More than three months and upto one year	More than one year

50 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Underlying the definition of fair value is the presumption that the Group is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

The fair values of investments classified as "at fair value through profit or loss" and "at fair value through other comprehensive income" is based on active market. The investment in associate is accounted for using the equity method.

Fair values of net investments in finance lease, long term loans and finances, long term deposits and other assets, other liabilities, long term certificates of deposit and other accounts are approximate to their carrying value. The provision for impairment of finance lease and long term loans and finances has been calculated in accordance with the accounting policy mentioned in note 3.10.5.

In the opinion of management, fair values of the remaining financial assets and liabilities are not significantly different from their carrying values since these assets and liabilities are short term in nature or are periodically repriced.

Fair value hierarchy

International Financial Reporting Standard 13, 'Fair Value Measurement' requires the Group to classify assets using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

	2026			
	Level 1	Level 2	Level 3	Total

Leasehold land & building *	-	965,951,564	-	965,951,564
Total	11,164,079	3,328,982,515	-	3,340,146,594

Item	Valuation approach and input used
Market Treasury bills	The fair value of Market Treasury bills is derived using PKRV rates. PKRV rates are is average of the yield-to-maturity on government securities traded in the secondary market and determined at the end of day. The yield-to-maturity on government securities is quoted by the six (06) brokerage houses keeping in view the yield-to-maturity on government securities traded in the secondary market.
Property and equipment (leasehold land and office building)*	The revaluation by the valuer is carried out on the basis of professional assessment of present market values.
Ordinary shares	The fair value of listed ordinary shares is determined using quoted prices (unadjusted) listed on Pakistan Stock Exchange. The fair value of unlisted ordinary shares is determined using the market approach, based on the Price-to-Earnings (P/E) multiple derived from comparable companies and adjusted for lack of marketability to reflect the unlisted nature of the investment.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

- * Leasehold land and building are carried at revalued amounts (level 2 measurement) determined by professional valuers based on their assessment of the market values as disclosed in notes 5 to these consolidated financial statements. The valuation experts used a market based approach to arrive at the fair value of the Holding Company's properties. The approach uses prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties.

51 CAPITAL RISK MANAGEMENT

The objective of the Group when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders, and to maintain a strong capital base to support the sustained development of its business.

The Group manages its capital structure by monitoring return on net assets and makes adjustments to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividend paid to its shareholders or issue new shares.

As required under the NBFC Regulations, every Investment finance company involved in deposit taking shall maintain a capital adequacy ratio of 8% of the Total Risk Weighted Assets (RWA) for the first two years after the amendment coming into force and thereafter at the rate of 10% of RWA. The Holding Company has maintained and complied with the minimum equity requirement during the current year.

52 EARNINGS PER SHARE - basic and diluted

	2026	2025
	Rupees	
Profit for the year after taxation attributable to equity holders of the Holding Company (Rupees)	1,348,365,975	1,303,189,813
Profit from continuing operations attributable to equity holders of the Holding Company (Rupees)	1,348,341,752	1,320,635,505
Weighted average number of ordinary shares	175,407,647	175,407,647
Earnings per share - basic and diluted (Rupees)	7.69	7.43
Earnings per share - continuing operations - basic and diluted (Rupees)	7.69	7.53

- 52.1 Diluted earnings per share has not been presented separately as the Holding Company did not have any convertible instruments in issue at June 30, 2026 and June 30, 2025 which would have had any effect on the earnings per share.

NOTES TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended June 30, 2026

Associates

Details about the Group's investment in an associate and summarised financial information are disclosed in note 10 of these consolidated financial statements.

55 NON-ADJUSTING EVENTS AFTER THE REPORTING DATE

The Board of Directors of the Holding Company in its meeting held on September 17, 2026 proposed a final cash dividend of Rs. 4 per share (June 30, 2025: Rs. 3.5 per share) for the year ended June 30, 2026, amounting to Rs. 701,630,588 (June 30, 2025: Rs. 613,926,765). This appropriation will be approved by the members of the Holding Company at the Annual General Meeting to be held on October 22, 2026. The consolidated financial statements for the year ended June 30, 2026 do not include the effect of the above appropriation which will be accounted for in the consolidated financial statements of the Group for the year ending June 30, 2027.

56 DATE OF AUTHORISATION FOR ISSUE

These consolidated financial statements were authorised for issue on September 17, 2026 by the Board of Directors of the Holding Company.

57 GENERAL

Figures reported in these consolidated financial statements have been rounded off to the nearest Rupee unless otherwise stated.
